Harold Shipman Mind Set On Murder:

Harold Shipman, 2006 *Harold Shipman* Carole Peters, 2006 **Harold Shipman** Carole Peters, 2005 Harold Shipman was convicted for 15 murders but it is now believed that he committed in the region of 260 over a period of 30 years before he aroused suspicion Drawing on testimonies from those close to Shipman and his victims Shipman s own prison letters police audio and video tapes and analysis from criminal psychologists and detectives involved in the case this compelling book traces the story of how the popular GP became Britain s most prolific serial killer and why he felt compelled to kill Harold Shipman Carole Peters, 2006 Drawn from first hand testimonies from those close to Shipman and his victims this book examines the clues and provides the answer to why Shipman chose to kill and kill again *Harold Shipman, Mind Set on Murder* Carole Peters, 2005 In 1998 the graveyards in the market town of Hyde had some unusual early morning visitors Greater Manchester Police were exhuming the bodies of the elderly patients o a local doctor The doctor concerned had been their GP for 21 years and had a reputation as the best in the area But Dr Harold Frederick Shipman was a serial killer A public inquiry has spent nearly four years investigating Dr Shipman s crimes They have traced them back more than 30 years and calculated the number of murder he committed to be in the region of 260 As director of ITV s To Kill and Kill Again Dr Shipman Carole Peters was given unique access to the public inquiry s database and she has also conducted her own investigative research cut and will appear in this book for the first time Transcripts will reveal the doctor s arrogance during police interviews while exclusively obtained prison letters provide a revealing insight into his mind And with the help of criminal psychologists and those most closely involved in the case this boo examines the clues and provides the answer to the question why Why Shipman chos to kill and kill again **Harold Shipman** Carole Peters, 2005

A History Of British Serial Killing David Wilson, 2009-10-15 The definitive history of British serial killing 1888 2008 by the UK s leading expert In this fascinating and informative book Professor David Wilson tells the stories of Britain s serial killers from Jack the Ripper to the extraordinary Suffolk Murders case David Wilson has worked as a Prison Governor and as a profiler and has been described as the UK s leading expert on serial killers His work has led him to meet several of the UK s deadliest killers and build up fascinating insights into what makes a serial killer and who they are most likely to target A vivid narrative history and a call for prison and social reform Professor Wilson s new book is a powerful and gripping investigation of Britain s serial murderers Inside the Minds of Serial Killers Katherine Ramsland, 2006-08-30 There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad

spectrum of serial killers and their complex psychological dynamics Ramsland looks at the variety of serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers There are many cultural myths about serial killers often propagated even by mental health professionals Many assume there is a profile of a serial killer that serial killers always go for the same victim type or always use the same MO that they are more clever than ordinary people and that they are inevitably charming and attractive The truth is not as simple as that There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context researchers have not yet been able to come up with a definition or type that covers the broad spectrum of serial killers and their complex psychological dynamics Ramsland looks at serial killer types illustrating that it is difficult to accurately depict these elusive intriguing and dangerous killers This book examines a variety of serial killers from sexual predators to psychotic killers from murder teams to odd eccentric stalkers in order to present the distinct psychological dynamics that set serial killers apart from other violent murderers Among the motives addressed are lust control glory profit thrill delusions rage the desire for company the need to please a partner and even murder as an intellectual exercise Serial killers live double lives hiding their violence even from those who live with them so along with a study of motives are chapters devoted to how close associates have described killers including parents siblings co workers lovers and survivors There is no profile of a serial killer and this book establishes that in vivid and frightening detail

Murder and Society Peter Morrall, 2006-10-02 Human psychological and physical well being is damaged and destroyed when people are deliberately killed by other people There are millions of primary and secondary victims of murder throughout the world and human society as a whole is a tertiary victim of murder Despite this people are often fascinated and engrossed by stories of homicide and killers This book provides a fascinating exploration of murder providing an insight into what leads people to kill and what effect this has on society as a whole This book is organized into five chapters that each answer a specific question on murder What is Murder Who Commits Murder Why Commit Murder Why is Murder Devastating Why is Murder Fascinating Harold Shipman FRED. SPOONER, 2025-04-08 Harold Shipman the name itself evokes a chilling response synonymous with betrayal manipulation and unimaginable loss This biography seeks to understand the man behind the monstrous reputation delving into the complexities of his life from his early years in Knottingley West Yorkshire to his rise as a trusted doctor and his eventual exposure as one of Britain's most prolific serial killers This book will explore his upbringing his medical training and the subtle yet significant signs that were overlooked in the years leading up to the horrifying revelation of his crimes We will meticulously examine his medical practice charting his ascent and the gradual unraveling of his carefully constructed deception The investigation will delve into the societal factors that enabled his killing spree to continue unchecked and we will examine how his actions profoundly impacted the victims their families and the public trust in the medical profession We will analyze the investigative processes the challenges faced by law

enforcement in piecing together the evidence and the breakthroughs that finally brought his reign of terror to an end Furthermore we will explore the psychological profile of Shipman attempting to understand his motivations his methods and the disturbing lack of remorse that characterized his actions The implications of his crimes extend beyond the individual level prompting critical examination of systemic failures within the healthcare system and a reassessment of public trust in institutions Through a blend of meticulous research careful analysis and a sensitive respectful approach this biography seeks to offer a complete and compelling portrait of Harold Shipman his crimes their impact and the profound lessons that remain for future generations

Medical Murder Robert M. Kaplan, 2010-10-19 Australian *New Directions in Criminological Theory* Steve Hall, Simon Winlow, 2012-06-25 This edited collection brings together established global scholars and new thinkers to outline fresh concepts and theoretical perspectives for criminological research and analysis in the 21st century Criminologists from the UK USA Canada and Australia evaluate the current condition of criminological theory and present students and researchers with new and revised ideas from the realms of politics culture and subjectivity to unpack crime and violence in the precarious age of global neoliberalism These ideas range from the micro realm of the personality disorder to the macro realm of global power crime Rejecting or modifying the orthodox notion that crime and harm are largely the products of criminalisation and control systems these scholars bring causes and conditions back into play in an eclectic yet thematic way that should inspire students and researchers to once again investigate the reasons why some individuals and groups elect to harm others rather than seek sociability This collection will inspire new criminologists to both look outside their discipline for new ideas to import and to create new ideas within their discipline to reinvigorate it and further strengthen its ability to explain the crimes and harms that we see around us today This book will be of particular interest to academics and both undergraduate and postgraduate students in the field of criminology especially to those looking for theoretical concepts and frameworks for dissertations theses and research reports

2015 Serial Killers True Crime Anthology, Volume II RJ Parker, Peter Vronski, Michael Newton, Katherine Ramsland, Sylvia Perrini, Kelly Banaski, 2014-12-15 This is the second volume of the bestselling annual Serial Killers True Crime Anthology a collection of some of the best true crime writing on serial killers over the year Several of these authors who appeared in Volume 1 of the Anthology return this year to Volume 2 with new stories 2015 Serial Killers True Crime Anthology Volume 2 Peter Vronsky in the chilling story Zebra The Hunting Humans Ninja Truck Driver Serial Killer describes the carnage perpetrated in 2007 by Adam Leroy Lane a long haul truck driving serial killer who after repeatedly watching in his truck cab a serial killer DVD movie he was obsessed with forayed out in the night from Interstate highway truck stops dressed in Ninja black to re enact the movie scenes by killing and mutilating unsuspecting women in their homes until he was captured by a fifteen year old girl and her parents when he attempted to kill her as she slept in her bedroom RJ Parker in Demons introduces us to the little known story of Canada's serial killer Michael Wayne McGray who murdered men women and children indiscriminately and whom

even prison could not stop from continuing his killing In the Grim Sleeper Parker describes the brutal crimes of Lonnie Franklin Jr who over a 23 year killing career took a fourteen year hiatus thus his nickname before resuming his murders of women in Los Angeles Katherine Ramsland in The Babysitter brings us up to date on the still unsolved horrific 1976 mutilation child murders in Detroit that inspired Bill Connington's one man Broadway play and Joyce Carol Oates 1995 novella *Zombie In Really The Other Guy Did It* Ramsland explores the bizarre case of serial killer Douglas Perry who after killing several women underwent a transsexual change into a woman Donna Perry who when apprehended claimed the murders were perpetrated by his former male self who no longer existed Ramsland asks Is guilt in the body or the soul Michael Newton in *Bad Medicine* and *Angel of Death* describes two serial killers where we least expect them health care workers Physician Dr Harold Shipman who murdered 250 victims in Britain and might be history's most prolific serial killer and the smiling mild mannered Ohio medical orderly *Angel of Death* Donald Harvey who confessed to murdering 87 helpless patients stating So I played God Sylvia Perrini Britain's true crime chronicler of female serial killers in *The House of Horrors* revisits the notorious case of Rosemary West who teamed up with her husband Fred in the rape torture and murder of ten young women in their rooming house including her own daughter In *The Mum Who Killed for Kicks* Perrini looks at the recent case of Joanne Dennehy a mother of a thirteen year old who inexplicably went on a thrill kill serial killing spree in which she tortured and murdered three men with a knife and attempted to kill two others Kelly Banaski a newcomer to true crime writing brings us *Stripped of his medals and female panties* the strange case of a Canadian air force base commander a colonel who piloted senior government officials and even the Queen of England who suddenly began to commit a series of panty fetish burglaries that eventually escalated to horrific rape torture murders of women Enjoy and be horrified

Perversion Fiona Ross, 2018-04-17 Theoretical understanding of perversion is neglected in analytical psychology and narrowly developed in psychoanalysis where it traditionally refers to sexual perversion Etymological exploration of the word perversion including its use in religious moral sociological and legal contexts reveals a wider meaning than that adopted in psychoanalysis The aim of the author is to revise the psychoanalytic model through the introduction of Jungian concepts that extend the understanding of perversion beyond the bounds of sexuality to a more general relational context By describing the development of psychoanalytic thinking on perversion in detail the author is able to highlight the central differences between the Freudian and Jungian interpretive traditions and to explain why Jungian ideas on perversion have remained underdeveloped leading to the absence of a unique or available Jungian contribution to the theory of perversion

Monsters, Law, Crime Caroline Joan "Kay" S. Picart, 2020-11-18 *Monsters Law Crime* an edited collection composed of essays written by prominent U S and international experts in Law Criminology Sociology Anthropology Communication and Film constitutes a rigorous attempt to explore fertile interdisciplinary inquiries into monsters and monster talk and law and crime This edited collection explores and updates contemporary discussions of the emergent and evolving frontiers of

monster theory in relation to cutting edge research on law and crime as extensions of a Gothic Criminology This theoretical framework was initially developed by Caroline Joan Kay S Picart a Philosophy and Film professor turned Attorney and Law professor and Cecil Greek a Sociologist Picart and Greek 2008 Picart and Greek proposed a Gothic Criminology to analyze the fertile synapses connecting the real and the reel in the flow of Gothic metaphors and narratives that abound around criminological phenomena that populate not only popular culture but also academic and public policy discourses Picart s edited collection adapts the framework to focus predominantly on law and the social sciences [A Psychologist's Casebook of Crime](#) Belinda Winder, Philip Banyard, 2017-09-16 From burglary to stalking A Psychologist s Casebook of Crime is the indispensable book for forensic psychology students It tackles a wide range of offences such as arson domestic violence terrorism and murder and its A to Z format provides all of the important information in a readily accessible way Its chapter structure allows you to compare different crimes according to facts figures and typical offender profiles while providing fascinating case studies and a psychological perspective specific to each crime With contributions from authors who are experts in their field this innovative text provides an up to date review of how forensic psychologists think about and deal with a variety of crimes This accessible student friendly book is the perfect accompaniment for anyone wishing to learn more about forensic psychology *Criminology of Homicidal Poisoning* Michael Farrell, 2017-06-24 This book provides an overview of historical and contemporary cases of homicidal poisoning While homicidal poisoning is sometimes thought of as a thing of the past it continues to be a contemporary problem and in fact the unknown offender rate for poisoning cases is 20 30 times that of other homicide types in contemporary research and many poisoners commit serial homicides while going undetected The author of this important and timely work explores the theoretical bases for understanding homicidal poisoning the nature of poisons used in homicidal cases the characteristics of poisoners and their victims and techniques for detection and prevention This unique book will be of particular interest to students of criminology classes dealing with criminal psychology and murder investigation students of the history of crime criminal justice professionals attorneys homicide detectives forensic pathologists forensic and clinical toxicologists and other forensic investigators and all interested in poisons poisoners and the detection of poisoning It has relevance to criminology law and policing toxicology and forensic science the history of crime and detection and criminal psychology Endorsements A most welcomed addition to the important subject of the criminal poisoner The author has done a fantastic job of researching the world literature and distilling it down for the reader The work is very well referenced and provides critical information for law enforcement forensic pathologists and others that could be dealing with the criminal poisoner John H Trestrail III Toxicologist Los Lunas New Mexico USA Dr Michael Farrell has produced a comprehensive and authoritative work on a most serious but often overlooked aspect of criminal assault the act of poisoning In the *Criminology of Homicidal Poisoning* Farrell seamlessly weaves together the facts about poisons and their use as an instrument of homicide with the context of the larger issue of murder By examining the

poisoner and the victim the reader is provided a depth of understanding about how a deadly outcome arose and why the choice was made to employ poison to get the grisly job done With criminal homicide by poisoning making up a small percentage of known crimes the danger of insufficient scholarly attention is present Dr Michael Farrell makes a significant contribution to ensure against this potential As a homicide researcher I know Criminology of Homicidal Poisoning will join the works I turn to in understanding the nuances of the how and why of homicide Dr Richard M Hough Sr Criminology and Criminal Justice and Public Administration Program Coordinator University of West Florida US This comprehensive text links forensic toxicology with criminology making a solid contribution to both fields Farrell not only describes how homicidal poisoning fits the most popular criminological theories for why people kill but also examines the nature and lethality of various poisons identifies trends in poisoning provides a history and shows offender traits and victim characteristics In addition he discusses issues for investigators and prosecutors who will be taking a poisoning case to trial Katherine Ramsland Professor of forensic psychology at DeSales University Pennsylvania Psychology Today div

A Fiery & Furious People James Sharpe, 2016-09-08 Chosen as a Book of the Year by The Times History Today and the Sunday Telegraph Wonderfully entertaining comprehensive and astute The Times Genuinely hard to put down BBC History Magazine From murder to duelling highway robbery to mugging the darker side of English life explored Spanning some seven centuries A Fiery Furious People traces the subtle shifts that have taken place both in the nature of violence and in people's attitudes to it How could football be regarded at one moment as a raucous pastime that should be banned and the next as a respectable sport that should be encouraged When did the serial killer first make an appearance What gave rise to particular types of violent criminal medieval outlaws Victorian garroters and what made them dwindle and then vanish Above all Professor James Sharpe hones in on a single fascinating question has the country that has experienced so much turmoil naturally prone to violence or are we in fact becoming a gentler nation Wonderful A fascinating and rare example of a beautifully crafted scholarly work Times Higher Education Sweeping and ambitious A humane and clear-eyed guide to a series of intractable and timely questions Observer Deeply researched thoughtfully considered and vividly written Read it History Today Magisterial The outlaw's song has surely never been better rendered Times Literary Supplement

Mary Ann Cotton David Wilson, 2013-02-01 This book was the inspiration for the ITV drama Dark Angel As one of the UK's leading commentators David Wilson shows how some serial killers stay in the headlines whilst others rapidly become invisible or unseen Yet Mary Ann Cotton is not just the first but perhaps the 1st's most prolific female serial killer with more victims than Myra Hindley Rosemary West Beverly Allitt or male predators such as Jack the Ripper and Dennis Nilsen But her own north east of England and criminologists apart she remains largely forgotten despite poisoning to death up to 21 victims in Britain's arsenic century Exploding myths that every serial killer is a monster the author draws attention to Cotton's charms allure capability skill and ambition drawing parallels or contrasting the methods and lifestyles of other serial killers from Victorian to modern times He

also shows how events cannot be separated from their social context here the industrial revolution growing mobility women s emancipation and greater assertiveness And concerning the reticence of human nature like Dr Harold Shipman Cotton was allowed to go on killing despite reasons to suspect her The book contains other resonances to aid understanding of how serial murderers can go undiscovered despite such things as coincidence gossip whispers or motives that become more obvious with the benefit of hindsight It is also a detective story in which the persistence of a single individual saw Cotton tried and executed events analysed first hand from the archives and location visits as the author fills the gaps in a remarkable story By a leading expert on serial killers Meticulously researched and highly readable Fresh interpretations mean this book is destined to be the definitive title on Mary Ann Cotton An enthralling read David Wilson does not write generic true crime but history of the highest order Judith Flanders best selling author journalist and historian David Wilson is Professor of Criminology and Director of the Centre for Applied Criminology at Birmingham City University An ex prison governor he has broadcast for the BBC Channel 4 Sky and Channel 5 where he presents Killers Behind Bars His books include Serial Killers Hunting Britons and Their Victims 1960 2006 2007 and Looking for Laura Public Criminology and Hot News 2011 *The Killer of the Princes in the Tower* M. J. Trow, 2021-06-09 A new investigation into the most infamous crime of the Middle Ages the supposed murders of Edward V and his brother Richard of York in the 15th century The disappearance of two boys during the summer of 1483 has never been satisfactorily explained They were Edward Prince of Wales nearly thirteen at the time and his brother Richard of York nearly ten With their father Edward IV dying suddenly at forty both boys had been catapulted into the spotlight of fifteenth century politics which was at once bloody and unpredictable Over the past 500 years three men in particular have been accused of the boys murders Richard of Gloucester Henry Tudor Earl of Richmond and Henry Stafford Duke of Buckingham Thanks to the work of the hack historians who wrote for Henry VII the first Tudor generations grew up believing that the boys were murdered and that the guilty party was their wicked uncle Richard who crowned himself King of England in July 1483 at which time the boys were effectively prisoners in the Tower of London After that there was no further sign of them This book takes a different approach the first to follow this particular line of enquiry It is written as a police procedural weighing up the historical evidence without being shackled to a particular camp The supposition has always been made that the boys were murdered for political reasons But what if that is incorrect What if they died for other reasons entirely What if their killer had nothing to gain politically from their deaths at all And even more fascinatingly what if the princes in the Tower were not the only victims
