Heard You'd Been Waiting For A Messiah Jeffery Tunney,2023-10-25 For centuries people have anticipated the Second Coming of Christ believing it would be a moment of divine revelation and salvation But what if the very institutions that claim to prepare the world for His return are the ones rejecting Christ the most From the origin of religion to the present day this book exposes the truth about faith deception and power With religion before Jesus ancient civilizations worshiped gods created spiritual doctrines and laid the foundation for religious thought But over time these beliefs were reshaped manipulated and used to control societies What began as a search for meaning evolved into a system where religious myths took precedence over truth and those in power dictated what people should believe Today many of these
