Happy Hollisters At Mystery Mountain:

The Happy Hollisters and the Mystery of the Little Mermaid Jerry West, 2017-05-15 The Happy Hollisters and the Mystery of the Little Mermaid 18 in the Happy Hollisters series While winging their way to Denmark the Happy Hollisters become friendly with a member of the Queen of Denmark's staff She is bringing home the Queen's own valuable reproduction of the Little Mermaid the famous statue that overlooks the harbor in Copenhagen While she is showing the Hollisters the little figurine another passenger expresses interest in seeing this rare treasure His interest however strikes the five Hollister children as being more than just enthusiasm for the beauty and workmanship of the figurine In the excitement of preparing to land at the Copenhagen airport he is forgotten until upon landing the figurine is found to be missing From then on the Hollisters find themselves becoming more and more involved with the strange man with the beard and his rather peculiar activities Much to the Hollisters surprise they find not only is the figurine an object of mystery but the trail of the bearded man is leading them to a ring of international thieves and their search for a bejeweled treasure hidden centuries ago The Hollisters finally discover a clue to this treasure from the study of the history of the ship models hung in the churches of Denmark to honor lost seamen This new Hollister story should be a fine addition to the series since it is the first time the Hollisters have traveled outside the Western Hemisphere First published in 1960 this charming mystery adventure story faithfully reproduced is now available in paperback and eBook for the first time Written for boys and girls between the ages of six and twelve The Happy Hollisters are wholesome books with an accent on humor and good clean fun Integrity always pays off and right wins over wrong Parents grandparents and teachers love these books for their healthy celebration of life in simpler times Kids are thrilled with the fast paced action and will not want to put them down The action packed illustrations make the story and the Hollister family so vivid that the reader has a feeling of really sharing in on the adventures of this lovable and interesting family
