Johnson, Sr.,Glm Omnimedia Group LLC,2011-12-27 Many young women in our country today are growing up without a father or father figure in their lives Some women have had fathers around but their daddies never had heart to heart talks with them Some women remember things their fathers shared with them and would like to hear those things again Whatever your age or situation as a woman this book is for you It can also help fathers learn how to have those all important conversations with their own daughters Pastor Jeffrey A Johnson Sr has written this book from a father s heart You will find him talking openly and honestly about handling your beliefs your bodies your brains your business and your blessings You will find these pages filled with a variety of topics such as learning to appreciate the you God created avoiding impulse shopping knowing what to look for in a mate thinking as God thinks and many other things Whatever you are going through you will find a word here that speaks to you and your situation This book is based on the Word of God and it is written by a pastor who cares about you and wants to see you live a full rich abundant life Nights of Wailing, Days of Pain Jose Antonio Lopez,2008-08-22 Nights of Wailing Days of Pain Life in 1920s South Texas Jose Antonio Lopez Summary Life in 1920s South Texas was mercilessly miserable for U S citizens of Spanish Mexican Tejano ancestry The courageous descendants of Native Americans and the first Europeans to set foot in Texas had been reduced by this time to the status of foreigners in their own homeland It had been over eighty years since the 1836 Battle of the Alamo but the suffering of the native inhabitants continued unrestrained into the twentieth century In short Tejanos looked like the enemy spoke Spanish like the enemy worshipped as Catholics like the enemy and thus were treated like the enemy Akin to a never ending nightmarish inferno stoked by constant Battle of the Alamo reminders the damage to the tormented Tejano psyche persists to this day Nights of Wailing Days of Pain involves the day to day life of a Tejano family whose members are living in two parallel worlds One is the world of their Spanish Mexican ancestors inventors of the ranch and cowboy phenomena and the other is the world of Anglo Saxon Texas that treats them as strangers in the only homeland they have ever known The first

world is a sanctuary providing comfort but it is slowly disappearing The second world is fraught with overwhelming anxiety and continues unabated to the present time The book typifies the saga of countless Tejano families struggling to make a living in the harsh brush country of South Texas while at the same time fighting off those who wanted their land at all costs The story begins with a scene worthy of a Russian czar A ranch foreman bloodied by a brutal beating hangs feet first from the arm of a large oak tree Although not charged with any crime he had been left there by the Texas Rangers It was a most undignified sight How could this be After all this was the 1920s Wasn't the United States of America the land of the free where a person was innocent until proven guilty Wasn't South Texas part of the United States of America Had not the country recently fought a world war the Great War to guarantee freedom for others in Europe What about basic freedoms guaranteed by the U S Constitution for citizens in this country regardless of their race creed or color The man hanging from the tree was a U S citizen So how could this be happening Why was he being treated in such a cruel manner The first chapters introduce the several main characters of the storyline Chapa the Rancho La Paz foreman is a strong and capable young man who valiantly absorbs the rangers brutal punishment without betraying his boss The beautiful Dona Carmelita Meli is the ranch owner's wife She is the social conscience of the community Don Roberto Gutierrez her husband is the former county sheriff who traces his lineage to the first Spanish Mexican Texas settlers He is suddenly accused of smuggling contraband horses and mules from Mexico Justa is the ranch matron She is a wise curandera folk healer whose counsel is sought by all Sabi is Justa's daughter and helps her mother with her duties at La Paz Both of them are part of Don Roberto's extended family Epifania Epi Martinez is a Gutierrez relative who works at the courthouse Amble Macray is a rich Anglo Saxon cattleman from Fort Worth He grew up with the Gutierrez family He and his family are very supportive of Tejano culture and respectful of the Spanish Mexican roots of Texas Amble has two brothers One of them Deck is now the sheriff Deck reluctantly participates in Don Roberto's persecution and prosecution They have one sister Libby They also have a half sibling Raymundo a U S marshal Scott Johnson is Don Roberto's defense attorney Scott is an idealistic young lawyer who is defending his first case George R Reed is a former county judge who controls most significant activities in the community As the area political boss he wants Rancho La

all those who navigate multiple cultures languages times and geographies BOOK JACKET Eternal Nuggets Mark Nyarko, 2018-08-30 It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical material temporary realm Because our existence owes its source to the spiritual realm the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4 18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don't change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even good change it brings opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God's truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10 9 10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father's presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than yourself from a source beyond this temporal

realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing peace and contentment into every area of your life Defying All Odds Sabina Patterson,2022-11-03 This book chronicles the miraculous birth of Judah Emmanuel Patterson who survived an ectopic pregnancy and the rough yet rewarding journey leading up to that epic moment The PattersonsaEUR tm story was one hot room where science and faith in God argued each other Science as usual came to the room with empirical facts to prove why it was impossible for Mrs Patterson to get pregnant However faith had the better side of Mrs Patterson God wants to renew the minds of millions and has instructed this book to be written so many could hear of yet another miracle Parliamentary Debates New Zealand.
