 ,1984-12      **Christology and Scripture** Andrew Lincoln, Angus Paddison, 2008-03-20 In Christology and Scripture leading  
 biblical scholars and theologians explore the relation of theological thought to the reading of Scripture The focus is on three  
 inter related issues The first is how theologians appropriately read Scripture around Christ and what contribution if any

historical criticism makes to this endeavour The second is that of the person and work of Christ in relation to Scripture In interaction with specific texts contributors engage with the related questions of who Christ is and how his benefits are communicated This leads on to the final issue of responsiveness to our current context of reading and contributors reflect on how Christological models relate to contemporary cultural and political concerns **John of History, Baptist of Faith**

James F. McGrath, 2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus's unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John's pupil Jesus as a window into his mentor's beliefs Along the way he brings new clarity to questions of contention among scholars such as John's use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath's pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism **Bulletin of the Center for Children's Books**, 1985 **The Shepherd Girl** Michael A.
