The Happy Ending David Stokes, 2017-09-12 A 97 year old hero becomes involved in a very 21st century problem A novel for those who enjoyed *The 100 Year Old Man Who Climbed out of the Window and Disappeared* and *The Unlikely Pilgrimage of Harold Fry* This is a feel good heart warming novel full of fun and whimsy that also touches on a serious theme When his wife of seventy years dies Harry Pigeon considers joining her in the grave as he feels his purpose for living has gone A freak accident outside his bungalow draws him into the sordid world of modern slavery and a quest that re invigorates his zest for life Single handedly rescuing two girls from an international trafficking operation he finds the tables are turned when he is accused of kidnapping them When the girls also admit to using him to gain money Harry s old fashioned values suddenly seem inadequate Can someone of his age still make a contribution in the modern world Also running through the story is a sub plot involving Harry s deceased wife Betty who retains a strong voice in his life through their amusing daily conversations that show his continued dependency on her for advice and guidance Clearly they ve had their difficulties in the past in particular over the daughter he never met who died before he returned home from the war Can Harry hope to resolve his feelings with Betty from beyond the grave

Contending with Stanley Cavell Russell B. Goodman, 2005-02-10 Stanley Cavell has been a brilliant idiosyncratic and controversial presence in American philosophy literary criticism and cultural studies for years Even as he continues to produce new writing of a high standard an example of which is included in this collection his work has elicited responses from a new generation of writers in Europe and America This collection showcases this new work while illustrating the variety of Cavell s interests in the ordinary language philosophy of Wittgenstein and Austin in film criticism and theory in literature psychoanalysis and the American transcendentalism of Ralph Waldo Emerson and Henry David Thoreau The collection also reprints Richard Rorty s early review of Cavell s magnum opus *The Claim of Reason* 1979 and it concludes with Cavell s substantial set of responses to the essays a highlight of which is his engagement with Rorty

Interactive Storytelling Lissa Holloway-Attaway, John T. Murray, 2023-10-30 This two volume set LNCS 14383 and LNCS 14384 constitutes the refereed proceedings of the 16th International Conference on Interactive Digital Storytelling ICIDS 2023 held in Kobe Japan during November 11 15 2023 The 30 full papers presented in this book together with 11 short papers were carefully reviewed and selected from 101 submissions Additionally the proceedings includes 22 Late Breaking Works The papers focus on topics such as theory history and foundations social and cultural contexts tools and systems interactive narrative design virtual worlds performance games

and play applications and case studies and late breaking works The Prodigal Father Dr. Victor T. Nyarko, 2017-07-13

What has become popularly but erroneously known in Christian and Church circles as the parable of the Prodigal son is part of a larger revelation Jesus told about three parables of lost the lost coin the lost sheep and the lost son Contrary to the popular opinion and title given to this parable the parable is more about a Prodigal father and his attitude towards a wayward younger son and a disgruntled elder son and nothing at all about a Prodigal son The book culminates in the clear and simple distinction that our Lord Jesus makes between sonship and servanthood in his vineyard parables contrary to the claim by many that all humans are sons of God through procreation Are all indeed sons of God Or is there a distinction between Kingdom Sons and Kingdom Servants of God This book's approach to both subjects above will leave you amused instructed enlightened stirred up and challenged but definitely not bored *Passion and Craft* Bonnie Lyons, Bill Oliver, 1998

Collection of interviews with 12 contemporary fiction writers *Victorian Transformations* Dr Bianca Tredennick, 2013-05-28

Proposing the concept of transformation as a key to understanding the Victorian period this collection explores the protean ways in which the nineteenth century conceived of responded to and created change The volume focuses on literature particularly issues related to genre nationalism and desire For example the essays suggest that changes in the novel's form correspond with shifting notions of human nature in Victor Hugo's Notre Dame de Paris technical forms such as the villanelle and chant royal are crucial bridges between Victorian and Modernist poetics Victorian theater moves from privileging the text to valuing the spectacles that characterized much of Victorian staging Carlyle's Past and Present is a rallying cry for replacing the static and fractured language of the past with a national language deep in shared meaning Dante Gabriel Rossetti posits unachieved desire as the means of rescuing the subject from the institutional forces that threaten to close down and subsume him and the return of Adelaide Anne Procter's fallen nun to the convent in A Legend of Provençe can be read as signaling a more modern definition of gender and sexuality that allows for the possibility of transgressive desire within society The collection concludes with an essay that shows neo Victorian authors like John Fowles and A S Byatt contending with the Victorian preoccupations with gender and sexuality *Psychological Assessment* N. C. Rawat, 2006

Psychological Assessment is used to assess a variety of mental abilities and attributes including achievement and ability personally and neurological functioning The major purpose of this book is to help readers understand the construction and use of tests in psychological educational and employment settings *Crossing Textual Boundaries in International Children's Literature* Lance Weldy, 2011-01-18

As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across

boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children s literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales Introduction **Daily Guideposts 2021**

literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children s literature exploring its commonalities and shared themes The Hidden Adult is a focused and sophisticated analysis of children s literature and a major contribution to the theory and criticism of the genre
