Hans Feet In Love:

Hans Feet in Love William Sansom, 1971 **Hands-Feet Communicator** Helena Golder, 2021-03-16 This book offers a rare and unique perspective from not only a person who lived in a nursing home for over five years but also one who could not use her voice to communicate with the people who cared for her Although she could not use her body parts or speak with faith in God and a persistent strong and passionate spirit Helena found a way to create this book Hands Feet Communicator spreads a necessary message Helena wanted to speak up for people who are in conditions similar to hers and to spread awareness on the importance of showing true kindness patience and love to others **Never Marry a Woman with Big Feet** Mineke Schipper, Wilhelmina Janneke Josepha Schipper, 2003-01-01 In this study the author analyses similarities differences and contradictions in the cultural norms about gender expressed in proverbs she has found in oral and written sources from over 150 countries Grouping the proverbs into categories as the female body love sex childbirth and the female power the author examines shared patterns in ideas about women and how men see them *Pierced by Love* Hans Boersma, 2023-04-19 Holy Scripture requires holy reading Encounter an ancient but fresh way of reading the Bible Learn from Augustine Anselm of Canterbury Bernard of Clairvaux and others Experience a structured and simple way to focus on Christ listen to the Spirit and rest in God's love Jesus is the point of reading the Bible Christians read Scripture to encounter Christ and be conformed to his image Scripture is no mere human text it is God's living word So how should we read it For Christians throughout the centuries the answer has been lectio divina divine reading em Lectio divina is a sacramental reading It aims to take us more deeply into the life of God Through practicing the four movements of emlectio divina attentive reading extended meditation prayerful reflection and silent resting we have a structured and simple way to focus on Christ listen to the Spirit and rest in God's love We no longer simply read the words of Scripture instead we read the face of God in the eternal Word Sit on Our Hands, or Stand on Our Feet? Roger Philip Abbott, 2013-01-07 The aim of Sit on Our Hands or Stand on Our Feet is not to present a theology that explains disasters In fact there is no such theology Nor is this work primarily for those who are responded to it is not part of the theological grab bag that Christian responders carry with them to use for the benefit of casualties It is more a part of the Christian's engaged practical theological apprenticeship prior to and during a response This book represents the role of the practical theologian who empowers the church community's legitimation and contribution in disaster response and who encourages individual Christians whose calling into particularly relevant professions whose natural skills and or professional training could find them placed in a major incident responding status paid or voluntary doing their work as unto the Lord It is a serious must read for any Christians who have hearts heavy with compassion but who are not sure what to do or why when disaster strikes **His Hands, His Feet, and His Voice** Dr. Ted A. Duck, 2022-02-24 Pine Drive Baptist Church had been devastated by Hurricane Harvey in August 2017 Then after the recovery from Harvey the COVID 19 pandemic had a devastating effect on the nation and particularly on the churches in

America These daily messages of His Hands His Feet and His Voice are intended to bring encouragement hope and strength from God's inerrant Word to those who desperately need His touch These messages are also intended to encourage you to give to the Lord your hands feet and voice as His instrument in response to the many crying out to Him in fear uncertainty and need for wisdom It is my heartfelt prayer that God will inspire you to trust in Him with all your heart no matter what you see in the world around you or even how you may feel at any given time God's Word is filled with thousands of promises some of which pertain to whatever crisis or situation you may encounter In America and our culture today these hands feet and voice messages will help you to stand strong even for one more day and then pass them along to those who need the reminder God is our refuge and strength a very present help in trouble Therefore we will not fear though the earth gives way though the mountains be moved into the heart of the sea though it waters roar and foam though the mountains tremble at its swelling Ps 46 1 3 ESV

From Margate to Key West with Love Sally Forrester, 2022-09-15 From Margate to Key West with Love is a continuation of my previous three historical novels featuring Madam Maria Popoff her quirky vintage dress shop set in Margate's King Street and Poppy a middle aged woman who relocates from London to Margate Poppy who has many broken pieces discovers true healing when she answers an advertisement requesting part time help although only special people needed to apply My novels although works of fiction embrace the ups and downs of life of truly being human of living through and navigating difficult times and the important part that emotions play in sickness and recovery They're set in various historical periods that follow real events Having spent some time sailing to the Florida Keys exploring Key West and learning about its checkered history I just knew that I wanted Maria Popoff to come and establish yet another vintage shop Cousin Rollo has summoned her to the fictitious grand old house called St Eustace on Whitehead Street in the heart of Old Key West Maria brings with her wisdom knowledge love compassion and her all seeing eyes to this colourful settlement at the very end of the road Maria Popoff is certainly a strange character and it's never really clear exactly who she is Some see her merely as a kind particularly old and portly shopkeeper who has a passion for decadent chocolate cake Those who know her better are

struck by her all seeing eyes that seem to pierce right through you They re struck by her wisdom her knowledge of healing and fascinated by her wizened hands that can touch and seemingly make everything better Some have called her a gypsy who has the power to look through a crystal ball and foretell the future However those who know her best of all realize that she s a time traveller or maybe she s an angel Certainly she s an ancient being who appears to cross the dimension of time Maria has seen so much She s become weary of man s indiscretion his mistakes and of the lessons that humanity never seems to learn Set in 2021 and 2022 Maria like most of us is worried about the state of our planet She has a heartfelt concern for the environment pollution and the devastating weather patterns that seem to track man s hatred and violence towards each other Maria is horrified by the war in Ukraine She realizes just how much sorrow the Covid pandemic has robbed people of their loved ones their sense of financial security and their livelihoods I wanted my fourth novel to span the Atlantic so that my readers will also happily discover Poppy still busy in the Isle of Thanet managing all three Madam Popoff vintage shops in the little seaside holiday towns of Margate Ramsgate and Broadstairs Things come into the shops that have a story to tell Poppy has become proficient over the years at fingering certain treasures catching her eye and she discovers their past Sometimes the stories are heartwarming and pleasant but just like life they don t always have a fairy tale ending Likewise Maria has taught Desmond a new employee to sit with things that appear on the doorstep of St Eustace and discover their history In this way I bring to light all sorts of historical events that have shaped the community across the Atlantic at the very end of the road Readers will enjoy stories embracing Key West s past Sunken Spanish treasure sponging cigar factories historic links with Cuba Flagler s Railroad hurricanes First World War submarines and much more

Leading with Love Karen Blakeley,Chris Blakeley,2021-07-15 As business becomes more automated power more concentrated and the forces of competition and consumption seem to dominate our lives we are in danger of losing what it is to be human Work for many can be a soulless activity creating feelings of disempowerment alienation and depression Learning to lead with love is a counterforce to the instrumentalisation of the person This book presents original research based on leaders who were nominated by their people for leading with love It shows how they learned to lead with love for the benefit of themselves their organisations and their people It shows that leading with love is something that is practised by leaders who are more emotionally morally and spiritually mature Leading with love is a sign of psychological maturity whilst leading with fear is a sign of hindered emotional and spiritual development Based on this research this book presents a simple framework to help leaders who wish to develop their psychological maturity and apply practices which will enable them to successfully lead with love

viewpoint The Steadfast Love of the Lord Sam Storms, 2025-01-14 A Clear Biblical Picture of God's Unconditional Love for His Children Many believers know that God is love But whether through cultural lies false beliefs or years of mulling over the tragedies of the world it may be difficult to see the true steadfast and unchanging love of the Father Thankfully the Bible offers a clear picture of what God's love looks like and how through the ministry of the Holy Spirit believers experience his affection for themselves Taking an accessible approach to biblical theology author Sam Storms explores Scripture to address what God's love is and what it isn't Drawing insights from the Psalms and the life of Jesus Storms covers God's sovereignty and the saving power longevity and sin killing nature of his love The Steadfast Love of the Lord breaks down obstacles that prevent believers from accepting biblical truths and challenges the cultural lies that hinder them from accepting God's vast and unfathomable love Accessible An introductory approach to biblical theology this book is perfect for laypeople and thoughtful Christians Practical Not only helps believers study the nature of God but helps them experience his affection for themselves Honest From a biblical perspective this book addresses the cultural lies of our age to explain what love is and what it isn't **Poor Love & Other Stories** Labriola, Anthony, 2015-03 These stories in all their narrative voicings deal with sorrow and still seek to find life's joys Despite conflicts contradictions sacrifices surprises and ironies the haunted and hunted characters try to comprehend death in detail In so doing the human spirit rises up and triumphs against the incomprehensible and bewildering aspects of life love and death
