Hard Lessons Primary Schools Community And Social Capital In Nigeria:

Hard Lessons ,1998-01-01 Education is a basic condition for economic and social development Working in conjunction with the National Primary Education Commission the World Bank supported consultations among teachers parents educational administrators and community leaders to develop a strong foundation for primary education in Nigeria The innovative work documented in this publication illustrates the potential not only for partnership between the users and providers of primary education but also between the World Bank and its clients **Social Capital** Ed. K.R. Gupta,Prasenjit Maiti,2008 Harnessing and Guiding Social Capital for Rural Development S. Khan,S. Kazmi,Z. Rifaqat,2007-11-26 This book is about the harnessing of social capital formalized as village or community organizations to guide and facilitate collective action for attaining poverty alleviation in particular and enhancing community well being in general

Developing Cultures Lawrence E. Harrison,Peter Berger,2006-01-13 Developing Cultures Case Studies is a collection of 27 essays by a group of leading international scholars on the role of culture and cultural change in the evolution of countries and regions around the world **The ^A True Wealth of Nations** Daniel Finn,2010-09-23 The True Wealth of Nations arises from the conviction that implementing a morally adequate vision of the economy will generate sustainable prosperity for all It sets forth the beginnings of an architecture of analysis for relating economic life and Christian faith intellectually and experientially and helps social scientists theologians and all persons of faith to appreciate the true wealth of any nation

Bonds and Bridges Deepa Narayan-Parker,1999 **Global Exchanges and Gender Perspectives in Africa** Jean-Bernard Ouedraogo,M. Achieng,2011-12-15 The global perspectives adopted in this volume by the authors from different academic disciplines and social experiences ought not to be locked in sterile linearity which within process of globalisation would fail to perceive the irreversible opening up of the worlds of the south There is the need within the framework of the analyses presented here to quite cogently define the sense of the notion of the market The market here does not refer to saving or the localised exchange of goods a perspective which is imposed by normative perceptions In fact a strictly materialistic reading of exchange would be included since every social practice and interaction implies a communitarian transaction meanwhile the exchange system under study here broadens to root out the obligation of the maximisation of mercantile profit from the cycle of exchange Trade here would have a meaning closer to those of old one of human interaction in a way that one could also refer to bon commerce between humans In one way trade places itself at the heart of social exchanges included the power of money and is carried along by a multitude of social interactions The reader is called upon to take into account the major mercantile formations of the social trade system the market society without forgetting the diversity of exchange routes as well as the varying modalities of social construction at the margins and within market logics those of implicit value in trade between humans which the texts herein also seek to review The age old project of restructuring the domestic economy the market society as it has developed in the West whence it has set out to conquer

the whole wide world places at the very centre of the current capitalist expansion the challenge of imperatively reshaping gender identity inter alia in market relations *Resources in Education* ,1999-10 **Voices of the Poor** ,2000 El libro recoge la voz de mas de 40 000 personas pobres de 50 paises y es la primera parte de la serie denominada la voz de los pobres para este estudio se utilizan metodos participatorios y cualitativos de investigacion y presenta de manera muy directa a traves de la propia voz de las personas pobres las realidades de su vida La mayoría considera que esta en peores condiciones y tiene mas inseguridad que antes *Economic Policy Options for a Prosperous Nigeria* P. Collier,C. Soludo,C. Pattillo,2008-04-24 This book demonstrates that there is sufficient evidence on the Nigerian economy and society to inform many policy issues and reveals the current problems and policy options that a democratic Nigeria will need to debate and resolve It presents an agenda of reform as unfinished business *Household Welfare, the Labor Market, and Social Programs in Albania* Mansoor Rashid,Vajeera Dorabawila,Richard Adams,2001-01-01 The main focus of this paper is to assess household welfare in Albania describe the labor market and evaluate the equity and efficiency of public expenditures on cash benefits and education This report provides a benchmark against which future welfare developments of the population can be measured It also includes a statistical annex **The Reality of Aid 2000** Judith Randel,Tony German,Deborah Ewing,2013-11-05 NOW IN ITS SEVENTH ANNUAL EDITION The Reality of Aid 2000 looks at how the performance of OECD donor countries on aid and development cooperation has matched up to the challenge of eliminating absolute poverty The report charts some improvements at the level of donor policy and rhetoric But its stark conclusion is that the potential of aid to combat poverty is constantly undermined by governments both North and South who fail to address the extreme inequalities of income and the structural social and political injustices that entrench people in poverty Part I of The Reality of Aid 2000 presents an overview of poverty in the current global context and an analysis of recent trends in aid looking particularly at basic education In Part II chapters by experts from NGOs in OECD countries and the European Union show how donor aid administrations approach poverty and highlight the weakness of political commitment in the North to the needs of the poor Part III sets out Southern perspectives on development cooperation Part IV provides at a glance comparisons of donors aid outlook and commitment to development cooperation in the 21st century poverty eradication gender and public support Throughout the book information is presented in easily interpreted diagrams and graphs The Reality of Aid has established itself as a unique source of independent evaluation and comment on aid policies and development It is indispensable for all in the field whether in the official or voluntary sectors providing a regular reality check on just how much the international community is doing to realise the achievable goal of eliminating poverty Indispensable it gives you most of the hard facts you need to know about the major issues Nett Internationalist The most comprehensive and rigorous independent analysis of the aid and development policies of the world s wealthiest nations Essential reading Charity World The Reality of Aid remains an essential purchase by the libraries of development institutions

and an invaluable reference for development practitioners Development Change A reliable watchdog for anyone interested in this important aspect of international relations ORBIT An accessible reference it encompasses many key issues and stimulates further research Commonwealth Comparative Politics Originally published in 1999 Making services work for poor people World Bank, Global Perspectives on Social Issues Rita James Simon, Lisa Banks, Delene Bromirski, 2003-01-01 In Global Perspectives on Social Issues Education Rita J Simon and Lisa Banks provide a broad perspective on education in twenty countries This work examines and compares the system of education literacy rates enrollment rates types of public and private schools years of compulsory education and the amount of money the government allocates to education in the different societies Each country's demographic characteristics and political social and economic institutions are summarized The influence of each nation's political and cultural ideology on the educational system is discussed This third book in the Global Perspectives on Social Issues series grants scholars and policy makers an overview of the steps being taken by governments and educational organizations worldwide to increase the quality standards goals and accessibility of education

Critical Perspectives of Educational Technology in Africa Bellarmine A. Ezumah, 2020-10-19 This book is a critical cultural evaluation of educational technology adoption in Sub Saharan Africa including projects such as the OLPC One Laptop Per Child It presents efficient ways of improving education delivery among low income communities through designing and implementing congruent educational technologies that incorporate social and cultural proclivities Ezumah defines technology with regards to pedagogy and seeks to debunk the assumption that educational technology consists only of digital and interactive options Additionally she argues for a narrative paradigm shift aimed at validating analog technologies as equally capable of providing necessary and desired educational objectives and outcomes for communities who cannot afford the digital alternatives By comparing African educational systems in precolonial colonial and post colonial times and incorporating the history of technology transfers from the Global North to South the book highlights cultural imperialism development theory neocolonialism and hegemonic tendencies **Crosscurrents and Crosscutting Themes** Kagendo Mutua, Cynthia S Sunal, 2006-08-01 In this Third Volume of the series Research on Education in Africa the Caribbean and the Middle East the volume continues with the previously established overarching purpose of publishing chapters that are based upon research conducted in those regions by scholars many of whom are indigenous to the regions they write about and are therefore able to provide cultural insights about relevant issues as well as nonindigenous scholars who have conducted their studies in countries within the regions or about those regions This mixture of indigenous scholarship offering emic perspectives and outside scholarship offering etic perspectives continues to be a relative strength and uniqueness of this book series In addition several chapters in the current volume constitute collaborations between the authors etic and emic to the contexts about which they write This bifocality in the gaze cast upon issues covered in this book series has been well received by readers of earlier volumes of the series

Education and Social Justice J. Zajda, S. Majhanovich, V. Rust, E.
