unravelling of the dream that once shone so brightly homing in on the complex playing out of Elvis relationship with his Machiavellian manager Colonel Tom Parker It s a breathtaking revelatory drama that for the first time places the events of a too often mistold tale in a fresh believable and understandable context Elvis changes during these years form a tragic mystery that Careless Love unlocks for the first time This is the quintessential American story encompassing elements of race class wealth sex music religion and personal transformation Written with grace sensitivity and passion Careless Love is a unique contribution to our understanding of American popular culture and the nature of success giving us true insight at last into one of the most misunderstood public figures of our times
