please be aware of the harm directed at our nation by liberals in the modern Democratic Party Tell your friends and family to vote and to vote Right if you wish to continue enjoying freedom and prosperity here in America     Past and Present Saiera Gulam,2024-04-24 When I was young we used to play with all the other children Our elderly neighbor would look at us with pleasure and laugh and say Come children I will tell you a fairy tale She told us very interesting stories Recently I found out that these old woman s tales are not fairy tales but real historical events which surprised me and led to the creation of this book I will try to create an understanding of how it affected both the past and present How do I know that these fairy tales were a real part of history I had a conversation with a few historical witnesses when I came to America Their grandfathers fought the invaders They are the people who lived through the fighting That s why their children are now living in America
