Happy Holy Occasion:

The Tsar's Happy Occasion Russell E. Martin, 2021-05-15 The Tsar's Happy Occasion shows how the vast ornate affairs that were royal weddings in early modern Russia were choreographed to broadcast powerful images of monarchy and dynasty Processions and speeches emphasized dynastic continuity and legitimacy Fertility rites blended Christian and pre-Christian symbols to assure the birth of heirs Gift exchanges created and affirmed social solidarity among the elite The bride performed rituals that integrated herself and her family into the inner circle of the court Using an array of archival sources Russell E Martin demonstrates how royal weddings reflected and shaped court politics during a time of dramatic cultural and dynastic change As Martin shows the rites of passage in these ceremonies were dazzling displays of monarchical power unlike any other ritual at the Muscovite court And as dynasties came and went and the political culture evolved so too did wedding rituals Martin relates how Peter the Great first mocked then remade wedding rituals to symbolize and empower his efforts to westernize Russia After Peter the two branches of the Romanov dynasty used weddings to solidify their claims to the throne The Tsar's Happy Occasion offers a sweeping yet penetrating cultural history of the power of rituals and the rituals of power in early modern Russia

The Last Happy Occasion Alan Shapiro, 1997-10-27 A coming of age story of an American Jew and aspiring writer in the 60s and 70s In this memoir in six movements Alan Shapiro recalls how poetry helped him make sense of his own and other people's lives *My Quest for Happy Life* Giridhar Alwar, This is story of Aaryan who comes to terms with life and love as he undergoes various trials and tribulations which turn him from a callow lad to a man He looks forward to problems as stepping stones to fulfillment Aaryan is disillusioned when his father whom he hero worships leaves them and goes away The death of his mother is a turning point when he realizes that he and his sister Tara are now alone in the world However Tara too moves away to find the love of her life Aaryan's own relationship with Ishwarya leaves him desolate However Aaryan has a strange love hate relationship with his god who he believes gives with one hand and takes away with the other Aaryan fulfils his destiny by accomplishing his aims in life finally realizing that happiness comes from within and is enhanced further when one makes others happy A story of self realization and fulfillment
