The Divine Embrace Robert E. Webber, 2006-10 What is true Christian spirituality Rediscover spirituality s biblical roots and how you can live out your response to God s story today Embracing God's Future without Forgetting the Past Michael K. Girlinghouse, 2019-08-06 Many congregations today are dealing with changes that have led to decline and significant loss In *Embracing God s Future without Forgetting the Past* Michael K Girlinghouse argues that until a congregation comes to terms with its perceived losses through a healthy process of grief it will be paralyzed in the present and unable to think creatively about the future Acknowledging and expressing grief will give the congregation the courage to redefine its relationship with the past and draw strength and encouragement from its memories as it steps into the future Drawing on more than thirty years of ministry experience in varied settings and concurrent study and teaching about loss grief and nostalgia Girlinghouse shows clergy church staff and lay leaders how they can work through the experience of loss and grief both personally and in their congregation Part 1 discusses loss and grief using a contemporary task based model for the grief process It also introduces recent research on the value of nostalgia In part 2 Girlinghouse helps leaders tell their congregation s story including its losses examine how that story fits in our current social context and explore ways to accept the reality of its losses and express grief over them Part 3 considers ways congregations can think more adaptively and creatively about the future without forgetting or devaluing the past Girlinghouse presents appreciative inquiry as a tool to discover and build on a congregation s strengths while coming to terms with its losses Part 4 is about embracing God s future for the congregation remembering forward and making the changes necessary to move from the sadness of loss to the joy of taking up life again Each chapter includes a Bible study and questions for reflection and discussion *Embrace God's Love* Coylette James, 2003-08 *Embracing God* Marsha L. God in the Right Perspective with the Right Foundation of Faith in Him Chris Tham,2020-10-22 Knowledge without God is not the Truth Only Truth leads us to the meaning of life as the power of life is in God God is the everlasting Truth Faith without understanding of Faith is an unfinished work in Faith Each and everyone of us needs to discover our true identity of who we are before we could truly inherit the fullness of life as we desire to live a life filled with gifts in fullest measure of Peace Love and Joy in our hearts now and forevermore The objective of this Book is not to put down any religious beliefs teachings laws and practices we embrace Its intention is to discover who we are in the spiritual realm and how our identity relates to God who is our Creator and Master of this universe and how this Father and Child relationship gives us freedom of Peace which is the ultimate goal in humanity with an assured destiny of eternal life in the kingdom of God God loves you Jesus loves you Amen Each and every living soul in the history of mankind is a child of God You shall know the truth

and the truth shall set you free Blood and flesh do not inherit the kingdom of God Conquering Jerusalem is likened to men s attempts to attain divinity and righteousness with the might and knowledge of the flesh Such repeated feats as recorded throughout the history of mankind would never bring down the kingdom of God from heaven to earth Our Heavenly Father is a God of Peace Love and Harmony He is not a God of War Hatred and Division Misguided beliefs and biblical misinterpretations through religious laws of men in the flesh had inflicted countless and senseless innocent bloodsheds upon mankind Walking with faith in the flesh is knowledge Walking with faith in the spirit is truth All men shall be born again of the Word of God which is full of truth and grace to fully embrace God and live eternally in His divine Truth and Spirit The Word of God is embedded in all men as each man is born with a given measure of faith in the Word of God I humbly express this Book as the priceless companion guide in studying the Word of God that shall bring forth healing to all souls throughout the nations on earth All glory be unto our Father God This Book shall serve as good text material for interfaith dialogue It is the preordained duty of believers in Christ to share the Gospel of Light to members of other beliefs with understanding and love This Book contains end times prophecy The future middle eastern war is coming soon The return of Chris is a certainty Amen Hope this Book would bring forth abundance of insightful revelations and joyful enlightenment in your heart and soul Be very blessed within His presence of gracious embrace and enjoy reading it In Christ and through Christ we all live again God bless Jesus loves all of you Amen

THE SHEKINAH GLORY Ahmed musa,2024-12-17 The Shekinah glory represents a divine invitation to relationship God s desire has always been to be with His people to walk with them and to reveal Himself to them The overwhelming splendor of His glory is not just an overwhelming display of power but a manifestation of His love and His longing to be near In the garden of Eden He walked with Adam and Eve and that was His heart s desire for all of creation However sin created a barrier that made such intimacy impossible The rest of Scripture is in many ways the unfolding of God s plan to restore that intimacy From the sacrificial system that allowed for atonement to the sending of His Son to die for our sins God s ultimate desire is to reconcile us to Himself to bring us back into fellowship and to reveal His glory once again

Theological Interpretation of Culture in Post-Communist Context Ivana Noble,2016-12-05 Twenty years after the fall of Communism in Central and East Europe is an occasion to reevaluate the cultural and theological contribution from that region to the secularization post secularization debate Czech theologian

Ivana Noble develops a Trinitarian theology through a close dialogue with literature music and film which formed not only alternatives to totalitarian ideologies but also followed the loss and reappearance of belief in God Noble explains that by listening to the artists the churches and theologians can deal with questions about the nature of the world memory and ultimate fulfilment in a more nuanced way Then as partakers in the search undertaken by their secular and post secular contemporaries theologians can penetrate a new depth of meaning sending out shoots from the stump of Christian symbolism Drawing on the rich cultures of Central and East Europe and both Western and Eastern theological traditions this book presents a theological reading of contemporary culture which is important not just for post Communist countries but for all who are engaged in the debate on the boundaries between theology politics and arts *The Real Name of God* Rabbi Wayne Dosick,2012-05-29 Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God s real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God Of the many names of God commonly used in the Bible and other sacred literature none is God s real name Every God name including YHWH reflects only one of God s many aspects such as the loving creator the militaristic authoritarian or the all knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can t truly know something until you know its name how can we truly know God The culmination of years of translation research and etymological investigation Rabbi Wayne Dosick s work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within each of us This in depth exploration of God s name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all

transformational meditations and visualization exercises based on the profoundest truths concealed in the Kabbalah The covenant that bound God to the Patriarchs in a special relationship of obligation and empowerment was renewed by God with Israel at Sinai and Moab Each of these three Jewish covenants can be associated with a particular spiritual practice the Patriarchal Covenant with Father Isaac s practice of meditation The Sinai Covenant of Holiness with the observance of the Sabbath required in its Ten Commandments and the Moab Covenant of Love comprising the entire Mosaic Torah with the practice of prayer instituted there In *Renewing the Covenant* Leonora Leet shows how this ladder of increasingly demanding and potent covenantal practices can enable one to ascend to ever higher levels of mystical Judaism At this threshold of a new millennium increasing numbers of people are seeking a more direct connection with the Divine To aid such a process *Renewing the Covenant* provides new paths for entering the treasurehouse of Jewish spirituality and achieving higher consciousness paths that can deepen the devotions of both nonobservant and traditionally observant Jews This process of covenant renewal begins with effective kabbalistic techniques of meditation combining mantra with visualization proceeds through the return to a reconstructed Sinai Sabbath and arrives at the culminating practice of ritual prayer whose performance can fulfill the kabbalistic purpose of creation When undertaken in the steps laid out by Dr Leet this process can help many to discover forms of spiritual practice precisely tailored for the modern world as well as a new appreciation for the rich spiritual heritage of Judaism
