

DEATH

ALONG THE DUNES

I had traveled fifteen hundred miles to leave my troubles behind me. Now I was in a strange town — with a very strange feeling that I was headed straight for more trouble. Because somebody had slipped me a mickey . . . because someone had raped and murdered a beautiful virgin and left her on the lonely dunes . . . because someone had convinced the cops that I was the man.

Hardboiled Virgin:

The Hard-boiled Virgin Frances Newman, 1926 A somewhat satirical account of a southern girl's first encounters with men Cf Hanna A Mirror for the nation Away Down South James C. Cobb, 2005-10-01 From the seventeenth century Cavaliers and Uncle Tom's Cabin to Civil Rights museums and today's conflicts over the Confederate flag here is a brilliant portrait of southern identity served in an engaging blend of history literature and popular culture In this insightful book written with dry wit and sharp insight James C Cobb explains how the South first came to be seen and then came to see itself as a region apart from the rest of America As Cobb demonstrates the legend of the aristocratic Cavalier origins of southern planter society was nurtured by both northern and southern writers only to be challenged by abolitionist critics black and white After the Civil War defeated and embittered southern whites incorporated the Cavalier myth into the cult of the Lost Cause which supplied the emotional energy for their determined crusade to rejoin the Union on their own terms After World War I white writers like Ellen Glasgow William Faulkner and other key figures of Southern Renaissance as well as their African American counterparts in the Harlem Renaissance Cobb is the first to show the strong links between the two movements challenged the New South creed by asking how the grandiose vision of the South's past could be reconciled with the dismal reality of its present The Southern self image underwent another sea change in the wake of the Civil Rights movement when the end of white supremacy shook the old definition of the Southern way of life but at the same time African Americans began to examine their southern roots more openly and embrace their regional as well as racial identity As the millennium turned the South confronted a new identity crisis brought on by global homogenization if Southern culture is everywhere has the New South become the No South Here then is a major work by one of America's finest Southern historians a magisterial synthesis that combines rich scholarship with provocative new insights into what the South means to southerners and to America as well *Modern Sentimentalism* Lisa Mendelman, 2019-12-17 Modern Sentimentalism examines how American female novelists reinvented sentimentalism in the modernist period Just as the birth of the modern woman has long been imagined as the death of sentimental feeling modernist literary innovation has been understood to reject sentimental aesthetics Modern Sentimentalism reframes these perceptions of cultural evolution Taking up icons such as the New Woman the flapper the free lover the New Negro woman and the divorcee this book argues that these figures embody aspects of a traditional sentimentality while also recognizing sentiment as incompatible with ideals of modern selfhood These double binds equally beleaguer the protagonists and shape the styles of writers like Willa Cather Edith Wharton Anita Loos and Jessie Fauset Modern sentimentalism thus translates nineteenth century conventions of sincerity and emotional fulfillment into the skeptical self-conscious modes of interwar cultural production Reading canonical and under examined novels in concert with legal briefs scientific treatises and other transatlantic period discourse and combining traditional and quantitative methods of archival research Modern Sentimentalism demonstrates that feminine feeling far

from being peripheral to twentieth century modernism animates its central principles and preoccupations **The Columns**, 1926 **Author and Journalist**, 1929 *The Author & Journalist*, 1928 *Directed by Dorothy Arzner* Judith Mayne, 1994 Dorothy Arzner was the exception in Hollywood film history the one woman who succeeded as a director in a career that spanned three decades In Part One Dorothy Arzner's film career her work as a film editor to her directorial debut to her departure from Hollywood in 1943 is documented with particular attention to Arzner's roles as star maker and woman's director In Part Two Mayne analyzes a number of Arzner's films and discusses how feminist preoccupations shape them from the women's communities central to *Dance Girl Dance* and *The Wild Party* to critiques of the heterosexual couple in *Christopher Strong* and *Craig's Wife* Part Three treats Arzner's lesbianism and the role that desire between women played in her career her life and her films **A Southern Life** Laurence G.
