Learning Curves Beth Younger, 2009-07-09 Adolescence is a time of growth change and confusion for young women During this transition from childhood to adulthood sex and gender roles become more important Meanwhile depictions of females_ from the hyper sexualized girls of music videos to the chaste repression of Purity Balls_ send mixed messages to young women about their bodies and their sexuality Over the last several decades authors of young adult novels have been challenged to reflect this concern in their work and have responded with varying degrees of success In *Learning Curves* Body Image and Female Sexuality in Young Adult Literature Beth Younger examines how cultural assumptions and social constraints are reinforced and complicated through common representations of young women Each chapter analyzes a recurrent theme in the history of
