Return of the King Gillian G. Gaar,2011-03 By the end of 1968 Presley was artistically revitalised re emerging in a TV comeback special during December that year slimmed down for the now iconic black leather suit playing country soul influenced rock like he meant it and loved it In this second period of Presley s career which lasted through to the end of 1970 he recorded some of his most enduring records including Suspicious Minds and In The Ghetto Author Gillian Gaar shows how Presley reclaimed his rock and roll crown making an extraordinary transition from fading balladeer to an engaged vital artist

HCA Comics and Comic Art Auction Catalog #7021, Dallas, TX Jim Steele,2010-04 **Heritage Auctions Music and Entertainment Auction Catalog #696** Jim Steele,2008-09 **The Colonel** Alanna Nash,2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music Elvis Presley His real name wasn t Tom Parker indeed he wasn t an American at all but a Dutch immigrant called Andreas van Kujik And he certainly wasn t a proper military colonel he purchased his title from a man in Louisiana But while the Colonel has long been acknowledged as something of a charlatan this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the career and ultimately the life of the star he managed As Alanna Nash prodigious research has discovered the Colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death Entering the US illegally he then enlisted in the army as Tom Parker But with supreme irony for someone later styling himself as Colonel Parker s military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him And by the height of Elvis s success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley s earnings frittered away all his wealth in the casinos of Las Vegas As Nash shows therefore the often baffling trajectory of Elvis Presley s career makes perfect sense once the secret imperatives of the Colonel s life are known Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there Even at his most famous Elvis was still being booked to play out of the way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open chit whose huge earnings prevented his manager s losses at the gambling tables being called in Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable shocking and never less than compelling of how this larger than life man made and then unmade popular music s
