

THE 1988 ELIAS BASEBALL ANALYST...

The Best in the Business!

Here's what the pros are saying about *The 1988 Elias Baseball Analyst*:

"Elias has always been recognized as the authority on baseball statistics, and the *Analyst* is the only book of its kind. I wouldn't trade it."

—Syd Thrift, General Manager
Pittsburgh Pirates

"For every baseball fan, from the casual to the intense, this book is indispensable."

—Tim McCarver, ABC-TV Sports

"The Elias is an encyclopedia for us [General Managers] to interpret the statistics of individual ballplayers.... I've been using it for years."

—Al Rosen, General Manager
San Francisco Giants

"The unique aspect about *The Elias Baseball Analyst* is that it's the one annual statistical volume that not only draws conclusions but also gives the reader the wherewithal to do the same.... Spring training isn't complete until the *Analyst* arrives."

—Peter Gammons, *Sports Illustrated*

The 1988 *Elias Baseball Analyst* takes you beyond the playing field, beyond the dugout, and beyond the clubhouse. It takes all the statistics from the game of baseball, analyzes them, and comes up with some startling revelations:

- Who is the best baseball manager of all time? George Steinbrenner knows...
- What's the most effective way to put together a batting order? Should your best hitters bat lead-off... or clean-up?
- What kind of impact did checking for corked bats have on total home run production in 1987? You'll be surprised...
- How the St. Louis Cardinals really lost the World Series...
- What was the "pivotal" difference behind the San Francisco Giants' success in 1987?

Seymour Siwoff is the owner and president of the Elias Sports Bureau, official statistician for the National League, National Football League, and National Basketball Association, and statistical consultants to Major League Baseball, ABC's *Monday Night Baseball* and *Monday Night Football*, *Sports Illustrated*, and *USA Today*. Steve Hirdt and Peter Hirdt are executive vice presidents of Elias.
