(Sesame Street) Sarah Albee,2014-07-22 It s bedtime but Elmo doesn t want to go to sleep Boys and girls ages 1 to 4 will recognize and giggle at every excuse Elmo uses to avoid the inevitable in this Sesame Street Little Golden Book bedtime story *Goodnight Stories* Jim Henson,1998 Short stories based on the characters on Jim Henson s Sesame Street **My Bedtime Stories with Elmo** ,2010 **Elmo's Easter Egg Surprises (Sesame Street)** Christy Webster,2020-01-07 This Little Golden Book starring Sesame Street s Elmo and Abby Cadabby makes a perfect gift for any Easter basket It s Easter on Sesame Street and Abby Cadabby is trying to use magic to make the holiday celebration extra special for her friends Elmo Big Bird Grover Cookie Monster and Oscar the Grouch But as usual she gets some of the magical spells mixed up with very funny results Boys and girls ages 2 to 5 will laugh out loud at the silliness and ask to hear the story again and again This new Little Golden Book with full color illustrations makes a great gift for Easter or any day Sesame Workshop the nonprofit educational organization behind Sesame Street aims to help kids grow smarter stronger and kinder through its many unique domestic and international initiatives These projects cover a wide array of topics for families around the world Sesame Street is the most trusted name in early learning *The Complete Short Stories of James Purdy* James Purdy,2013-07-22 Celebrate an authentic American genius Gore Vidal in James Purdy s first complete short story collection The publication of *The Complete Short Stories of James Purdy* is a literary event that marks the first time all of James Purdy s short stories fifty six in number including seven drawn from his unpublished archives have been collected in a single volume As prolific as he was unclassifiable James Purdy was considered one of the greatest and most underappreciated writers in America in the latter half of the twentieth century Championed by writers as diverse as Dame Edith Sitwell Gore Vidal Paul Bowles Tennessee Williams Carl Van Vechten John Cowper Powys and Dorothy Parker Purdy s vast body of work has heretofore been relegated to the avant garde fringes of the American literary mainstream His unique form and variety of style made the Ohio born Purdy impossible to categorize in standard terms though his unique mercurial talent garnered him a following of loyal readers and made him in the words of Susan Sontag one of the half dozen or so living American writers worth taking seriously Purdy s journey to recognition came with as much outrage and condemnation as it

did lavish praise and lasting admiration Some early assessments even dismissed his work as that of a disturbed mind while others acclaimed the very same work as healing and transformative Purdy's fiction was considered so uniquely unsettling that his first book *Don't Call Me by My Right Name* a collection of short stories all reprinted in this edition had to be printed privately in the United States in 1956 after first being published in England Best known for his novels *Malcolm* *Cabot Wright Begins* *Jeremy's Version* and *Eustace Chisholm* and the *Works* Purdy captured an America that was at once highly realistic and deeply symbolic a landscape filled with social outcasts living in crisis and longing for love characterized by his dark sense of humor and unflinching eye Love disillusionment the collapse of the family ecstatic longing sharp inner pain and shocking eruptions of violence pervade the lives of his characters in stories that anticipate both David Lynch and *Desperate Housewives* *Guardian In Color* of *Darkness* for example a lonely child attempts to swallow his father's wedding ring in *Eventide* the anguish of two sisters over the loss of their sons is deeply felt in the summer heat and in the gothic horror of *Mr Evening* a young man is hypnotized and imprisoned by a predatory old woman These stories and many others both haunting and hilarious form a canvas of deep desperation and immanent sympathy as Purdy narrates the inexorable progress toward disaster in such a way that it's as satisfying and somehow life affirming as progress toward a happy ending Jonathan Franzen It may have taken over fifty years but American culture is finally in sync with James Purdy As John Waters writes in his introduction Purdy far from the fringe has been dead center in the black little hearts of provocateur hungry readers like myself right from the beginning

My Bedtime Stories with Elmo ,2010 **Bedtime Stories** Trey Ellis,2008-02-05 An American Book Award winning novelist and screenwriter shares his experience of returning to the dating scene while raising two young children an effort marked by his relationships with a series of women and his confrontation with the less than glamorous but rewarding realities of parenting
