Eliot's Reflective Journey To The Garden:

Eliot's Reflective Journey to the Garden, **Eliot's Reflective Journey to the Garden, by Marion Montgomery** Whitston Publishing Company, 1979 This study is a study of Eliot's poetry with emphasis on the Four Quartets and is concerned with his attempt to come to terms with the personal so that neither art nor person is sacrificed *Bergson, Eliot, and American Literature* Paul Douglass, 2014-07-15 Until now Bergson's widely acknowledged impact on American literature has never been comprehensively mapped Author Paul Douglass explains and evaluates Bergson's meaning for American writers beginning with Eliot and moving through Ransom Penn Warren and Tate to Faulkner Wallace Stevens Henry Miller William Carlos Williams and others It will be a standard point of reference Bergson was the continental philosopher of the early 1900s a celebrity as Sartre would later be Profoundly influential throughout Europe and widely discussed in England and America in the Teens Twenties and Thirties Bergson is now rarely read His current obsolescence Douglass argues illuminates the Western shift from Modern to post Modern Ambitious in scope this book remains admirably close to Bergson himself what he said where that fits in the historical context of philosophy why his ideas moved across the Atlantic and how he affected American writers At the book's heart are readings of Eliot's criticism and poetry analyses of Faulkner's *The Sound and the Fury* and *Light in August* and evaluations of Ransom's Tate's and Penn Warren's criticism This impressively researched and beautifully written study will remain of lasting value to students of American literature *Possum, and Other Receipts for the Recovery of "Southern" Being* Marion Montgomery, 2008-10 In this volume Marion Montgomery ponders two very different varieties of possum as the starting point for a literary philosophical and poetic inquiry into the nature of Southernness the familiar marsupial and the first person singular present of the Latin verb posse rendered as I am able *The Reason in a Storm* Geoffrey Bernard Williams, 1991 This book shows that T S Eliot working in the romantic tradition deliberately uses ambiguity in language to manifest the realm of ultimate reality He maintains this technique first to create moments of unmediated experience in his early poetry and in his later poetry to express the transcendent in time No other study has explicitly dealt with Eliot's use of ambiguity and its significance in relating Eliot to romanticism and postmodern practices of deconstruction In this study Eliot is shown to be a significant link overlooked until now between tradition and the contemporary fracturing of tradition

Romantic Confusions of the Good Marion Montgomery, 1997 With special attention to the Romantic poets from Wordsworth and Coleridge down to Pound and Eliot distinguished scholar Marion Montgomery explores the disorientation of image and metaphor from reality The book focuses on the virtues and limits of the intuitive intellect as they are explicated by Thomas Aquinas in relational intellect and the Romantic poet's dependence upon the intuitive and rational modes of intellectual action two species of romanticism centering in presumptuous autonomy emerge that of the poet and that of the scientist **On Matters Southern** Marion Montgomery, 2005-09-05 Marion Montgomery family man citizen professor

alienation are seen to extend at least as far back as Dante who is the first poet to choose the ego as a focus for poetry of epic dimensions In the course of the study Montgomery considers the growing emphasis upon the self's becoming the focus of poetry until this shift culminated in the literature of the most autobiographical century in western letters the twentieth Dante Wordsworth and Eliot are discussed at length individually and in relation to one another as principal instances of the reflective poet The critic also considers other illustrative figures such as Milton Coleridge Keats Whitman Pound Joyce and Hemingway These and other writers have traveled along the romantic road anticipated by The Divine Comedy Finally the author suggests the road may end in a labyrinth so far as the contemporary writer is concerned In his increasing concern with the problems of the self and of the mind the poet has been forced to invent new modes and techniques which as the author demonstrates grow out of his response to the psychological and metaphysical preoccupations of his age
