Happy Anniversary A How To For Husbands And Wives:

What Wives Wish Their Husbands Knew About Women James C. Dobson, 2010-12-22 Dr Dobson's suggestions for marital happiness are interesting practical and humorous

Other Men's Wives Freddie Lee Johnson III, 2009-06-24 Denmark Wheeler had it all a gorgeous wife Sierra whom he passionately loved and a respectable job that allowed him to keep her living in the style to which she was accustomed The good life wasn't handed to him on a silver platter though Growing up in the Cleveland ghetto his father was shot by a drug addict he worked the streets to help his sister through college and he made his fair share of enemies along the way Yet not even his tough upbringing prepared him for the mysterious DVD that showed up on his doorstep its contents revealing an explicit sexual encounter between his wife and another man whose face was purposely blurred Sierra's betrayal is heart wrenching and Denmark's on the warpath to find out the identity of the man behind it One thing's sure It's someone close to him Suddenly everyone is suspect especially his two best buddies and he'll stop at nothing to exact his revenge even if it means sleeping with their wives to get it But when Denmark takes justice into his own hands he discovers a truth even more shocking than his wife's infidelity In this gritty revenge tale Freddie Lee Johnson III takes us into the mind of a man consumed with grief and rage Full of jump off the page characters and fast paced drama Other Men's Wives is an explosive ride fueled by love lust and deceit

a breeze What Wives Wish Their Husbands Knew About Women Dr. James Dobson,1980 Of Love and Abuse: A Women's Fiction Story Kayla Lowe,2021-04-04 Enjoy this gripping women s fiction series by award winning author Kayla Lowe Sarah stands at the crossroads of her marriage tangled in the decisions that led her here The rush to say I do came under the weight of financial strain not from the place of love and readiness she once imagined Now as the reality of marriage sinks in she wonders if she s made a choice too soon and if she s really prepared for what it means What started as a hopeful future with Bruce quickly reveals itself to be far more complicated As the days pass Bruce s behavior shifts and Sarah begins to notice troubling signs The man she thought she married seems to be hiding a darker side Is this the man she believed him to be or has she fallen for someone completely different someone unpredictable and controlling In book 4 of the Tainted Love Saga Sarah s world becomes a whirlwind of confusion doubt and fear She s forced to confront the unsettling truth about her marriage while grappling with her own identity and place in a relationship that seems to promise safety but delivers uncertainty Can she unravel the web of lies before it s too late or is she locked in a marriage that no longer feels like the one she dreamed of Join Sarah as she struggles through the complexities of trust love and the strength to redefine her life Will she find the courage to face the shadows creeping into her marriage or will the weight of her choices prove too much The emotional rollercoaster continues in Tainted Love Saga Book 4 where nothing is as it seems and Sarah must discover what s truly worth holding on to Of Love and Abuse is the fourth book in the Tainted Love Saga For the best reading experience the books in this psychological thriller series should be read in order For fans of Creston Mapes Terri Blackstock Michael Swiger Lisa Phillips and Jennifer Youngblood this is a Christian suspense story that will keep you on the edge of your seat This book has mild cursing and explores sensitive subjects Enjoy After the Happily Ever After: Empowering Women and Mothers in Relationships Linda Rose Ennis,2017-09-01 This book is about the two tiered system and invisible imbalance that operates within the framework of the family It is about the fantasy of the happily ever after which the wedding industry promotes and Western society reinforces Why are we hanging onto this faux happiness at the expense of our future well being Why don t we wonder what happened after they lived happily ever after and if in fact they really do What I hope to achieve by writing this book is to rattle the cage of young brides about to embark on this journey to talk about these issues with their future partners and to set the system up in a more equal way so no one is caught off guard if and when things crumble It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins and most certainly it sours the sweetness of the fantasy of the happily ever after as we know it What we don t realize is that there will be less bitterness and upset for the family especially for the children if we pursue this line of thinking Isn t that the real happily ever after **The Impact of Social Media in Modern Romantic Relationships** Narissra M.
