Essence of Devotion Sirshree, 2015-11-23 ATTAINING DIVINITY. Have you ever wondered who or what God is? Do you have the thirst to know the supreme truth? Do you wish to rise above lower consciousness and ascend towards divinity? If yes, then this book is your answer. The journey towards divinity, or truth, or supreme consciousness, comprises of two major paths: Knowledge (gyan) and Devotion (bhakti). Actually, both are essential to reach your destination. Some people feel that knowledge is sufficient. But there is the possibility of developing an ego of knowledge and thereby getting stuck in the cosmic illusion once again. Devotion is what will help you to remain established in the liberated state. Devotion gives you the power to easily overcome the obstacles to liberation: the mind, its ego, and various tendencies. It helps you to lead a truly successful and peaceful life amidst these chaotic modern times. It adds joy and music to your journey towards the supreme consciousness. With the help of beautiful stories and examples, this book tells you everything about devotion, including what is devotion, its various aspects, its numerous benefits, as well as indications on how to develop devotion and reach the heights of devotion. With practice, you progress from the first to the tenth level of devotion, where you realize that divinity and you are not two different entities; both are one. Such bliss! But you then separate from divinity once again. Why? Only because you love the experience of devotion.

The Consciousness Game Shikhar Srivastava,2020-06-03 There are secrets shrouded by willful ignorance of mankind to learn the codes that model the laws of Nature And then there is an Inner Voice which strives to demystify these secrets lying in open and within Consciousness is the soul of the soul the immortal within the mortals the greatest secret of God s creation and the ultimate quest of spirituality We understand Consciousness as the Inner Voice forever guiding but seldom acknowledged It took an autistic mind to understand the presence of this superpower in him that began a Game of Karma and Coincidences in which Consciousness evolves by self realization attained by unworldly experiences to uncover secrets after secrets during its journey through five human bodies leading to the ultimate mystery of God **Sri Ramakrishna: God of All** Swami Atmasthananda, This book published by Advaita Ashrama Publication House of Ramakrishna Math Belur Math India is an English translation by Swami Sunirmalananda of the original Bengali book Ek Natun Manush containing six essays on the great Master by Revered Swami Atmasthanandaji Maharaj the 15th President of the Ramakrishna Math and Ramakrishna Mission Swami Vivekananda once said Sri Ramakrishna is not exactly what the ordinary followers have comprehended him to be He had infinite moods and phases On another occasion he said Basketfuls of philosophical books can be written on each single sentence spoken by the Master The thought provoking essays of this book are the results of the

revered author's reverential reflection on that great life. It is hoped that a study of them will help the readers towards acquiring deeper reverence and comprehension of Sri Ramakrishna's sublime life and profound teachings. **Sanathana Dharma from Purandaradasa's 108 Verses** Vasumathi Venkatadri, 2023-09-13 This book is a compendium of one hundred and eight popular Purandara Dasa Keertanas songs which are translated into English and written in a verse form. The transliteration in English of the actual songs is given on the left side while corresponding translation in poetry form is on the right. This is followed by the significance and author's own interpretation of the song. The reasons for writing this book are multifold including enhancing the access of the works of Purandara Dasa to the wider section of people. As many readers would know these kritis composed in Kannada, a regional language in the state of Karnataka in India, are sung in most concerts given in Carnatic Classical style of music. This book enables the artists to read the lyrics accurately, interpret and understand their meanings as well. Although there are several people who have interpreted these lyrics, the author has tried to preserve the beauty of the diction as far as possible since she wanted the possibility of singing the transliterations as well like the original form in the verses. *The Rational View* Alok Barman, 2024-10-26 Rational thinking is a process that involves using reason and logic to think with facts and data and to draw sensible conclusions. It's a systematic and objective way of thinking that's based on evidence rather than emotions or biases. The goal of rational thinking is to produce reasonable solutions or reasons. By analyzing archaeological remnants discovered in India, inscriptions, stone slabs, forts, holy sites, civilization, culture, social people from all states, and continual observation in my life, I gradually began to see a glimpse of reality. If you observe and examine the genuine truth of society in the proper way, you will undoubtedly come closer to the truth. After examining all of the data, I had the urge to write everything down, so I began putting everything into words, one by one, and as a result, my above thoughts are now available to you in the shape of a book. Regardless for the time being, I shall consider my efforts to be incomplete. In truth, my efforts will be judged effective only if each individual experiences all of these things firsthand. *Incantations and Other Stories* Anjana Appachana, 2006-12 The stories in this collection are set in the early eighties and Anjana Appachana wonderfully captures the raw, vibrant energy and optimism of a time when we drank chai for thirty paise and twenty thousand rupees spent on gifts for the boys. Side was an enormous amount of money for middle-class Indians. Her characters strain for a place beyond the boundaries of a prescribed way of life in urban middle India. A hapless college student gets gated a few days before her appointment for an abortion. A disgruntled clerk philosophises gloomily about his place in the scheme of things. A young girl, against all odds, decides to keep her sister's deep, dark secret. By turns warm, glib, arrogant, and bigoted, Appachana's characters live their lives amid contradictions and double standards, superstitions and impossible dreams, but ultimately usurp their familiar landscape and imbue it with an idiosyncratic vision. **The Art of Satsang Simplified** Pujya Shri Devprashaddasji Swami, Shree Swaminarayan Gurukul Rajkot Sansthan, Every time God visits the Earth, He visits His devotees living across
