Hans Küng

Hans Kung:

What I Believe Hans Küng, 2010-09-16 Hans Kung is one of the most celebrated theologians of the present day His audience which is strong within his own Roman Catholic Church is equally solid among Christians of other denominations among those outside the churches and indeed among those at the frontiers of organised religion From the start he has been a rebel being Swiss and a lover of personal freedom Many of his books such as *Infallible* and *On Being a Christian* have rocked the Papal boat Now after publishing two magnificent and acclaimed volumes of memoirs Kung has written a much shorter and more personal book to explain his own beliefs If one sets aside all scientific knowledge and learning all formal theological language and the skilful construction of theories what remains as the core of faith What do we need for our lives What is indispensable to us Kung writes of trust in life joy in life and suffering in life and in so doing gives us a summa of his own faith and life *A Passion for Truth* Robert Nowell, 1981 Hans Küng Karl-Josef Kuschel, Hermann Häring, 1993 To mark the occasion of Hans Kung s sixty fifth birthday this volume was prepared by various writers thinkers and religious leaders to celebrate Kung s life and his theology The contributors themselves illustrate the extent of Kung s influence as they come not only from Switzerland and Germany but from Britain and Ireland the United States Latin America Saudi Arabia and Russia and represent not only Christianity but Judaism Islam and Buddhism Together these contributors reflect on the many circles of thought that have made up Kung s remarkable intellectual career ecclesiology christology theology and ecumenicism first within Christianity and then to the entire world in the form of a global ethic In spite of Kung s continued expansion into wider horizons of faith and thought his basic theological insights have remained remarkably constant throughout his long career He has been less influenced by fashion than many other theologians demonstrating a constancy of conviction and coherence of theological method Kung has however set the fashion for others as he has brought and continues to bring attention to highly topical and critical issues of the current day This volume is a fascinating critical survey of a remarkable theologian s life and thought It provides a real understanding of Kung s theology its strengths and weaknesses its limitations and its riches Finally it aims toward rehabilitating Hans Kung as a Catholic theologian As Heinrich Fries one of the great figures of Roman Catholic ecumenical theology recently asked Is the Catholic church so narrow that it cannot tolerate a man like Kung Or is it so rich that it can dispense with him Makers of the Modern Mind: Hans Kung John Kiwiet, 2017-01-01 Acclaimed as one of the most influential contemporary Christian thinkers Hans Kung is considered a modern day Luther because of his struggle to reform the Roman Catholic Church especially in seeking to overturn the doctrine of the infallibility of the pope and bishops In this masterful profile John J Kiwiet sheds light on Kung s life his significance as a shaper of modern theology and his call to prioritize Scripture and the Jesus of history Church Hans Kung, Hans Küng, 2001-05-01 Provides a picture of the Church s theological image as expressed in the historical forms it has taken through the centuries from the present day back to its origins The book uncovers for both Protestant and Roman

Catholic some lessons about the community to which he or she belongs **Reforming the Church Today** Hans Küng,1990

The Catholic Church Hans Kung,2003-01-07 In this extraordinary book the controversial and profoundly influential Hans K ng chronicles the Roman Catholic Church s role as a world power throughout history Along the way he examines the great schisms between East and West and Catholic and Protestant as well as the evolving role of the papacy the stories of the great reforming popes and the expansion of a global church infrastructure The book concludes with a searching assessment of how the Catholic faith will confront the immense challenges posed in the new millennium by those seeking reform of traditional strictures

Women in Christianity Hans Küng,2001-01-01 From a celebrated Christian theologian comes an important new book on a burning issue of the day In this examination of the history of women in Christianity Kng points to the scandals of the past and sketches a new theology of women in the Church

Hans Küng Hermann Ha ring,Karl-Josef Kuschel,1979 Hans Kung is a theologian and scholar pastor and writer preacher and professor priest and controversialist Catholic ecumenist a contradictory figure Who is he really How does he see himself How does he live and work What are the motives behind his life his writing his actions What does he think about the present situation of church and Christianity this book written by two of his colleagues presents a lively picture of Hans Kung and evaluates his thirty years of service to the Church

Dialogue with Hans Küng Walter Jens,Karl-Josef Kuschel,Hans Küng,1997 The lectures collected in this volume shed some fascinating light on Hans Kung s career and present a moving picture of one of the greatest theologians of our time

On Being a Christian Hans Küng,1978 *Does God Exist* Hans Kung,2013-01-02 Does God exist The question implies another Who is God This book is meant to give an answer to both questions and to give reasons for this answer Does God exist Yes or no Many are at a loss between belief and unbelief they are undecided skeptical They are doubtful about their belief but they are also doubtful about their doubting There are still others who are proud of their doubting Yet there remains a longing for certainty Certainty Whether Christians or Jews believers in God or atheists the discussion today runs right across old denominations and new ideologies but the longing for certainty is unquenched Does God exist We are putting all our cards on the table here The answer will be Yes God exists As human beings in the twentieth century we certainly can reasonably believe in God even more so in the Christian God and perhaps even more easily today than a few decades or centuries ago For after so many crises it is surprising how much has been clarified and how many difficulties in regard to belief in God have melted into the Light that no darkness has overcome

Infallible? Hans Küng,1994 When it first appeared in Germany i 1970 and in Britain in 1971 this books sparked off the greatest theological debate since the Second Vatican Council and finally caused the author to lose his licence from the church to teach However the question is still far from being settled on the contrary events of recent times from Pope John Paul II s nomination of bishops and statements on birth control to the publication of a world catechism and Veritatis Splendor show that it has become an even ore urgent one Long unavailable Infallible now reappears with a new preface by Gerbert Gaaf and a survey of the discussion

Mozart

Hans Küng, 1993 Much Has Been Written about Wolfgang Amadeus Mozart but relatively little on the religious dimension of his person and his music In this book Hans Kung offers an intriguing theological probing into Mozart's musical work Kung begins by discussing Mozart's Catholic background something that surprisingly has hardly been treated by Mozart scholars He moves on to explore how Mozart's music itself displays to the keen ear traces of transcendence giving intimations of a mysterious bliss transcending even all music

Global Responsibility Hans Küng, 2004-02-19 In this timely and urgent work Hans Kung reminds us Every minute the nations of the world spend 1.8 million dollars on military armaments Every hour 1500 children die of hunger related causes Every week during the 1980s more people were detained tortured assassinated made refugee or in other ways violated by acts of repressive regimes than at any other time in history Every month the world's economic system adds over 7.5 billion dollars to the catastrophically unbearable debt burden of more than 1.5 trillion dollars now resting on the shoulders of Third World peoples Every year an area of tropical forest three quarters the size of Korea is destroyed and lost Every decade if present global warming trends continue the temperature of the earth's atmosphere could rise dramatically with a resultant rise in sea levels that would have disastrous consequences particularly for coastal areas of all the earth's land masses In Global Responsibility the author offers important new approaches and concludes that There can be no peace among the nations without peace among the religions There can be no peace among the religions without dialogue between the religions There can be no ongoing human society without a global ethic

My Struggle for Freedom Hans Kung, 2003-11-01 Hans Kung is undoubtedly one of the most important theologians of our time but he has always been a controversial figure and as the result of a much publicized clash over papal infallibility had his permission to teach revoked by the Vatican Yet at seventy five he is also something like a senior statesman one of the Group of Eminent Persons convened by the UN Secretary General Kofi Annan and a friend of heads of government like Tony Blair and President Mubarak of Egypt In this autobiography he gives a frank and outspoken account of the first four decades of his life He tells of his youth in Switzerland and his decision to become a priest his doubts and struggles as he studied in Rome and Paris and his experiences as a professor in Tübingen where he received a chair at the amazingly early age of thirty one Most importantly as one of the last surviving eye witnesses he gives an authentic account of the struggles behind the scenes at the Second Vatican Council in which he took part as a theological expert Here it becomes clear just how major an influence he was to the point of shaping the Council's agenda and drafting speeches for bishops to deliver in plenary sessions Kung's book offers an acute analysis compelling its drama of meetings with presidents like John F Kennedy popes like John XXIII and Paul VI great theologians like Karl Barth and Karl Rahner and journeys round the world With its rich thought and vivid narrative it paints a moving picture of Kung's personal convictions and his struggle for a Christianity characterized not by the domination of an official church but by Jesus

Hans Küng Hermann Häring, 1998 Over the years Hans Kung's books have been read by millions throughout the world This study by a former student colleague of Kung offers a guide to all

his work showing how his concerns all belong together stem from a deep Catholic faith **Infallible? An Inquiry** Hans Küng, 1971 Great Christian Thinkers Hans Küng, 1994-05-01 An introduction to theologians who greatly affected Christian thought includes portraits of Paul Origen Augustine Thomas Aquinas Martin Luther Friedrich Schleiermacher and Karl Barth
 Do We Know the Others? , 1966
