Harmony Of The Gospels:

A Harmony of the Gospels Loraine Boettner, 2018-09-09 The purpose of this HARMONY is to weave together the material in Matthew Mark Luke and John into one continuous account that includes everything but does not repeat anything and so far as possible to put it in chronological order giving places and dates In instances where two or more of the writers have recorded the same event or teaching the account that gives it most fully is printed complete and the additional material is inserted in parentheses at the appropriate places It has been divided into 136 chapters with appropriate headings It is thus systematically arranged and all that the four writers have to say about any particular event or teaching is brought together in one compact statement Full Scripture references are given usually by means of footnotes Since all repetition has been eliminated this HARMONY is only about three fourths as long as are the four Gospels This arrangement was worked out while the present editor was teaching Bible in Pikeville College in Kentucky It proved to be a real help in class work No claim is made that the present arrangement is infallible But no references have been consciously taken out of context or exhibited in a false light The four Gospels are the final authority The table of contents gives a list of the various events teachings miracles and parables and a Scripture index makes it possible to locate any particular passage or its parallel statement The American Standard Version of 1901 rather than the King James or any of the modern translations has been used since in the opinion of the present editor it best preserves the beauty of the King James while improving the accuracy of translation We believe that it is well that our Bible is in language that to some extent sets it apart from the uninspired writings of men so that as we read it or hear it read we quite readily recognize it as Scripture We count it as one of the really great blessings that have come to the people of Britain and America that the Bible has been given to them in this rather unique form For more than three and a half centuries these people have had the Bible readily available in the language of the common people And we believe that the enlightenment and progress that these nations have enjoyed has been due primarily to that fact One distinct advantage that the American Standard Version has over the King James is that it arranges the material in paragraphs according to subject matter rather than making each verse a separate paragraph And certainly either of these versions lends itself much more easily to memorizing than do the modern versions It has been said that the greatest service that anyone can render is to make more available the riches of grace that are found in Christ our Saviour The present arrangement is designed to make more readily available the material found in the Gospels and so to make more interesting and rewarding the time spent in Bible study CrossReach Publications *A Simplified Harmony of the Gospels* George W. Knight, 2001 The four gospels woven into a single running narrative featured in HCSB translation **CSB Harmony of the Gospels** Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson with each Gospel writer s account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four

Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others *HCSB Harmony of the Gospels* Steven L. Cox,Kendell H. Easley,2007-02-01 HCSB Harmony of the Gospels is a standard four column synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson In addition to the harmony itself articles are included to address issues that arise when one compares the four Gospels and seeks to give a harmonized account of the life and teachings of Jesus Designed for pastors lay Bible teachers professors and students this edition also features eight four color maps that illuminate Christ s life and ministry plus the full text of the four Gospels from the Holman Christian Standard Bible translation *A Harmony of the Gospels for Historical Study* William Arnold Stevens,Ernest DeWitt Burton,1902 **A Harmony of the Gospels for Historical Study** William Arnold Stevens,Ernest DeWitt Burton,1905 *A Harmony of the Gospels for Historical Study* William Arnold Stevens,Ernest DeWitt Burton,1912 *A Harmony of the Gospels - Matthew, Mark and Luke* Jean Calvin,1994 **A Harmony of the Four Gospels** James Macknight,1763 *Harmony of the Four Gospels in the Words of the Authorised Version* Benjamin Davies,1879 **A Harmony of the Gospels, for Students of the Life of Christ** A. Robertson,2018-03-29 A T Robertson s classic account of the New Testament Gospels arranges the chronology of Matthew Mark Luke and John side by side that readers may compare and understand how each book recounts the life of Jesus Christ A superb and classic arrangement of the Gospels A T Robertson s effort was itself based upon the Gospel Harmony of John Albert Broadus an American Baptist pastor famous for his Biblical scholarship in the 19th century With Broadus template to hand Robertson sets about presenting the four Gospel books with an annotated clarity that those interested in the Biblical narrative of Jesus may achieve superb insight Passage by passage verse by verse Robertson works his way through the Gospel narrations The birth education ministerial teachings death and resurrection of Christ are examined sequentially Robertson s chronicle is thorough noting where the Gospels quote the Old Testament we learn how each of the Gospel books differ yet complement one another in communicating Christ s message to all mankind Readers will realize that the four Gospels depict episodes in the life of Christ differently from one another particularly where Jesus various parables and teachings are concerned The finer details such as those concerning Christ s birth and his sentencing to death by Pontius Pilate are astutely observed With Robertson s cogent and chronological narrative to hand readers can better appreciate the phases of Jesus life and the gravity of His deeds and sermons This reprint offers the complete analysis together with the lists and comparative phrases appended at the conclusion of the original edition and the map of Palestine at the time of Christ The introductory outlines are preserved that the reader may swiftly conceive of the author s methodology The ample page size allows for simpler referencing while the individual passages tables and their notes are arranged to conduce swift and gratifying comprehension of the Biblical lore of Jesus Christ **A**
