Immigration and Settlement, 1870-1939

Gregory P. Marchildon, 2009 *Immigration and Settlement 1870-1939* includes twenty articles organized under the following topics: the Opening of the Prairie West, First Nations and the Policy of Containment, Patterns of Settlement and Ethnic Relations, and Identity in the New West. The second volume in the History of the Prairie West Series, *Immigration and Settlement*, includes chapters on early immigration patterns including transportation routes and ethnic blocks, as well as the policy of containing First Nations on reserves. Other chapters grapple with the various identities, preferences, and prejudices of settlers and their complex relationships with each other as well as the larger polity.

Hromada: The Changing Ukrainian Community in Saskatchewan Alan B. Anderson, 2025-08-13. The story of any immigrant community at its core depicts the changing meaning of home and identity: the home and identity you leave behind, those which you build on new shores in new places in new ways. How any change to that home and identity changes the children who grow up into it: how in a very real way each new generation is built from the foundation of the home and identity the previous generation laid down. This story is about Ukrainian Canadians who first settled in large, often robust communities in Saskatchewan, beginning in the late 1890s. How has the Ukrainian community *hromada* in Ukrainian in Saskatchewan been changing with each generation since the arrival of the first settlers? This book describes what became of those first arrivals. How did their birthplace shape them? Where did they settle and how? How were the relationships between different communities and ethnic groups in Ukraine translated on the other side of the Atlantic? Even after growing into their new home, these communities faced massive rural depopulation that would impact subsequent generations and those home communities. We follow in their footsteps, tracing the new challenges they faced in cities and how they would understand and maintain their cultural identity today. Since 2022, the arrival in Saskatchewan of thousands of individuals and families displaced by Russia's full-scale invasion of Ukraine has proven challenging but has been supported by the existing strong Ukrainian Canadian community here.

Peasants in the Promised Land Jaroslav Petryshyn, Luba Dzubak, 1985. For many years following Confederation, Canada remained an absurd country with its vast West still free of agricultural settlers. John A. Macdonald's vision of a great nation bound together by a transcontinental railway and a nationalist economic policy remained an unfulfilled dream. On the other side of the Atlantic, the present-day Ukraine was vastly overpopulated with redundant peasants. Their increasingly precarious existence triggered emigration: more than 170,000 of them sailed for Canada. Life in the promised land was hard. Many Canadians seemed to think that the only good immigrants were British; some went so far as to suggest that the Ukrainian newcomers were less than human. But on the harsh and remote prairies, the Ukrainians triumphed over the toil and isolation of homesteading, putting down roots and prospering. *Peasants in the Promised Land* is the first book to focus on the formative period of Ukrainian settlement in Canada. Drawing on his exhaustive research, including Ukrainian language archival sources, Jaroslav

Petryshyn brings history to life with extracts from memoirs letters and newspapers of the period His text is illustrated with maps and historical photographs Community and Frontier John C. Lehr,2012-05-11 A social and economic history of one of the oldest Ukrainian settlements in Western Canada Established in 1896 the Stuartburn colony was one of the earliest Ukrainian settlements in western Canada Based on an analysis of government records pioneer memoirs and the Ukrainian and English language press *Community and Frontier* is a detailed examination of the social economic and geographical challenges of this unique ethnic community It reveals a complex web of inter ethnic and colonial relationships that created a community that was a far cry from the homogeneous ethnic block settlement feared by the opponents of eastern European immigration Instead ethnic relationships and attitudes transplanted from Europe affected the development of trade within the colony while Ukrainian religious factionalism and the predatory colonial attitudes of mainstream Canadian churches fractured the community and for decades contributed to social dysfunction Peasants with Promise Stella Hryniuk,1991-06-30 A socio cultural history of a region of Eastern Galicia in the last two decades of the nineteenth century

The Promised Land Pierre Berton,2011-08-10 After the pioneers described in *The National Dream* The Last Spike and Klondike came the settlers a million people who filled a thousand miles of prairie in a single generation *Baba's Kitchen Medicines* Michael Mucz,2022-08-29 Michael Mucz s prolonged primary research into Ukrainian Canadian folk history culminates in *Baba s Kitchen Medicines* This book bursts with the cultural memory of pioneering folk from Canada s prairieland From fever to frostbite this incomparable compendium of tinctures poultices salves decoctions infusions plasters and tonics will fascinate and often mortify readers from all walks of life The comprehensiveness of Mucz s research and interviews framed with deftly painted historical cultural and botanical backgrounds guarantee that this chapter of the Canadian story will continue to be told for generations to come It is a deep charming and often moving work of intricate anthropology that will stir scholar and non specialist alike *Creating Societies* Dirk Hoerder,2000 The birth of Canada as a society and a nation has often been told from the narrow perspective of the founding nations These versions have left little room for the everyday experiences of a wide variety of individual immigrants who have had to adjust Monuments to Faith Basil Rotoff,Roman Yereniuk,Stella Hryniuk,1990-04-01 Ukrainians first came to Canada a century ago seeking a new life on the western prairies They brought with them an ancient and rich cultural tradition deeply rooted in Christianity The most visible symbol of this tradition is the Ukrainian church with its distinctive cupolas As soon as the settlers were established in the new land they began to reshape their environment by building churches in the styles they remembered from their homeland In this richly illustrated volume the authors trace the continuity of tradition in achitecture art and community life from Ukraine to the parishes of the Manitoba prairie In a detailed examination of the exteriors and interiors of forty nine churches the book establishes a typology of Ukrainian church designs Biographies of the architects master builders and artists are included along with a guide to the art and architecture of a Ukrainian church *Prairie People* Robert

Collins,2011-10-12 An intimate look at the people of the prairies in Manitoba Saskatchewan and Alberta who they are how they live what makes them a breed apart The prairies are Robert Collins s spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his homeland to pay homage to the special character of the people who live in this unique region of Canada Prairie People is an absorbing combination of stories anecdotes and touches of history told in the voices of ordinary people and linked by the author s own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada Prairie people are clearly not all alike city and town dwellers differ from farmers farmers from ranchers ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than everybody else They are uncommonly independent and self reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada Ukrainians in Canada
