Elisabeth Samson, Forbidden Bride Carolyn V. Hamilton, 2020-05-29 In the 18th century Dutch plantation colony of Suriname where wealth is measured by the number of slaves one owns the educated Free Negress Elisabeth Samson owner of several flourishing coffee plantations desires the one thing her wealth cannot buy a legal marriage with her consort a white colonial officer But can she overcome the strict Dutch laws forbidding marriage between black and white against the powerful forces of the colonial Governor the white planters who make up the Court of Justice and the Society of Suriname who covet her property call her whore and accuse her of treason     The Free Negress Elisabeth Cynthia McLeod, 2008 She was an 18th century black Surinamese woman worth millions of dollars But she sought the forbidden to marry a white man Why when she already had so much Elisabeth Samson's immense wealth puzzled many early historians who concluded that it could only have been the result of an inheritance from a master with whom she had lived and by whom she had been set free After all how could a woman during a period of slavery and institutionalised discrimination have accumulated so much wealth And why then was she so eager to marry a white man in a time when whites established their own rules and standards for all The novel is set in eighteenth century Dutch Guiana Suriname where it was not unusual for a white man to solicit black women Instead we remain intrigued with this mysterious fascinating and intelligent black woman's dream of marrying a white man in defiance of all norms and conventions to gain the acceptance she craves in Dutch colonial society BOOK
