## Hard Man To Beat The Story Of Bill White:

**The Canadian Labour Movement: A Short History** Craig Heron, 1996 The Canadian Labour Movement is a fascinating story that brings to life the working men and women who built Canada's unions This concise history recounts the story of Canadian labour from the nineteenth century to the present day First published in 1989 it has been updated to include new developments in the world of labour up to 1995 Heron depicts the major events and trends in labour's history and assesses the current state and direction of the labour movement The Canadian Labour Movement is a masterful overview of the subject providing a broad and accessible introduction to Canadian labour George MacEachern, an Autobiography George MacEachern, 1987 *A Good War* Seth Klein, 2020-09-01 This is the roadmap out of climate crisis that Canadians have been waiting for Naomi Klein activist and New York Times bestselling author of *This Changes Everything* and *The Shock Doctrine* One of Canada's top policy analysts provides the first full scale blueprint for meeting our climate change commitments Contains the results of a national poll on Canadians attitudes to the climate crisis Shows that radical transformative climate action can be done while producing jobs and reducing inequality as we retool how we live and work Deeply researched and targeted specifically to Canada and Canadians while providing a model that other countries could follow Canada needs to reduce its greenhouse gas emissions by 50% to prevent a catastrophic 1.5 degree increase in the earth's average temperature assumed by many scientists to be a critical danger line for the planet and human life as we know it It's 2020 and Canada is not on track to meet our targets To do so we'll need radical systemic change to how we live and work and fast How can we ever achieve this Top policy analyst and author Seth Klein reveals we can do it now because we've done it before During the Second World War Canadian citizens and government remade the economy by retooling factories transforming their workforce and making the war effort a common cause for all Canadians to contribute to Klein demonstrates how wartime thinking and community efforts can be repurposed today for Canada's own Green New Deal He shares how we can create jobs and reduce inequality while tackling our climate obligations for a climate neutral or even climate zero future From enlisting broad public support for new economic models to job creation through investment in green infrastructure Klein shows us a bold practical policy plan for Canada's sustainable future More than this *A Good War* offers a remarkably hopeful message for how we can meet the defining challenge of our lives COVID 19 has brought a previously unthinkable pace of change to the world one which demonstrates our ability to adapt rapidly when we're at risk Many recent changes are what Klein proposes in these very pages The world can actually turn on a dime if necessary This is the blueprint for how to do it The West Beyond the West Jean Barman, 1996-01-01 Critically acclaimed since its publication in 1991 the BC history of choice has now been revised Here is the story of Canada's westernmost province beginning at the point of contact between Native peoples and Europeans and continuing up to 1995 Jean Barman tells the story by focusing not only on the history made by leaders in government but also by including the roles of women immigrants and Native peoples She interweaves

political social economic and demographic events into an absorbing account that reveals the roots of contemporary British Columbia in all its diversity and apparent contradictions The revised edition has been updated to include information from the 1991 census and revisions have been made throughout the book including the references to update it to 1995

**Rebel Life (2nd ed.)** Mark Leier, 2013-09-05 Extensively revised throughout and including a brand new chapter Rebel Life chronicles the life of labour organizer revolutionary anarchist and labour spy Robert Gosden This new edition includes new information about Gosden's career that has come to light since the first edition was published in 1999 Canada's west coast was rife with upheaval in the second and third decades of the twentieth century At the centre of the turmoil is Robert Gosden migrant labourer turned radical activist turned police spy In 1913 he publicly recommends assassinating Premier Richard McBride to resolve the miners strike By 1919 he is urging Prime Minister Robert Borden to disappear key labour radicals to quell rising discontent What happened Rebel Life plumbs the enigma that was Gosden but is much more it is an introduction to BC labour history With its archival photograph and sidebars rich with historical arcana and a chapter outlining the research that unearthed Gosden's story Rebel Life is a rich resource for instructors students and trade unionists and an ideal introduction to the historian's craft

**Labour Goes to War** Wendy Cuthbertson, 2012-06-15 During the Second World War the Congress of Industrial Organizations in Canada grew from a handful of members to more than a quarter million and from political insignificance to a position of influence in the emergence of the welfare state What was it about the good war that brought about this phenomenal growth Labour Goes to War analyzes the organizing strategies of the CIO during the war to show that both cultural and economic forces were at work Labour shortages gave workers greater power in the workplace and increased their militancy But workers patriotism their ties to those on active service and allegiance to the people's war also contributed to the CIO's growth and to what it claimed for workers Drawing on a wealth of archival material Wendy Cuthbertson illuminates this complex wartime context She also shows how the complex often contradictory motives of workers during this period left the Canadian labour movement with an ambivalent progressive conservative legacy

**From Left to Right** Brian T. Thorn, 2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co-operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement

**The Canadian Labour Movement** Craig Heron, 2020-06-01 In The Canadian Labour Movement historian Craig Heron and political scientist Charles Smith tell the story of Canada's workers

from the midnineteenth century through to today painting a vivid picture of key developments such as the birth of craft unionism the breakthroughs of the fifties and sixties and the setbacks of the early twenty first century The fourth edition of this book has been completely updated with a substantial new chapter that covers the period from the great recession of 2008 through to 2020 In this chapter Smith describes the fallout of the financial crisis how Stephen Harper s government restricted labour rights the rise of the gig economy and precarious work and the continued de industrialization in the private sector These pressures contributed to fracturing the movement as when Unifor the largest private sector union split from the Canadian Labour Congress the established house of labour Through it all rank and file union members have fought for better conditions for all workers including through campaigns like the fight for a 15 minimum wage The Canadian Labour Movement is the definitive book for anyone interested in understanding the origins achievements and challenges of the labour and social justice movements in Canada

**A Bridge of Ships** James Pritchard,2011-05-20 In A Bridge of Ships James Pritchard tells the story of the rapidly changing circumstances and forceful personalities that shaped government shipbuilding policy He examines the ownership and expansion of the shipyards and the role of ship repairing as well as recruitment and training of the labour force He also tells the story of the struggle for steel and the expansion of ancillary industries Pritchard provides a definitive picture of Canada s wartime ship production assesses the cost more than 1 2 billion and explains why such an enormous effort left such a short lived legacy The story of Canada s shipbuilding industry is as astonishing as that of the nation s wartime navy The personnel of both expanded more than fifty times yet the history of wartime shipbuilding remains virtually unknown With the disappearance of the Canadian shipbuilding industry from both the land and memory it is time to recall and assess its contribution to Allied victory

**Militant Minority** Benjamin Isitt,2011-05-21 Militant Minority tells the compelling story of British Columbia workers who sustained a left tradition during the bleakest days of the Cold War Through their continuing activism on issues from the politics of timber licenses to global questions of war and peace these workers bridged the transition from an Old to a New Left In the late 1950s half of B C s workers belonged to unions but the promise of postwar collective bargaining spawned disillusionment tied to inflation and automation A new working class that was educated white collar and increasingly rebellious shifted the locus of activism from the Communist Party and Co operative Commonwealth Federation to the newly formed New Democratic Party which was elected in 1972 Grounded in archival research and oral history Militant Minority provides a valuable case study of one of the most organized and independent working classes in North America during a period of ideological tension and unprecedented material advance

**Smelter Wars** Ron Verzuh,2022-01-27 In 1938 the Congress of Industrial Organizations CIO sent communist union organizer Arthur Slim Evans to the smelter city of Trail British Columbia to establish Local 480 of the International Union of Mine Mill and Smelter Workers Six years later the local was recognized as the legal representative of more than 5 000 workers at a smelter owned by the powerful Consolidated Mining and Smelting Company of Canada But the
