## **Ellen White On The Humanity Of Christ:**

**Ellen White on the Humanity of Christ** Woodrow W. Whidden, 1997 Jesus was both divine and human But the nature of Christ's humanity is perhaps the most explosive and divisive issue in Seventh day Adventism Was His humanity like that of Adam before the Fall or like that of a fallen human being It is not just an intellectual question as one's shape one's understanding of salvation and the daily life of the Christian before Christ's return Both viewpoints appeal to the writings of Ellen White to support their position How do we interpret what she has to say on the subject As he did in his *Ellen White On Salvation* Woodrow Whidden analyzes Ellen White's comments from a chronological perspective He has gathered all the statements she made on the subject and examines how she expanded or focused her perspective to meet changing issues and needs in the developing Seventh day Adventist Church Whidden asked those on both sides of the issue to send him every Ellen White statement that they feel speaks to the subject and he has collected them in an extensive appendix Every Seventh day Adventist studying this issue will want this book for the appendix alone In addition to going carefully through what Ellen White said on the humanity of Christ and offering his conclusions and suggestions for further study Whidden asked for comments from a number of leading spokespersons who have emphasized the fallen human nature of Christ Kevin Paulson has written a response to Whidden's research

**Historical Dictionary of the Seventh-Day Adventists** Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant

influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism *Touched with Our Feelings* Jean Rudolf Zurcher,1999 **"The Kingdom of God is at Hand"** Rolf J. *I Am Saved and Yes, I Am Perfect* Herman Bauman, 2011-06-14 This book is a collection of sermons preached by Herman Bauman during his 45 years of full time ministry It was always his desire to help people know that they can have assurance of salvation and be certain that they are accepted by God That message shines through in these messages preached in many different places and for many different occasions Herman with his wife Janice a nurse served in the South New England the Midwest the Northwest and the Southwest as well as in Nigeria West Africa It is his prayer that you will be blessed and given hope and assurance as you read these messages

*In Search of the One True Christ* Vernon Sparks, 2015-08-06 This book is about the human nature of Christ Specifically about the moral or spiritual inheritance through His mother Mary whether He took man's nature like that of Adam before the Fall prelapsarian or like after the Fall postlapsarian These two seemingly mutually exclusive versions of Christ have been a very controversial subject in Adventism for some sixty plus years May 2015 Many have grown weary of the subject and some have concluded that it doesn't really matter It is the purpose of this present book to develop more fully the concept of our new birth experience as a springboard to provide a framework of Christ's nature that embraces all of the Scripture and Spirit of Prophecy statements on His humanity the one true Christ It will be found that both positions pre Fall and post Fall contain essential components to the complete picture Spiritual truth is arrived at by harmonizing all of the inspired statements on a given subject Through that method we have arrived at our commonly held beliefs Saturday sacredness state of the dead second coming of Christ etc This can also be true regarding Christ's humanity regarding the true Christ Knowing the complete attributes of the true Christ will add strength and credibility to the true gospel We can then lay down our disputes among us and unite in promoting the one Lord one faith and one baptism so essential to the finishing of the Lord's work in our hearts and on the earth Preface Why another book about the human nature of Christ Haven't we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet First this subject is never just about the nature of Christ The issue is much larger It is about the whole plan of salvation the gospel righteousness by faith and the great controversy between Christ and Satan Differing views about Christ's human nature radically change our conclusions about how God is solving the problem of sin and rebellion in the universe by another book about the human nature of Christ Haven't we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet Second this book addresses the underlying issue in the ongoing debate the nature of man When Adam and Eve sinned everything changed Suffering and death began man's nature changed so that rebellion was as natural as breathing condemnation and annihilation were man's only future and earth was cut off from heaven Except for one thing Christ stepped into the picture And everything changed again Mankind received a second chance annihilation was not inevitable and most importantly God placed enmity toward Satan in

man's nature Man would not be a helpless slave of Satan but would have an innate desire to resist him Third this book pulls together statements by Ellen White that seem to support opposite conclusions and shows how they fit together perfectly if loose ends are properly tied off Inspired statements have a way of harmonizing if we dig down beneath the surface Fourth the appendix collection of pioneer writings are valuable resources in this study This is a significant contribution to a better understanding of God's great plan of salvation Dennis Priebe Amazing Facts Revivalist Jesus: Fallen? Emmanuel Hatzidakis, 2013-11-01 Was Jesus Christ a fallen human being like us Was His human nature corrupt and sinful inherently and necessarily subject to suffering and death Did He inherit a fallen humanity If His humanity was fallen how was He sinless Did He have human ignorance In what way was His human will involved in the plan of salvation What effect did the hypostatic union have on His humanity In Jesus Fallen Emmanuel Hatzidakis a Greek Orthodox priest addresses these and other controversial questions pertaining to the human nature of Christ which are debated in many Christian denominations and in his own Church The theology advanced in the book is the traditional theology of the historic Church In all the modern confusio of multiple Christs here we have the perennial image of the incarnate God the Theanthropos Christ The book should appeal to every serious Christian and student of theology history of dogma and Church History who is comfortable neither with liberalism nor fundamentalism but who is searching for the authentically true teachings of Christianity Hatzidakis draws richly from the patristic inheritance of East and West in an original refreshing and accessible way He refutes opinions formed by many eminent postlapsarian theologians This pivotal study is the first to address this topic from an Eastern Orthodox perspective and in this regard it constitutes an important contribution to Christology A well researched study it sheds light from an Eastern Orthodox perspective on this intriguing and crucial topic It maintains that the subject of Christ's humanity and its understanding is neither a theologoumenon nor an abstract intellectual cogitation but a matter of profound soteriological and anthropological import

**The Interaction Between Law and Love in the Pauline Writings** Pandelani Paul, 2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals God's character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of

spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God     Key to Revival Gordon

Ziegler,2014-01-24 This book answers the following type of questions Why hasn t Jesus come yet Is it because God s people need a revival and reformation How can we obtain an awakening Can we secure clues from past revivals Is there a recurring pattern in historical revivals and reformations Where are we now relative to that pattern What is the difference between legalism and antinomianism How do views on the atonement the nature of Christ and the sealing impact our quest for a revival and reformation What is the final revival type Are we nearing it These pages prepare the reader for the final revival and reformation Some of the answers offered in this book will surprise you They could even change your life     The

heavenly trio Ty Gibson,2021-05-17 Is power or love ultimate with God Answer that one question aright and we have the answer to all worthwhile questions The current position of the Seventh day Adventist Church is     **The Trinity** Woodrow Wilson Whidden,Jerry Moon,John W. Reeve,2002 Among Seventh day Adventists the doctrine of the Trinity is often taken for granted But increasingly it is opposed by a small minority who have retreated to the anti Trinitarian position of the pioneers In response the authors each a specialist in his field trace the doctrine of the Trinity through Scripture church history and the writings of Ellen G White The first section surveys the biblical foundations of the doctrine and addresses objections that have been raised Other sections trace the development of the doctrine in Christian history in Adventist history and in the writings of Ellen White The authors explain why the doctrine was resisted by many of the leading pioneers The final section asks So what It discusses the theological and practical implications of Trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines With glossaries bibliography and index this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity and show how God still leads His church into all truth Introduction SECTION ONE The Biblical Evidence for the Full Deity of Christ the Personality of the Spirit and the Unity and Oneness of the Godhead Chapter 1 The Strongest Bible Evidence for the Trinity Chapter 2 The Full and Eternal Deity of Christ Part I The New Testament Epistles the Old Testament and the Gospels

Chapter 3 The Full and Eternal Deity of Christ Part II The Gospel of John Chapter 4 The Personality and Deity of the Spirit and the Triune Oneness of the Godhead Chapter 5 Trinitarian Evidences in the Book of Revelation Chapter 6 Biblical Objections to the Trinity Chapter 7 Logical Objections to the Trinity SECTION TWO The History of the Trinity Doctrine From A D 100 to A D 1500 SECTION THREE Trinity and Anti Trinitarianism From the Reformation to the Advent Movement SECTION FOUR The Doctrine of the Trinity and Its Implications for Christian Thought and Practice Index     **The Cross of Christ** George R. Knight, 2008 It is basic to the Christian understanding of theology history and every other field of knowledge Indeed it is an issue so vast and significant that few books even attempt to span the broad spectrum of topics it raises     *Have the Faith of Jesus* TEACH Services, Inc., 2014-10-06 Faith Our whole Christian experience hinges on this one word In writing to the church of Ephesus Paul encouraged them that by grace we are saved through faith Yet many Christians struggle with having faith or believing the promises of God Have the Faith of Jesus examines the Savior's faith in all aspects of His life from offering Himself as a perfect sacrifice when Adam and Eve chose to disobey to overcoming the temptations that Satan hurled at Him throughout His life By faith Jesus lived a life of complete submission to His heavenly Father preaching to the people He was directed to healing those whom the Father brought to Him discipling the men God gave Him and eventually submitting Himself to die on the cross for the sins of the world As followers of the one true King may we learn all we can of our Master and emulate His perfect faith so that we may stand firm in the coming trials and be ready for His soon return Many authors write and many ministers preach about faith With a balanced grasp of Scripture and Spirit of Prophecy Thiele gives confidence to the reader in that when one recognizes how Jesus exercises faith we can exercise faith in the same way Hope is increased with the assurance that we have the faith of Jesus when we imitate Him John Witcombe Pastor Oregon Conference of Seventh day Adventists     **Who Is the Adventist Jesus?** Elmer Wiebe, 2005-07
