Barclay, 2012-02-16 THE ELVES ARE ENSLAVED Calaius is occupied by an implacable relentless enemy The great elven cities are little more than prison camps Elven slaves are forced to destroy their beloved rainforest to harvest timber for their masters The enemy has no mercy no honour and little skill in battle The enemy is Man Those few elves who remain free are fragmented in squabbling factions and they must unite before they can take a stand against Man Many believe that the battle is already lost but Aum is not one of them He knows Men's numbers are great but their tactics are weak he knows Men think the Elves are already beaten he is convinced that his people must fight now or see their race destroyed Takaar disagrees He believes Elven salvation lies in unlocking their magic not in fighting pitched battles against Man He is determined to save his people too but his tactics are entirely different and if some Elves must die now to ensure Calaius will be free of Man in the future it's a sacrifice he is willing to make The Elves must choose their sides Whatever they decide victory will win their freedom and failure will mean extermination

Shout For The Dead James Barclay, 2009-12-10 In

THE CRY OF THE NEWBORN we were introduced to four teenagers each of whom had nature at their command They became the pawns in the struggle of the Estorean empire to survive Through them their world discovered magic and we were drawn into a superb new epic fantasy that for the first time told the story of what happens when magic arrives in a previously non magical world Now ten years have passed and Estorea is consumed by war and the four ascendants have chosen different sides in the conflict As the armies muster and the final conflict draws close the ascendants are only now coming to their full power and soon summoned armies of the dead will march against the living This is epic fantasy full of fallible characters political machinations betrayal and bloody battles It combines vivid storytelling with an original theme in a popular sub genre and shows Barclay to be a writer who is getting better with every book and who is truly comfortable with epic scale
