Hardware Of World War II:

The Hardware of World War II Eric Grove,1984 **Military Hardware of World War II** Steve Crawford,2000

The Military Hardware of World War II Eric Grove,1984 Discusses the tanks aircraft and ships that were at the cutting edge of technological advances during the Second World War Second Bibliographic Guide to the History of Computing, Computers, and the Information Processing Industry James W. Cortada,1996-01-30 Complementing the author's 1990 bibliography A Bibliographic Guide to the History of Computing Computers and the Information Processing Industry this bibliography provides 2 500 new citations covering all significant literature published since the late 1980s It includes all aspects of the subject biographies company histories industry studies product descriptions sociological studies industry directories and traditional monographic histories and covers all periods from the beginnings to the personal computer New to this volume is a chapter on the management of information processing operations useful to both historians and managers of information technology Together with the earlier bibliography this work provides the most comprehensive bibliographic guide to the history of computers computing and the information processing industry The organization of the book follows that of the earlier work with the addition of the new chapter on the management of information processing All entries are new to this volume Titles are annotated and each chapter begins with a short introduction A full table of contents and author and subject indexes enhance accessibility to the material The M1 Garand Leroy Thompson,2012-05-20 The M1 Garand gave the US infantryman a marked edge during World War II It shot faster and further than enemy infantry rifles and hit harder No less an authority on killing the enemy than General George S Patton called the Garand The greatest battle implement ever devised At a time when opposing forces were armed with bolt action rifles US troops had a highly reliable self loader The eight round clips which were used to load the M1 Garand were however viewed with mixed emotions by the troops on the ground Some Army and Marine Corps troops allegedly felt that the distinctive twang as the Garand's clip was ejected when empty alerted the enemy that the soldiers were reloading and resulted in an attack But the Garand became the defining mankiller of the war despite its weight and magazine problems and many US combat veterans consider it one of the key reasons they survived the war **Building a Housewife's Paradise** Tracey Deutsch,2010-05-01 Supermarkets are a mundane feature in the landscape but as Tracey Deutsch reveals they represent a major transformation in the ways that Americans feed themselves In her examination of the history of food distribution in the United States Deutsch demonstrates the important roles that gender business class and the state played in the evolution of American grocery stores Deutsch's analysis reframes shopping as labor and embeds consumption in the structures of capitalism The supermarket that icon of postwar American life emerged not from straightforward consumer demand for low prices Deutsch argues but through government regulations women customers demands and retailers concerns with financial success and control of the shop floor From small neighborhood stores to huge corporate chains of supermarkets Deutsch traces the charged story of the

origins of contemporary food distribution treating topics as varied as everyday food purchases the sales tax postwar celebrations and critiques of mass consumption and 1960s and 1970s urban insurrections Demonstrating connections between women s work and the history of capitalism Deutsch locates the origins of supermarkets in the politics of twentieth century consumption **Statutes and Court Decisions** United States.
