Elizabeth Dole:

Elizabeth Hanford Dole Molly M. Wertheimer, Nichola D. Gutgold, 2004-12-30 As a politician what you say and how you say it is almost as important as what you do Political careers are made based not only on substantive achievements but also on style presentation speeches and debates Dole is no exception After a career in government service spanning six presidents from Lyndon B Johnson to George H W Bush she became widely recognized as a leading Republican politician in her own right after her 1996 speech at the GOP convention In 1999 she spent six months campaigning for president before dropping out of the race due to a lack of adequate funds and in 2002 she was elected U S Senator from North Carolina In this biography of Dole the authors show how she has been able to advance the causes she cares about as well as her political career through her consummate skills as a public speaker Dole's career included service in two cabinets as Secretary of Transportation Reagan and Secretary of Labor Bush and she also served as president of the American Red Cross The authors quote liberally from her speeches and interviews to illustrate the events of her political career and to place her choices personal career and political in the context of the times and places in which she grew up and came of age Her trajectory from Southern belle debutante to Harvard Law School student and from political wife to presidential candidate and U S senator is fascinating and the deftness with which she has been able to deflect the criticisms thrown her way is instructive for women of both political parties and for politicians of both genders

Elizabeth Dole Eileen Lucas, 1998 This is a biography of Elizabeth Hanford Dole who served as Secretary of Transportation and is now president of the American Red Cross

Elizabeth Dole Dana Meachen Rau, 2007-07 A biography of Elizabeth Dole who held the posts of U S Senator U S Secretary of Transportation U S Secretary of Labor and President of the American Red Cross

The Style and Rhetoric of Elizabeth Dole Rachel B. Friedman, Ronald E. Lee, 2013-12-18 This book analyses the public discourse of Elizabeth Dole It explores the way in which this trail blazing public figure navigated the double binds that confront women who obtain and exercise political power The text argues that Dole crafted a conservative feminine persona in which she depicted herself as a selfless public servant This sense of servant was defined through Dole's appeal to the transcendent moral purposes of Christianity She used this image to great effect in her most noteworthy public addresses especially her 1996 Republican National Convention speech in support of her husband's presidential campaign In her 2008 unsuccessful North Carolina U S Senate reelection campaign Elizabeth Dole's political style unraveled in the face of a series of effective attacks by her opponent Kay Hagan and her own desperate rhetorical appeals to stave off defeat

She used this image to great effect in her most noteworthy public addresses especially her 1996 Republican National Convention speech in support of her husband's presidential campaign In her 2008 unsuccessful North Carolina U S Senate reelection campaign Elizabeth Dole's political style unraveled in the face of a series of effective attacks by her opponent Kay Hagan and her own desperate rhetorical appeals to stave off defeat **Elizabeth Dole** Eileen Lucas,1999-01-01 Biography of the government official married to Senator Robert Dole who has become a political candidate in her own right Gateway Biographies **The Making of the Supply Chain** Remko van Hoek,2024-09-15 In The Making of the Supply Chain Remko van Hoek explores the stories of five very different supply chain pioneers George Stephenson Henry Ford George Lauer Elizabeth Dole and J B Hunt to demonstrate how innovations in supply chain management have changed the world by reshaping how we obtain our products and services Van Hoek reflects on these leaders seminal achievements in supply chain management relates their breakthroughs to current best practices and opportunities for the future and chronicles how other leaders have converted lessons from these Hall of Famers into new breakthroughs Informed by his work with the Council of Supply Chain Management Professionals CSCMP Supply Chain Hall of Fame Van Hoek presents these inspiring stories in an engaging and highly accessible style *Gender and the American Presidency* Theodore F. Sheckels,Nichola D. Gutgold,Diana B. Carlin,2012-03-08 In Gender and the American Presidency Nine Presidential Women and the Barriers They Faced Theodore F Sheckels Nichola D Gutgold and Diana Bartelli Carlin invite the audience to consider women qualified enough to be president and explores reasons why they have been dismissed as presidential contenders This analysis profiles key presidential contenders including Barbara Mikulski Nancy Pelosi Nancy Kassebaum Kathleen Sebelius Christine Gregoire Linda Lingle Elizabeth Dole Dianne Feinstein and Olympia Snowe Gender barriers media coverage communication style geography and other factors are examined to determine why these seemingly qualified powerful politicians failed to win the White House Watch the authors discuss gender and American politics on CSPAN's BookTV **Still Paving the Way for Madam President** Nichola D. Gutgold,2017-05-24 When Madam President moves into the Oval Office of the White House she will share a path that several women have helped to pave Often left off the history pages and out of the minds of many Americans are the presidential bids of several women Margaret Chase Smith 1964 Shirley Chisholm 1972 Patricia Schroeder 1988 Elizabeth Dole 2000 Carol Moseley Braun 2004 and Hillary Clinton 2008 2016 Still Paving the Way for Madam President shows the progress women candidates have made as they have moved from symbolic candidates to viable candidates and in 2016 the Democratic nominee This study shines a light on the persistent obstacles that face women candidates and offers insight into what it will take to finally shatter the seemingly impenetrable political glass ceiling Paving the Way for Madam President Nichola D. Gutgold,2006-01-01 This book chronicles the lives communication styles and presidential bids of five remarkable women_Margaret Chase Smith Shirley Chisholm Patricia Schroeder Elizabeth Dole and Carol Moseley Braun_while also addressing the obstacles and opportunities for women as presidential contenders

We Gather Together Neil J. Young, 2015-10-01 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years

US Politics, Propaganda and the Afghan Mujahedeen: Domestic Politics and the Afghan War Jacqueline Fitzgibbon, 2020-04-02 Influential fundraising groups and senators in the US made enormous efforts in the First Afghan War to present the Mujahedeen as freedom fighters even while the CIA secretly armed them with surface to air missiles and other weapons A mass propaganda effort was launched aimed at portraying parts of Afghanistan as victims of communist aggression As we know now many of those groups that were armed became the seedbeds for organisations like Al Qaeda Dr Jacqueline Fitzgibbon through a forensic investigation of the American PR of the period argues that this militarised and fractured Afghan society for a generation partly resulting in the mess today This book will look specifically at the American efforts to suppress any reports which showed these forces as anti western or anti American values and instead to portray the arming of partisan groups often an extremely dangerous course of action as an example of American values in action

Telling Political Lives Brenda DeVore Marshall, Molly A. Mayhead, 2008-06-24 This book investigates the autobiographical writings of Barbara Jordan Patricia Schroeder Geraldine Ferraro Elizabeth Dole Wilma Mankiller Hillary Rodham Clinton Madeleine Albright and Christine Todd Whitman These eight women represent the diversity that permeates the cultural backgrounds life adventures and ideologies women bring to the political table From differences in race class and geographic location to variations in personal and family experiences religious beliefs and political ideology these women illustrate many of the divergent standpoints from which women craft their lives in the United States Each essay focuses on the autobiographical text as political discourse and therefore as an appropriate site for the rhetorical construction of a personal and civic self situated within local and national political communities The collection examines issues such as the intersection between the politicization of the private and the personalization of the public evident in the women s narratives the description of U S politics the women provide in their writings the ways in which the women s personal stories craft arguments about their political ideologies the strategies these women leaders employ in navigating the gendered double binds of politics and the manner in which the women s discourse serves to encourage instruct and empower future women leaders The analyses embody and explicate the political and rhetorical strategies these leaders employ in their efforts to act on their convictions highlight the need for and reality of

women's involvement in all levels of politics and serve as an impetus and inspiration for scholars and activists alike The Manipulated Path to the White House Robert D. Loevy, 1998 This book takes the reader through the intricate process by which the United States chooses its President All aspects of the 1996 presidential election are covered from the first primary election votes cast in New Hampshire to the fun and excitement at the two national conventions to the presidential candidate debates to President Bill Clinton's final victory over Senator Bob Dole on Election Day Particular attention is paid to the campaign finance scandals which dominated the last three weeks of the 1996 presidential campaign The book then offers a series of realistic and achievable reforms designed to make presidential elections less manipulative and more fair to voters

The Political Consequences of Motherhood Jill Greenlee, 2014-05-08 From civically and politically engaged women linking their identity as mothers to their fight for prohibition public sanitation and protective labor laws to the general call to arms of mama grizzlies issued by Sarah Palin in 2010 American political activists and candidates have used motherhood to rally women's interest support and participation throughout American history Politicized motherhood persists and motherhood continues to inspire women's participation and direct their concerns In *The Political Consequences of Motherhood* Jill S Greenlee investigates the complex relationship between motherhood and women's political attitudes Combining a historical overview of the ways motherhood has been used for political purposes with recent political opinion surveys and individual level analysis she explains how and when motherhood shapes women's thoughts and preferences Greenlee argues that two mechanisms account for the durability of motherhood politics First women experience attitudinal shifts when they become mothers Second mother is a broad based identity widely shared and ideologically unconstrained that lends itself to appeals across the political spectrum to build support for candidates and policy issues Governing Codes Karrin Vasby Anderson, Kristina K. Horn Sheeler, 2005-01-01 *Governing Codes* examines the political identity of four contemporary U S political figures Democrats Ann Richards and Hillary Rodham Clinton and Republicans Christine Todd Whitman and Elizabeth Dole illustrating how metaphor plays a central role in the construction of public identity in U S politics Anderson and Sheeler analyze how familiar narratives and stereotypes about women and power often govern media portrayals of public women containing and constraining them but also how these women mine the metaphorical landscape for rhetorical strategies they can use to accomplish their pragmatic goals Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20 *Women in American Politics* is a new reference detailing the milestones and trends in women's political participation in the United States This two volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities It offers insightful analysis on women's political achievements in the United States including such topics as the campaign to secure nation wide suffrage pioneer women state officeholders women first elected to U S Congress governorships mayoralties and other offices and women first appointed as Cabinet officials judges and ambassadors It also includes profiles of the women who have run for

vice president and president Women in American Politics is organized in a framework both logical and useful to readers and researchers Original material offers students scholars teachers and other professionals a guide to understanding the complex struggle in women s progress toward achieving political parity with men in the United States Each chapter is structured in three parts part one features graphic information tables lists charts or maps detailing the historical record with data not compiled anywhere else on women officeholders part two offers insightful narrative analysis describing how women achieved what they did examines the complex and sometimes contradictory trends behind the facts of women s political milestones and explores how social and economic contexts affected the progress of their accomplishments part three presents biographical entries describing in more personal terms women s struggle for political equality Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate exploring how women voters have impacted particular issues specific elections or other key turning points and the tradition of appointing widows to open seats The final chapter uniquely looks at women s political history and differences in achievement from a state and regional perspective Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight into the unique aspects of each state *Public Opinion, the First Ladyship, and Hillary Rodham Clinton* Barbara Burrell, 2001-04-03 This second edition presents Clinton s self repositioning during the 1996 election her official role during the second term her role during the impeachment proceedings and the beginnings of an independent political career **Moms in Chief** Tammy R. Vigil, 2019-01-23 In 1776 when Abigail Adams implored her husband to Remember the Ladies John Adams scoffed declaring We know better than to repeal our masculine system More than two hundred years later American women continue to struggle against the idea that they are simply vassal extensions of their husbands a notion that is acutely enacted in presidential campaigns An examination of how the spouses of recent presidential candidates have presented themselves and been perceived on the campaign trail *Moms in Chief* reveals the ways in which the age old rhetoric of republican motherhood maintains its hold on the public portrayal of womanhood in American politics and constrains American women s status as empowered autonomous citizens The rhetoric of republican motherhood describes the ostensibly ideal female patriot as domestically focused self sacrificial deferential and defined by her relationship to others particularly her husband *Moms in Chief* combines the study of history gender communication and politics to show how the spouses of the major parties presidential nominees from 1992 to 2016 at times fulfilled at other times flouted but at all times were handicapped by this stereotype From Barbara Bush as dynastic mother to Michelle Obama as Mom in Chief from Laura Bush as all American wife to Melania Trump as model immigrant from Teresa Heinz Kerry as assertive heiress to Bill Clinton as past president and prospective first gentleman Tammy R Vigil explores the function of presidential consorts in their spouses campaigns and she scrutinizes how their portrayal by opponents the press and themselves has challenged or reinforced perceptions of the role of gender and the place of women in American political life In the unofficial contest between candidates spouses there are

winners and losers What is at stake Vigil s research suggests is the very definition of women as American citizens and political actors *American Political Leaders, Third Edition* Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson s work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president
