Elite Dualism And Leadership Selection In China:

Elite Dualism and Leadership Selection in China Xiaowei Zang, 2004-03-01 Who are the top political leaders in China What are the major criteria in elite recruitment How is job promotion in high politics determined By studying over one and a half thousand top political Chinese leaders this book seeks to answer these questions and as a result defines how Chinese leadership is stratified Unlike existing research on Chinese leaders *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party CCP and the government in governance leading to two distinctive career paths in the two political systems respectively Key issues examined include the different criteria the CCP and the government demand the requirements for promotion the effect of university education on the rate of mobility the different affiliations of the two groups the role of cooptation in leadership selection Many of the elites discussed are still leading figures in China making this book the most up to date and extensive biographical data set in elite studies This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers political commentators statesmen and China watchers

Elite Dualism and Leadership Selection in China Xiaowei Zang, 2004-03-01 Who are the top political leaders in China What are the major criteria in elite recruitment How is job promotion in high politics determined By studying over one and a half thousand top political Chinese leaders this book seeks to answer these questions and as a result defines how Chinese leadership is stratified Unlike existing research on Chinese leaders *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party CCP and the government in governance leading to two distinctive career paths in the two political systems respectively Key issues examined include the different criteria the CCP and the government demand the requirements for promotion the effect of university education on the rate of mobility the different affiliations of the two groups the role of cooptation in leadership selection Many of the elites discussed are still leading figures in China making this book the most up to date and extensive biographical data set in elite studies This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers political commentators statesmen and China watchers

Elites and Governance in China Xiaowei Zang, Chien-wen Kou, 2013-09-13 This book reveals the complex relationship between elite perceptions and behaviour and governance in China It moves away from existing scholarship by focusing on functionaries grass roots elites leading intellectuals and opinion makers in China and by looking beyond the top leadership makes a significant contribution to our understanding of shared governance and broadened political participation in China The chapters in this collection explore the elites role as opinion makers technical experts

producers of knowledge and executives or managers and pose a number of questions the answers to which are crucial to understanding future political and economic development in China What are elite perceptions of governance inequality and justice what do the elites mean by good governance what is the influence of non Chinese Communist Party elites in policy making and implementation in China how have they exerted their influence in the PRC and influenced its direction of future development and what have grass roots elites contributed to governance in local communities Providing a keen insight into the role elites have played in governing China since 1978 this book is a pioneering effort to bring together elite studies and governance studies As such it will be highly relevant for policy makers within international organizations governments and NGOs outside China as well as appealing to scholars and students interested in Chinese politics and governance

Choosing China's Leaders Chien-wen Kou,Xiaowei Zang,2013-10-08 Political elites are a key topic in contemporary China studies and have been investigated in relation to factional politics generation politics technocracy and crucially institutionalization The institutionalization of elite replacement began in China in the 1980s and quickly accelerated after the early 1990s as mechanisms emerged to regulate political elites entry and exit including age limits term limits and step by step promotion By examining the various processes of elite selection this book explores the role played by institutionalization in elite recruitment promotion and turnover in China While existing studies have developed our understanding of Chinese elite politics two key puzzles regarding institutionalisation remain Although institutionalisation is recognised as an important trend in Chinese politics there is as yet no theoretical framework to explain the forces that have brought about and sustained this Further it is unclear how the process of institutionalisation has impacted on factional politics and how factions would continue to operate within the parameters of formal politics Drawing on a wide range of studies this book looks at Politburo members senior People s Liberation Army officers provincial leaders heads of major central state owned enterprises and Youth League affiliates to provide a comprehensive understanding of elite recruitment and mobility in contemporary China This book will be of great interests to students and scholars of Chinese politics and government Chinese studies and Asian politics more broadly

Translocal China Tim Oakes,Louisa Schein,2006-08-21 Inter disciplinary in approach this collection of essays explores China s reform era development within the concept of translocality A key element of spatial change in today s China has been the unprecedented geographic mobility of millions of labour migrants tourists brides entrepreneurs and many others But translocality doesn t just mean people It is crucially constituted by the circulation of capital ideas images goods styles services and disease to name but a few With contributions from well respected China specialists the essays focus simultaneously on mobilities and localities drawing our attention to the multiplying forms of mobility in China whilst retaining the importance of localities in people s lives The book provides a clear path to understanding the importance of translocality as a concept along with concrete examples of its operation in China Unique in approach it is at once a study of the connections between location and culture politics economics bodies gender and

technology **Locating China** Jing Wang, 2007-05-07 Taking a multidisciplinary approach this volume examines the relationship between space and the production of local popular culture in contemporary China The international team of contributors examine the inter relationship between the cultural imaginary of a given place and China's continuing drive towards urbanization This has led to the development of new spaces and places and new forms of spatial practices that destabilize old concepts of the local and locality Delivering ethnographic observations and theoretical speculations this work furthers our understanding of the link between spatial thinking and the production of consumer culture in China

Historical Dictionary of the Chinese Communist Party Lawrence R. Sullivan, 2021-12-15 Covering the years 1921 to 2021 this Dictionary reviews the major events leaders ideologies and policies of the Chinese Communist Party CCP Topics range from the accomplishments of the CCP most notably the establishment of the People's Republic of China PRC in 1949 and economic growth and prosperity beginning in 1978 79 to the major disasters of the Great Leap Forward 1958 60 and the Cultural Revolution 1966 76 under the leadership of Chairman Mao Zedong 1943 76 Historical Dictionary of the Chinese Communist Party Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 400 cross referenced entries on key people places and institutions This book is an excellent resource for students researchers and anyone wanting to know more about the Chinese Communist Party **Marketization and**

Democracy in China Jianjun Zhang, 2008-02-25 Pt 1 Development patterns and the evolution of property rights pt 2 Class structure and elite relations pt 3 Political consequences **Rural Policy Implementation in Contemporary China** Anna Ahlers, 2014-01-10 At the turn of the millennium the disparities between rural and urban livelihoods underdevelopment and administrative shortcomings in the Chinese countryside were increasingly seen as posing a manifest threat to social harmony and economic and political stability At that time the term three rural problems sannong wenti was coined which defined the main issues of rural life that needed to be targeted by government action agriculture nongye villages nongcun and farmers nongmin In turn with the launch of the 11th Five Year Plan in 2006 a pledge was made to shift the focus of developmental efforts to the long neglected countryside which is still home to half of the Chinese population This book presents an analysis of adaptive local policy implementation in China in the context of the Building of a New Socialist Countryside BNSC policy framework Based on intensive field work in four counties in Fujian Jiangxi Shaanxi and Zhejiang Provinces between 2008 and 2011 it offers detailed analyses of the form and impact of county governments strategic agency at certain stages and within certain fields of the implementation process for example the design of local BNSC programs the steering of project funding implementation and evaluation the establishment of model villages and the management of public participation Further this study illustrates that BNSC is far more than the empty slogan described by many observers when it was launched in 2005 2006 Instead it has already brought about considerable shifts in terms of the process and outcomes of rural policy implementation Altogether the results of this research challenge existing paradigms by showing how against the background

of contemporary approaches to rural development and recent reforms initiated by the central state local bureaucracies strategic agency can actually push forward effective albeit not necessarily optimal policy implementation to some extent which serves the interests of central authorities local implementors and rural residents By tying into the larger debates on China's state capacity and authoritarian adaptability this book enriches our understanding of the inner workings of the Chinese political system As such it will prove invaluable to students and scholars of Chinese politics public policy and development studies more generally

Rise of the Red Engineers Joel Andreas, 2009-03-10 *Rise of the Red Engineers* explains the tumultuous origins of the class of technocratic officials who rule China today In a fascinating account author Joel Andreas chronicles how two mutually hostile groups the poorly educated peasant revolutionaries who seized power in 1949 and China's old educated elite coalesced to form a new dominant class After dispossessing the country's propertied classes Mao and the Communist Party took radical measures to eliminate class distinctions based on education aggravating antagonisms between the new political and old cultural elites Ultimately however Mao's attacks on both groups during the Cultural Revolution spurred inter elite unity paving the way after his death for the consolidation of a new class that combined their political and cultural resources This story is told through a case study of Tsinghua University which as China's premier school of technology was at the epicenter of these conflicts and became the party's preferred training ground for technocrats including many of China's current leaders

The China Model Daniel A. Bell, 2016-09-06 How China's political model could prove to be a viable alternative to Western democracy Westerners tend to divide the political world into good democracies and bad authoritarian regimes But the Chinese political model does not fit neatly in either category Over the past three decades China has evolved a political system that can best be described as political meritocracy The China Model seeks to understand the ideals and the reality of this unique political system How do the ideals of political meritocracy set the standard for evaluating political progress and regress in China How can China avoid the disadvantages of political meritocracy And how can political meritocracy best be combined with democracy Daniel Bell answers these questions and more Opening with a critique of one person one vote as a way of choosing top leaders Bell argues that Chinese style political meritocracy can help to remedy the key flaws of electoral democracy He discusses the advantages and pitfalls of political meritocracy distinguishes between different ways of combining meritocracy and democracy and argues that China has evolved a model of democratic meritocracy that is morally desirable and politically stable Bell summarizes and evaluates the China model meritocracy at the top experimentation in the middle and democracy at the bottom and its implications for the rest of the world A timely and original book that will stir up interest and debate The China Model looks at a political system that not only has had a long history in China but could prove to be the most important political development of the twenty first century

China's 'Peaceful Rise' in the 21st Century Sujian Guo, 2016-12-05 China's rapid development has attracted worldwide attention in recent years The implications of China's rise from its expanding influence and military muscle to its

growing demand for energy supplies are heatedly debated in the international community Jintao's officially proposed concept of peaceful development has become the underlying principle behind Chinese foreign policy under the fourth generation leadership However is peaceful development possible in the broad context of domestic and international development This comprehensive and timely study examines the conditions and challenges of China's peaceful rise and addresses the central question of whether it is possible for China to rise peacefully in the 21st century bearing in mind the implications for China and the rest of the world It is ideal as a supplementary course book in foreign policy Asian politics and development

Unequal China Wanning Sun, Yingjie Guo, 2013 Economic development and a dramatic improvement in living standards in many parts of the People's Republic of China during the past three decades of economic reforms have been hailed by the Chinese Communist Party and many commentators in the international arena as the most spectacular achievements in the history of humanity However three decades of economic reforms have also transformed China from one of the world's most egalitarian societies into one of the most unequal This book offers a comprehensive account of inequality in China from an interdisciplinary perspective It both draws on and speaks to the existing body of literature that is generated mainly in the fields of economics and sociology while extending its scope to also examine the political social moral and cultural dimensions of inequality Each chapter addresses the question of inequality from a specific context of research including housing health care social welfare education migration land distribution law gender and sexuality Moving beyond traditional socio economic theories the contributors to this volume explore a wide range of social political economic and cultural practices that result from as well as further entrench the inequalities in Chinese society Importantly the essays in *Unequal China* probe the hidden causes of inequality namely the role of state power and the importance of culture and underline how both state power and cultural factors have a key part to play in legitimating inequality With an innovative approach that moves beyond the economic and sociological roots of inequality in China this volume is a welcome addition to what is a growing field of study and will appeal to students and scholars interested in Chinese culture and society Chinese politics and Asian social policy

China's Governmentalities Elaine Jeffreys, 2009-09-10 Contributes to emerging studies of governmentality in non western and non liberal settings by showing how neoliberal discourses on governance development education the environment community religion and sexual health have been raised in other contexts This book opens discussions of governmentality to other worlds and the global politics of the present

The Chinese Communist Party as Organizational Emperor Zheng Yongnian, 2009-12-16 The Chinese Communist Party CCP is one of the largest and most powerful political organizations and China's rapid rise has allowed CCP to extend its influence throughout the globe This book explores the CCP transformation as a form of organizational emperor and its ability to survive potential democracy

Incentivized Development in China David J. Bulman, 2016-10-18 County level fieldwork and unique data demonstrate how leadership and career incentives explain regional variation in China's economic development

China's Thought

Management Anne-Marie Brady, 2012-02-06 China's Thought Management argues that by re-emphasizing and modernizing propaganda and thought work since 1989 the CCP has managed to overcome a succession of local and national level crises the Tiananmen Square protests of 1989 the impact of the collapse Socialism in the Eastern bloc SARS ethnic clashes in Tibet and Xinjiang to name but a few emerging re-strengthened and as dominant in Chinese society as ever The contributors to this book address such crucial issues as the new emphasis on economic propaganda the continued importance of the PLA propaganda system in China's overall propaganda work and political stability how the CCP uses Confucianism in its foreign and domestic propaganda and new approaches to mass persuasion such as campaigns of mass distraction Each chapter is a case study of the multiple ways in which the CCP has modified and adjusted its propaganda to reflect China's changed economic and political environment Challenging readers to reconceptualise mainstream understandings of the CCP's hold on power and the means the CCP government adopts to maintain its authority to rule this book will be invaluable reading for anyone interested in the Chinese media and Chinese politics

Small Town China Beatriz Carrillo Garcia, 2011-04-19 While much has been written about rural migrant workers' experiences in the big cities population movements into China's vast network of towns and small cities has been largely neglected This book presents a detailed case study of rural migrant workers' experiences in a small town in a north China county The author explores the processes and institutions that enable or preclude the social inclusion of rural workers into the town's socio-economic system Inclusion and exclusion are assessed through an examination of rural workers' immersion into the urban labour market their access to welfare benefits and to social services such as housing education and health The book proposes that outside the larger cities there are alternative accounts of urban social change and of the integration of rural migrant workers It stresses the fact that the particular socio-economic structure of towns where the state-owned share of the economy has been smaller and where consequently social and private forces have been more active allowed for a more open inclusion of rural workers Though shortcomings are still observed the book suggests that China's transformation may not necessarily result in dysfunctional and socially polarized urban environments This book will be of interest to students and scholars of China's rural migrant workers bottom up urbanization and small town development social policy and more broadly on contemporary social change in China

Young Chinese in Urban China Alex Cockain, 2012 This book examines the condition of being a young person in China and the way in which changes in various dimensions of urban life have affected Chinese youths' quests to understand themselves The author examines social factors such as changes in the physical construction of urban neighbourhoods changes in family life including reduced family size increasing rates of divorce and increased physical mobility of the family unit school life and mounting pressure to perform well in examinations and be a good student access to foreign and domestic media as well as access to the internet Drawing on the fields of social and cultural anthropology Alex Cockain shows that the process of self-understanding in a changing spatial social and cultural world involves ongoing disjointed efforts to achieve a sense of

security and belonging on the one hand and a degree of increased autonomy in their relationships with for example parents and teachers on the other This book will appeal to anyone interested in Chinese Society Social and Cultural Anthropology Asian Anthropology and Youth Studies **China's Cotton Industry** Björn Alpermann, 2010-04-05 This book examines the political economy of the cotton processing industry analyzes the process of cotton policy making and looks at how local governments and the former monopolist cope with the changes brought about by marketization

Elite Dualism And Leadership Selection In China Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Elite Dualism And Leadership Selection In China free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Elite Dualism And Leadership Selection In China free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Elite Dualism And Leadership Selection In China free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Elite Dualism And Leadership Selection In China. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Elite Dualism And Leadership Selection In China any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Elite Dualism And Leadership Selection In China Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elite Dualism And Leadership Selection In China is one of the best book in our library for free trial. We provide copy of Elite Dualism And Leadership Selection In China in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elite Dualism And Leadership Selection In China. Where to download Elite Dualism And Leadership Selection In China online for free? Are you looking for Elite Dualism And Leadership Selection In China PDF? This is definitely going to save you time and cash in something you should think about.
