**Nine Flying Objects** Gregory Long, 2022-11-08 For decades controversy has raged over the existence of Unidentified Flying Objects UFOs seen by thousands of witnesses across the globe In June 2021 the Pentagon submitted a report to the US Congress admitting that jet pilots had been reporting UFOs for decades and that whatever their reality the objects appeared to be an unknown advanced technology June 24 2022 marks the seventy fifth anniversary of the birth of UFOs On the same month and day in 1947 a thirty two year old skilled mountain pilot named Kenneth Arnold saw nine silver disk shaped objects flying at incredible speed near Mount Rainier in Washington state Fearing he had seen possible Russian missiles he performed his patriotic duty and reported them to a small newspaper in Oregon He described their motion as if you took a saucer and skipped it across the water Hence the term flying saucer was born Arnold a well known businessman with a reputation for honesty and integrity was plunged into fame overnight Nine Flying Objects tells the story of an innocent

man who struggled the rest of his life with the consequences of his report Set in the early days of the Cold War when the newly named US Air Force was emerging from the ashes of World War II and fear of the atomic bomb gripped the hearts of millions Arnold poured his own resources into his one man crusade to discover what he had seen and to fight those who doubted and ridiculed him Based on interviews of Arnold and extensive historical documents *Nine Flying Objects* captures the tenor of a time when UFOs were born and a single witness stood up for the truth against a government seeking to hide the reality of the single most enduring mystery of our time

**The Wheel and Cycling Trade Review** ,1892     *The Voice Of The Sphinx* John J. Klingerman MD,2022-01-06 We all have an inheritance to leave only some leave more than what is required There is no greater gift of inheritance than the gift of words whether written or spoken they remain someone s memory and our legacy forever I do not ascribe to chance or happenstance This novel was written over twenty years ago I was working with my father in law to get it published before he passed from this life Our plans and efforts however did not come to be he passed away May 28 2015 My daddy became sick the following year putting this novel on hold When my daddy passed away I was left to care for my mother until I had to find an assisted living facility to give her the care that she needed and I could no longer personally provide Which leads us to the setting of this novel taking place in the early 1990s and having reference to stories as far back as the 1920s I never thought that at the age of fifty three I would be able to recall a simpler time in my life that wasn t so long ago In the early 1990s we had not yet experienced the technology boom that forever changed communication and the way we live In this novel you will find no cell phones no texting no phone cameras no social media no key fobs and no computerized medical notes What you will find however is the simple beauty of the personal relationships of the residents and staff of an assisted living facility While the storyline of this novel is poignantly beautiful there is a much deeper understanding to be gained We would all do well if we could learn to listen honestly and become slower to speak May we be provoked to desire to check ourselves humble ourselves and take it upon ourselves to ascertain the exact meaning of our vocabulary My prayer is that we may be encouraged by the intention and desire of the author in the sharing of this novel *The Voice of the Sphinx* the inheritance of my father in law John J Klingerman MD to his dear children John Kelly Mark and Chris
