Here Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children taking into account a child's age, attention ability, gender and interests along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary annotated list of more than three hundred titles suitable for the pivotal moments in a child's life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness and spirituality What to Read When is a one of a kind guide to how parents can best inspire children through reading together. In addition Pam Allyn includes an indispensable Reader's Ladder section with recommendations for children at every stage from birth to age ten. With the author's warm and engaging voice throughout, discussion questions to encourage in depth conversations as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative and curious children, imparting a love of reading that will last a lifetime.
