**All the Way Happy** Kit Coltrane, 2022-12-27 Their differences made them enemies One summer tied them together forever From the moment Jack Gardner first laid eyes on Theodore Beaumont he hated everything about him Emanating wealth and icy perfection Theo was everything Jack was not Their time together at the elite Gwynns Academy changed them both but it wasn't until a chance encounter the summer after graduation that the tension between them became palpable unbearable Seventeen years later Jack's and Theo's worlds collide as they drop their sons off at Gwynns Theo wants the kind of authentic life that requires confronting past lies specifically the steamy summer affair he and Jack kept buried like a secret beneath the floorboards of their marriages Jack is less than convinced Existing in the present and simultaneously in their shared past in the richness of their memories and the way they once clung together Jack and Theo struggle to reconcile the worlds they have built apart with their longing to be together and the fear of being hurt all over again The journals and miscellaneous notebooks of Ralph Waldo Emerson Ralph Waldo Emerson, 1963 Ralph Waldo Emerson's life from 1826 to 1832 has a classic dramatic structure beginning with his approbation to preach in October 1826 continuing with his courtship his brief marriage to Ellen Tucker and his misery after her death and concluding with his departure from the ministry The journals and notebooks of these years are far fewer than those in the preceding six years Emerson noted down many ideas for sermons in his journals but as time went on he wrote the sermons independently Occasionally he wrote openly about family matters but except for the passionate response to Ellen and her death the journals tell little about the impact upon him of other people and outside events The pattern is consistent with the earlier journals Emerson used them mainly to record his thought to develop and express his ideas His religious and intellectual interests were undergoing significant changes in orientation or emphasis He was less concerned with the existence of God than with the nature and influence of Christ He continued to reassert the truth of Christianity but in his growing unorthodoxy he came to show less and less sympathy with the church with forms and ritual with convention And he began to wonder whether it is not the worst part of the man that is the minister During these years Emerson read more in Madame de Staël Wordsworth G. R. Coleridge less in Milton the Augustans Dugald Stewart and Scott In style he moved from a rambling bookish rhetoric to the tautness and the cadences that mark his later Essays **Notebooks** Margaret Rose Thornton, Tennessee Williams, 2006-01-01 Meticulously edited and annotated Tennessee Williams's notebooks follow his growth as a writer from his undergraduate days to the publication and production of his most famous plays from his drug addiction and drunkenness to the heights of his literary accomplishments **Teaching Will** Mel Ryane, 2014-08-12 Highly enjoyable A charming memoir that will amuse and inspire parents teachers and Shakespeare fans Kirkus Reviews What happens when an idealist volunteers to introduce Shakespeare to a group of unruly kids Bedlam Tears And hard lessons learned Convinced that children can relate to Shakespeare's themes power revenge love Mel Ryane launches The Shakespeare Club at a Los Angeles public school Teaching Will is a riotous

cautionary tale of high hopes and goodwill crashing into the realities of classroom chaos Every week Mel encounters unexpected comedy and drama as she and the children struggle toward staging a production of A Midsummer Night's Dream Woven through this fish out of water tale is Mel's own story of her childhood aspirations her experiences in acting and the heartbreaking end of her onstage career In the schoolyard Mel finds herself embroiled in jealousy and betrayal worthy of Shakespeare's plots Fits of laughter alternate with wiping noses as she and the kids discover a surprising truth They need each other if they want to face an audience and triumph Teaching Will is an uplifting story of empowerment for dreamers and realists alike Lively Ryane manages both to be funny and not take herself too seriously Publishers Weekly I found myself moved to tears by one sentence and laughing out loud at the next The Huffington Post

**Recumon (Vol. 1): Fantastic Species** Michael R.E. Adams, 2017-09-16      *Recumon (Story #2): Love Muraenidae Electricus* Michael R.E. Adams, 2017-09-17      **Kafka and the Universal** Arthur Cools, Vivian Liska, 2016-07-25 Kafka's work has been attributed a universal significance and is often regarded as the ultimate witness of the human condition in the twentieth century. Yet his work is also considered paradigmatic for the expression of the singular that cannot be subsumed under any generalization. This paradox engenders questions not only concerning the meaning of the universal as it manifests itself in and is transformed by Kafka's writings but also about the expression of the singular in literary fiction as it challenges the opposition between the universal and the singular. The contributions in this volume approach these questions from a variety of perspectives. They are structured according to the following issues: ambiguity as a tool of deconstructing the pre-established philosophical meanings of the universal; the concept of the law as a major symbol for the universal meaning of Kafka's writings; the presence of animals in Kafka's texts; the modernist mode of writing as challenge of philosophical concepts of the universal; and the meaning and relevance of the universal in contemporary Kafka reception. This volume examines central aspects of the interplay between philosophy and literature.

**The Dramatic Works of Samuel Beckett** Charles A. Carpenter, 2011-10-13 A selectively comprehensive bibliography of the vast literature about Samuel Beckett's dramatic works arranged for the efficient and convenient use of scholars on all levels.

English Paleography and Manuscript Culture, 1500-1800 Kathryn James, 2020-02-25 This richly illustrated book provides an essential introduction to the manuscript in early modern England. From birth to death, parish record to probate inventory, writing framed the lives of the early modern English. Offering a technical introduction to the handwriting of the period, case studies tracing the significance of manuscript to British cultural identity, and exercises to practice reading and transcription, the book opens the study of early modern English manuscript to a new generation of students and scholars.

*The Southern Cross* Skip Horack, 2009 The sixteen short stories featured in Skip Horack's prize-winning debut collection paint a richly textured vision of the American South. Set in the Gulf Coast over the course of a year torn halfway by the arrival of Hurricane Katrina, these stories filled with humor, restraint, and verve follow the lives of an assembly of unforgettable characters. An exonerated ex-con who may not be entirely innocent, a rabbit farmer in mourning, and an earnest young mariner trying to start a new life with his wife—all are characters that populate the spirited cities and drowsy parishes in Horack's marvelous portrait of the South. A knockout winner for guest judge Antonya Nelson, *The Southern Cross* marks the arrival of a standout new voice.
