Happily Ever After Womens Fiction In Postwar Britain 1945 60:

Happily Ever After? Niamh Baker, 1989-10-20 This work looks at the body of women's fiction written in postwar Britain up to 1960. It examines the myth of the fairy tale ending and what changes the postwar period has wrought in subverting stereotypes.

British Culture of the Post-War Alastair Davies, Alan Sinfield, 2013-04-15 From Angus Wilson to Pat Barker and Salman Rushdie British Culture of the Post War is an ideal starting point for those studying cultural developments in Britain of recent years. Chapters on individual people and art forms give a clear and concise overview of the progression of different genres. They also discuss the wider issues of Britain's relationship with America and Europe and the idea of Britishness. Each section is introduced with a short discussion of the major historical events of the period. Read as a whole British Culture of the Postwar will give students a comprehensive introduction to this turbulent and exciting period and a greater understanding of the cultural production arising from it.

The Routledge Concise History of Twentieth-century British Literature Ashley Dawson, 2013 In The Routledge Concise History of Twentieth Century British Literature Ashley Dawson identifies the key British writers and texts shaped by era-defining cultural and historical events and movements from the period. He provides analysis of works by a diverse range of influential authors. Examination of the cultural and literary impact of crucial historical, social, political and cultural events. Discussion of Britain's imperial status in the century and the diversification of the nation through Black and Asian British Literature. Comedy and the Feminine Middlebrow Novel Erica Brown, 2015-10-06 Elizabeth von Arnim and Elizabeth Taylor wrote witty and entertaining novels about the domestic lives of middle class women. Widely read and enjoyed, their work was often dismissed as middlebrow. Brown argues their skilful use of comedy and irony provided the receptive reader with subversive commentary on the cruelties and disappointments of life.

Fiction and 'The Woman Question' from 1850 to 1930 W. R. Owens, Alexis Weedon, Nicola Darwood, 2020-07-02 This book is about how The Woman Question was represented in works of fiction published between 1850 and 1930. The essays here offer a wide-ranging and original approach to the ways in which literature shaped perceptions of the roles and position of women in society. Debates over The Woman Question encompassed not only the struggle for voting rights but gender equality more widely. The book reaches beyond the usual canonical texts to focus on writers who have in the main attracted relatively little critical attention in recent years: Stella Benson, Kate Chopin, Marie Corelli, Dinah Mulock Craik, Clemence Dane, Arthur Conan Doyle, George Gissing, Ouida and William Hale White, who wrote under the pseudonym Mark Rutherford. These writers dealt imaginatively with issues such as marriage, motherhood, sexual desire, adultery and suffrage, and they represented female characters who in varying degrees and with mixed success sought to defy the social, sexual and political constraints placed upon them. The collection as a whole demonstrates how fiction could contribute in striking and memorable ways to debates over gender equality, debates which

continue to have relevance in the twenty first century

George Orwell and the Radical Eccentrics K.

Bluemel,2016-04-30 George Orwell and the Radical Eccentrics celebrates the lives literature and politics of a group of four radical eccentrics the Tory anarchist poet Stevie Smith the Marxist Indian nationalist Mulk Raj Anand and the glamour girl turned socialist Inez Holden who formed a friendly circle around the famously radical and eccentric George Orwell

Demonstrating that Smith Anand and Holden matter for literary history just as they mattered for Orwell George Orwell and the Radical Eccentrics gives name and shape to a neglected movement within interwar and wartime English writing It focuses on the lives and texts of Smith Anand and Holden in order to argue that these three writers throw into question limiting assumptions about art and politics about standard relations between literary form and sex gender race class and empire in ways that their group s most influential radical Orwell cannot Embarking upon a kind of biographical political cultural literary criticism this book brings the radical eccentrics vital potentially transformative conversation to the attention of scholars of English literature for the first time suggesting fascinating new approaches to the study of literary London during the thirties and forties

Bringing Up War-Babies Amanda Jones,2018-08-06 The figure of the wartime child in the mid twentieth century unsettles and disturbs This book employs a range of material biographical literary and historical to chart some of the surprising and unanticipated crossovers between women s writing and early psychoanalysis in the years of the Second World War and the decades before and after This volume includes examples of children s adventure fiction as well as works written for adult audiences and important and previously unrecognized similarities are noted The war was a disruptive influence in the lives of all who lived through it Although active self censorship is observed in the behaviour and attitudes of adults at this time this book demonstrates how fictional children are able to articulate feelings such as anxiety and fear that adults were under pressure to conceal or to repress and at times the figure of the wartime child becomes a surrogate for the writer herself or her suppressed fears and anxiety When peace returned this study finds women writers quick to identify and communicate a discomfiting new ambivalence between parents and children
