**Hanover County Chancery Wills and Notes**, 1978 Hanover County Virginia was erected from New Kent in 1720 which itself had been formed from York County in 1654 In 1742 Hanover lost that portion now embraced by Louisa County Most of the records of the Hanover County Court were destroyed at the end of the Civil War which is why those that did survive the subject of this book are of the utmost importance Confining itself to Chancery Wills and Notes this work consists of copies or abstracts of bills and petitions wills and deeds powers of attorney administrators accounts depositions receipts and letters bearing reference in total to some 7 000 persons In the treatment and presentation of the Notes the object was to extract every detail of genealogical biographical and historical significance and to arrange such matter alphabetically and chronologically in relation to families In the treatment of the wills the aim was to provide either a comprehensive abridgement or an authentic verbatim copy Possessing a complete name index this is the starting point for genealogical research in Hanover County **Hanover County Chancery Wills and Notes**, 1978 *Hanover County Chancery Wills & Notes* William Ronald Cocke, 1940 **Virginia Migrations - Hanover County**, 2009-05 In this very scarce two volume work Mr and Mrs Glazebrook succeeded in extracting those documents pertaining to Hanover County that survived the burning of Richmond in April 1865 and that were not published in William Ronald Cocke s *Hanover County Chancery Wills and Notes* The surviving materials consist of a great many deeds wills inventories accounts letters depositions etc pertaining to Hanover County for the colonial and early Federal periods *The Dameron-Damron Genealogy* Helen Foster Snow, 1953

**Prison Pens** Timothy J. Williams, Evan A. Kutzler, 2018-02-01 *Prison Pens* presents the memoir of a captured Confederate soldier in northern Virginia and the letters he exchanged with his fianc e during the Civil War Wash Nelson and Mollie Scollay s letters as well as Nelson s own manuscript memoir provide rare insight into a world of intimacy despair loss and reunion in the Civil War South The tender voices in the letters combined with Nelson s account of his time as a prisoner of war provide a story that is personal and political revealing the daily life of those living in the Confederacy and the harsh realities of being an imprisoned soldier Ultimately through the juxtaposition of the letters and memoir *Prison Pens* provides an opportunity for students and scholars to consider the role of memory and incarceration in retelling the Confederate past and incubating Lost Cause mythology This book will be accompanied by a digital component a website that allows students and scholars to interact with the volume s content and sources via an interactive map digitized letters and special lesson plans *National Genealogical Society Quarterly* National Genealogical Society, 1939 *Genealogies of Virginia Families*, 1981 From Tyler s quarterly historical and genealogical magazine [Genealogy Division Subject Catalog, 1976-1984: A-O](#) Indiana State Library. Genealogy Division, 1985 **The Great Catastrophe of My Life** Thomas E. Buckley S.J., 2003-11-03 From the end of the Revolution until 1851 the Virginia legislature granted most divorces in the state It granted divorces rarely however turning down two thirds of those who petitioned for them Men and women who sought release from unhappy

marriages faced a harsh legal system buttressed by the political religious and communal cultures of southern life Through the lens of this hostile environment Thomas Buckley explores with sympathy the lives and legal struggles of those who challenged it Based on research in almost 500 divorce files *The Great Catastrophe of My Life* involves a wide cross section of Virginians Their stories expose southern attitudes and practices involving a spectrum of issues from marriage and family life to gender relations interracial sex adultery desertion and domestic violence Although the oppressive legal regime these husbands and wives battled has passed away the emotions behind their efforts to dissolve the bonds of marriage still resonate strongly

White Women, Black Men Martha Elizabeth Hodes, 1997-01-01 This book is the first to explore the history of a powerful category of illicit sex in America s past liaisons between Southern white women and black men Martha Hodes tells a series of stories about such liaisons in the years before the Civil War explores the complex ways in which white Southerners tolerated them in the slave South and shows how and why these responses changed with emancipation Hodes provides details of the wedding of a white servant woman and a slave man in 1681 an antebellum rape accusation that uncovered a relationship between an unmarried white woman and a slave and a divorce plea from a white farmer based on an adulterous affair between his wife and a neighborhood slave Drawing on sources that include courtroom testimony legislative petitions pardon pleas and congressional testimony she presents the voices of the authorities eyewitnesses and the transgressors themselves and these voices seem to say that in the slave South whites were not overwhelmingly concerned about such liaisons beyond the racial and legal status of the children that were produced Only with the advent of black freedom did the issue move beyond neighborhood dramas and into the arena of politics becoming a much more serious taboo than it had ever been before Hodes gives vivid examples of the violence that followed the upheaval of war when black men and white women were targeted by the Ku Klux Klan and unprecedented white rage and terrorism against such liaisons began to erupt An era of terror and lynchings was inaugurated and the legacy of these sexual politics lingered well into the twentieth century
