## Harlot Queen:

Jezebel Lesley Hazleton, 2007-10-16 There is no woman with a worse reputation than Jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the Bible Her name alone speaks of sexual decadence and promiscuity But what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe What if Jezebel far from being a conniving harlot was in fact framed In this remarkable new biography Lesley Hazleton shows exactly how the proud and courageous queen of Israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies Jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and false humans and all with the fate of entire nations at stake At its center are just one woman and one man the sophisticated Queen Jezebel and the stark prophet Elijah Their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and liberalism against conservatism It is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire Bible Here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars

*Harlot Queen* Hilda Lewis, 2011-11-30 Isabella of France was proud to be wed to the handsome Edward II of England but her joy soon turned to rancour for Piers Gaveston an egotistical and mercenary courtier usurped her husband's bed No woman could compete with her beauty but another man What could she do at the age of fourteen Wait only wait And so she waited nursing her anger rejection and disgust She grew in beauty and wiles the king in weakness as other men worse men took Gaveston's place Weary of waiting Isabella turned to Mortimer of Wigmore In his bed she found comfort and love and cared little that people called her a harlot But even the presence of Mortimer could not quench her thirst for vengeance once she had tasted blood Like an unleashed fury she pursued the king's paramours She would tear England in half to quench her rage if she failed her son would avenge her honour The contest that ensued decided the fate of England In this historically accurate and thrilling story of power and passion Hilda Lewis has created an unforgettable account of how the fate of nations has often been forged in royal bedrooms

**The Poems** Sextus Propertius,1994 Of all the Greek and Latin love poets Propertius c 50 10 BC is one of those who perhaps holds most immediate appeal for the twentieth century reader His helpless infatuation for the sinister figure of his mistress Cynthia forms the main subject of his poetry and is analysed with a tormented but witty grandeur in all its changing moods from ecstasy to suicidal despair The son of an Umbrian landowner who fought on the wrong side in the Civil War after Caesar s murder he lost his father and most of his family estate in boyhood and was brought up by his mother He was able nevertheless to reject a legal or military career and to devote his life to the art of poetry in which he is a far more self conscious practitioner than most of the other Latin poets His modern popularity was furthered in particular by Ezra Pound s Homage to Sextus Propertius 1919
