Happy Snappy Crocodile Takes Care Of His Teeth:

Happy Snappy Crocodile Takes Care of His Teeth Nicola Baxter, 1999 All kids need to learn to brush their teeth and this fun new book will help Through the story of Happy Snappy Crocodile kids learn the importance of caring for their teeth while being entertained by the endearing tale and adorable illustrations The book includes a toothbrush that kids can use while they follow Snoozle Bird's advice Helpful reusable stickers assist kids record their own progress by pasting I brushed my teeth this morning for example right into the book With this fun to use book parents will find that what might have been a chore has become a fun healthy habit American Book Publishing Record ,1999 The Cuban Missus Crisis David M. Addison, 2015-06-01 In this humorous travelogue round Cuba the hapless author suffers from both urban myths and his Missus aka the Drinks Police The first he debunks as they occur the crises his Missus causes or would have caused but for his timely intervention are a more serious matter Acutely aware that Cuba is certain to change in the near future and probably radically award winning author David M Addison was anxious to experience the country as it is now under communism and Castro Apart from describing what daily life is like for ordinary Cubans he also delves into Cubas past from the original inhabitants and post Columbian conquest to the Wars of Independence and the Bay of Pigs and its aftermath On the literary trail Addison pays homage to Hemingway as he follows in his footsteps And if that should necessitate a visit to a bar or two that cant be helped Its not a lame excuse for a bar crawl despite what the Drinks Police may think It goes without saying that in Cuba you cant avoid classic cars and cigars but the author also takes a close look at Cubas art and architecture flora and fauna and not least the countrys other most famous product rum Another cause for a crisis as far as the Missus is concerned A mine on all aspects of Cuban culture both past and present this is useful background reading for anyone intending a visit to Cuba as well as being a handy accompaniment to your guidebook when you go Or if armchair travelling is more your thing pour yourself a glass of rum or mix a mojito and learn and laugh your way round Cuba The Quiver. Vol.1-6, new ser., vol.1,2, toned paper ser. vol.1-vol.70, no.8 ,1862 Magifunmusic Heather MacLean, 2017-09-26 This book is about teaching the joy and understanding of classical music to young children It is about enhancing intelligence and building self confidence through music It is about leading the child into a journey of self discovery and many joyful experiences through music that should last a lifetime The book is full of practical ideas methods techniques and lesson plans for school teachers parents hospital caregivers and musicians at every level who could obtain wonderful results through teaching sharing and living this timeless art It is aimed at finding a way to retain this beautiful art in our education system It is aimed at possibly creating loving work for parents grandparents caregivers and young students It is aimed at spreading love and communication through an art that has been around for centuries and is so readily available to all through modern technology It is aimed at teaching the world to sing love laugh communicate and play through classical music This book addresses the concepts theories and performance aspects of music like many other books written but with detailed lesson plans and stories so a
