General Catalogue of Printed Books British Museum. Department of Printed Books,1969 **Re-Membering History in Student and Teacher Learning** Joyce E. King, Ellen E. Swartz, 2014-03-05 What kind of social studies knowledge can stimulate a critical and ethical dialog with the past and present Re Membering History in Student and Teacher Learning answers this question by explaining and illustrating a process of historical recovery that merges Afrocentric theory and principles of culturally informed curricular practice to reconnect multiple knowledge bases and experiences In the case studies presented K 12 practitioners teacher educators preservice teachers and parents use this praxis to produce and then study the use of democratized student texts they step outside of reproducing standard school experiences to engage in conscious inquiry about their shared present as a continuance of a shared past This volume exemplifies not only why instructional materials including most so called multicultural materials obstruct democratized knowledge but also takes the next step to construct and then study how re membered student texts can be used Case study findings reveal improved student outcomes enhanced relationships between teachers and families and teachers and students and a closer connection for children and adults to their heritage **Bilingual and ESL Classrooms** Carlos J. Ovando, Mary Carol

Combs, 2018-01-02 Now in its 6th Edition this classic text integrates theory and practice to provide comprehensive coverage of bilingual and ESL education The text covers the foundations of bilingual and ESL education and provides a strong focus on what the teacher needs to know in a bilingual classroom Woven throughout the text are quotes from bilingual and ESL students and teachers that illuminate the bilingual ESL learning and teaching experience Bilingual and ESL Classrooms is written for both preservice and experienced educators serving grades pre K through 12 mainstream bilingual ESL and special education teachers as well as administrators school counselors and educational policymakers New in the Sixth Edition This sixth edition presents updated research on and expanded coverage of key issues related to the education of English language learners in the United States such as continuing controversies and findings in demographics the impact of globalization on K 12 public schooling evidence driven teaching practices white normativity using technologies developed for language minority populations making sense of Census 2010 and achievement levels of ELLs in math and science More
