## **Ella Fitzgerald Companion Six Years Of Commentary:**

**Ella Fitzgerald** J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography 1927-1939 for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs including track listings, titles with lyricists and composers, and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve, and Pablo music companies are included. The book also has an index of album and CD recordings and composers, lyricists, and musicians.

**The Ella Fitzgerald Companion** Norman David, 2004-03-30 Examines the career and influences of Ella Fitzgerald as well as those of top accompanists, bandleaders, and musical directors with whom she collaborated.

The Ella Fitzgerald Companion Leslie Gourse, 1998      Forgotten African American Firsts Hans Ostrom, J. David Macey Jr., 2023-03-16 Winner of the 2024 RUSA Outstanding Reference Award. This book introduces students to African American innovators and their contributions to art, entertainment, sports, politics, religion, business, and popular culture. While the achievements of such individuals as Barack Obama, Toni Morrison, and Thurgood Marshall are well known, many accomplished African Americans have been largely forgotten or deliberately erased from the historical record in America. This volume introduces students to those African Americans whose successes in entertainment, business, sports, politics, and other fields remain poorly understood. Dr. Charles Drew, whose pioneering research on blood transfusions saved thousands of lives during World War II; Mae Jemison, an engineer who in 1992 became the first African American woman to travel in outer space; and Ethel Waters, the first African American to star in her own television show, are among those chronicled in Forgotten African American Firsts. With nearly 150 entries across 17 categories, this book has been carefully curated to showcase the inspiring stories of African Americans whose hard work, courage, and talent have led the course of history in the United States and around the world.

A radiant, rich, no stone unturned biography. Paula J. Giddings, author of *When and Where I Enter*, a landmark biography that reclaims Ella Fitzgerald as a major American artist and modernist innovator.
