## **Emancipating Cultural Pluralism Suny Series In National Identities:**

**Emancipating Cultural Pluralism** Cris E. Toffolo, 2012-02-01 Combining detailed case studies with discussions of deeper theoretical controversies *Emancipating Cultural Pluralism* investigates both the benign and harmful aspects of identity politics This provocative collection delves into some of the most difficult issues of cultural pluralism such as what accounts for the immense power of identity politics whether identity politics can be inherently good or evil whether states are the right institutions to deal with ethnic conflict the prevention of genocide the value of devolving power to the local level and more The contributions are united by the conviction that more attention needs to be paid to the normative issues associated with various expressions of cultural pluralism for the ethical implications of the phenomena are too profound to be ignored

**The Anthropology of Citizenship** Sian Lazar, 2013-11-11 *The Anthropology of Citizenship* introduces the theoretical foundations of and cutting edge approaches to citizenship in the contemporary world in local national and global contexts Key readings provide a cross cultural perspective on citizenship practices and an individual citizen's relationship with the state Introduces a range of exciting and cutting edge approaches to citizenship in the contemporary world Provides key readings for students and researchers who wish to gain an understanding of citizenship practices and an individual's relationship with the state in a global context Offers an anthropological perspective on citizenship the self and political agency with a focus on encounters between citizens and the state in education law development and immigration policy Provides students with an understanding of the theoretical foundations of citizenship as characterized by liberal and civic republican ideas of political belonging and exclusion Explores how citizenship is constructed at different scales and in different spaces Twenty five key writings identify what is a new and vibrant subfield within politics and anthropological research

**Anthropology Newsletter** ,1990     The Rising Tide of Cultural Pluralism Crawford Young,1993 Two decades after the publication of his prize winning book *The Politics of Cultural Pluralism* Crawford Young and a distinguished panel of contributors assess the changing impact of cultural pluralism on political processes around the world specifically in the former Soviet Union China United States India Ethiopia and Guatemala The result is an arresting look at the dissolution of the nation state system as we have known it Crawford Young opens with an overview of the dramatic rise in the political significance of cultural pluralism and of scholars changing understanding of what drives and shapes ethnic identification Mark Beissinger brilliantly explains the demise of the last great empire state the USSR while Edward Friedman notes growing challenges to the apparent cultural homogeneity of China Nader Entessar suggests intriguing contrasts in Azeri identity politics in Iran and the ex USSR Ronald Schmidt and Noel Kent explore the language and racial dimensions of the rising multicultural currents in the United States Douglas Spitz shows the extent of the decline of the old secular vision of India of the independence generation Alan LeBaron traces the recent emergence of an assertive Mayan identity among a submerged populace in Guatemala long thought to be destined for Ladinoization A case study of the diversity and uncertain future of Ethiopia dramatically emerges from four contrasting contributions Tekle Woldemikael looks at the potential cultural tensions in Eritrea Solomon Gashaw offers a central Ethiopian nationalist perspective Herbert Lewis reflects the perspectives of a restless and disaffected periphery and James Quirin provides an arresting explanation of the construction of identity amongst the Beta Israel Ethiopian Jews Virginia Sapiro steps back from specific regions offering an original analysis of the interaction between cultural pluralism and gender     **Abstracts of the Annual Meeting** American Anthropological Association,2001     **Choice** ,2004     *One America?* Stanley Allen Renshon,2001 Presented by Renshon political science City U of New York 12 contributions examine identity politics in the United States from a number of ideological perspectives exploring what it means to be an American and calling for various courses of action Some argue that the problem can be found in the inability of our political leaders to show authenticity and courage in tackling racial differences Other articles suggest that affirmative action school integration and other initiatives that have hitherto been based on race should instead be based on class in order to broaden public acceptance and address real inequalities Still other viewpoints argue that

increased immigration is a divisive problem that the Civil Rights Act of 1964 paved the way for a dangerous emphasis on multiculturalism and they criticize Bill Clinton's initiative on race as empty scripted public relations events c Book News Inc
