Miller,A. Bowdoin Van Riper,2023-05-15 Since ancient times explorers and adventurers have captured popular imagination with their frightening narratives of travels gone wrong Usually these stories heavily feature the exotic or unknown and can transform any journey into a nightmare Stories of such horrific happenings have a long and rich history that stretches from folktales to contemporary media narratives This work presents eighteen essays that explore the ways in which these texts reflect and shape our fear and fascination surrounding travel posing new questions about the geographies of evil and how our notions of terrible places and their inhabitants change over time The volume s five thematic sections offer new insights into how power privilege uncanny landscapes misbegotten quests hellish commutes and deadly vacations can turn our travels into terror

University Babylon Curtis Marez,2019-11-19 From the silent era to the present film productions have shaped the way the public views campus life Collaborations between universities and Hollywood entities have disseminated influential ideas of race gender class and sexual difference Even more directly Hollywood has drawn writers actors and other talent from ranks of professors and students while also promoting the industry in classrooms curricula and film studies programs In addition to founding film schools university administrators have offered campuses as filming locations In University Babylon Curtis Marez argues that cinema has been central to the uneven incorporation and exclusion of different kinds of students professors and knowledge Working together Marez argues film and educational institutions have produced a powerful ideology that links respectability to academic merit in order to marginalize and manage people of color Combining concepts and methods from critical university studies ethnic studies native studies and film studies University Babylon analyzes the symbolic and institutional collaborations between Hollywood filmmakers and university administrators over the representation of students and by extension college life more broadly **Current Bibliography of Epidemiology** ,1972

Life Sucks, Death Bites Julie Kushner,2010-01-07 36 year old actuary Gerald Blumenstein despised every aspect of his life His butterball esque appearance was unappealing his dull job unnerving his cramped apartment uncomfortable and his love life nonexistent And yet not a soul in the world was more petrified of death than Gerald In fact Gerald Blumenstein would do anything to avoid dying even if it meant remaining trapped forever in an existence that quite frankly sucked Then one fateful night while attending a highly unorthodox therapy session mandated by his boss Gerald Blumenstein died Now his life will never be the same **Life Sucks Death Bites** is a dark comedy about the inconveniences of daily life and nightly undeath with some romance and a bit of psychotherapy thrown in for good measure If the three critically acclaimed HBO series *Curb Your Enthusiasm* *True Blood* and *In Treatment* could procreate this novel would undoubtedly be the lovechild that they would produce
