Goddess X Robert St. Clare, 2006-04 *Goddess X* begins in the heart and mind of Keith Martin a twenty six year old social worker who is slightly neurotic and overly nostalgic for the 1970s He reluctantly trudges through his existence resenting the present time and mourning the loss of his utopian childhood spent with Dawn the kind and beautiful next door neighbor who raised and nurtured him while his parents nurtured their careers His banal reality shatters forever when he and his co workers attend the grand opening of a ghoulish new bar called No Escape Keith is shocked when he witnesses the owner of the bar Dawn s conniving and controlling husband David passionately kissing another woman Realizing that he must warn Dawn Keith decides to contact her despite the pain it will cause him to face his lost love a woman twenty years his senior a woman who was like a mother to him Overcoming his fear Keith makes a trip to his old neighborhood and pays a visit to Dawn who

welcomes him with tears and hugs They quickly discover that their bond is as strong as ever but that they must also face an awkward and intense physical attraction Infused with new hope they vow to never lose each other again Keith s newfound bliss is short lived as he discovers the dark secrets of the past His entire being is shaken when he learns that Dawn the Goddess of his childhood had been verbally and physically abused by David throughout their entire marriage He also learns that Dawn s house his childhood sanctuary is being plagued by paranormal phenomena which began in 1974 when David and his mistress Rosa tried to invoke an evil spirit into the body of a marionette during a party Enraged by this information Keith begins an investigation that leads from the past to a future where David and Rosa a self proclaimed sorceress are planning a bizarre and demonic demise for Dawn that s twenty four years in the making For a brand new writer Robert St Clare has the skills and abilities of a seasoned author Like Charles Dickens he gives his characters many dimensions so much so that the reader can t help liking and disliking the right ones You really want to travel through the adventures and misadventures of Keith Martin whose love for an older woman his former baby sitter Dawn overpowers him He therefore falls prey to the dangers awaiting him commandeered by Dawn s evil husband David and his mistress Rosa an expert in Tibetan sorcery An interesting and compelling tale in the flavor of Edgar Allen Poe especially in St Clare s flash backs to the 70 s obsessions with drugs and the occult A gripping page turner C Verrastro Who s Who Among American Teachers Inductee **Moon Hall** Gabriele Wills,2017-06-28 Two women who live a century apart Two stories that interweave to form a rich tapestry of intriguing characters evocative places and compelling events Escaping from a disintegrating relationship in the city writer Kit Spencer stumbles upon the quintessential Norman Rockwell village in the Ottawa Valley where she buys an old stone mansion Moon Hall But her illusions about idyllic country life are soon challenged by reality Beneath the seemingly calm backwater run powerful currents dramas already close to breaking the surface In her rural community of farmers hippies and yuppies Kit unwittingly precipitates events that will change them all forever Violet McAllister the ghost that reputedly haunts Moon Hall comes vividly to life through her long forgotten diary From the gritty shantytown of the newly minted capital of Canada to the extravagant balls given by the popular and flamboyant Governor General and his wife Violet s tragic tale unfolds Kit feels a bond with this strong and passionate woman and realizes she must grasp her own happiness while she can Moon Hall is a haunting tale of relationships in crisis and touches on the full spectrum of human emotions from raw violence and dark passions to compassion and love *Raising the Stakes* Sandra Marton,2016-10-17 When a lawyer encounters the woman he s been tasked to find business turns to pleasure in a fiery game of winner take all Wealthy attorney Gray Baron has come to Las Vegas on a mission to find a woman Dawn Lincoln Kittredge the long lost grandchild of his uncle But feisty Dawn is not about to make anything easy for him After being hurt in the past Dawn is wary of strangers even gorgeous sexy ones like Gray But mutual suspicion doesn t stop an undeniable passion from igniting between them As the tension mounts all bets are off **A Sky Full of Birds** Matt Merritt,2016-04-07 Prose from a poet and a personal take on the spectacles Chris

The Runaway Bag Albert Payson Terhune, 1925

Flowers From The Withering Garden Trent Chess, 2011-02-04 This book of poetry is from the view of the world through my eyes and no other I have always looked to the darker nature of life and the souls of men I have always written on the thoughts of life and death as these things are the constant in the lives of men I began writing poetry shortly after the death of my mother in 1987 but it was not until recent years that I cultivated my work into what it has become today If I can compel one person to think

about what was read then I have achieved something Most of my poems are ambiguous and will leave their meanings to the mind of the reader **Gilberto Gil's Refazenda** Marc A. Hertzman, 2020-02-06 Refazenda connects a remarkable album by one of the 20th and 21st centuries great musicians to a dazzling often unexpected array of people and places spread across the globe from Brazil to England to Chile to Japan Critics and fans often project or impose desires and interpretations onto Gil that don't seem to fit This book explores why familiar political and musical categories so often fall flat and explains why serendipity may instead be the best way to approach this mercurial album and the unrepeatably artist who created it Based on years of listening to studying and teaching about Gil and the author's own encounters with the album around the world this book argues that Refazenda does in fact contain radical messages though they rarely appear in the form shape or places that we might expect The book also includes the first English language translations of the album's lyrics never discussed before 1970s Japanese liner notes and a recounting of a forgotten moment when censors detained Gil during the album's debut tour 33 1 3 Global a series related to but independent from 33 1 3 takes the format of the original series of short music based books and brings the focus to music throughout the world With initial volumes focusing on Japanese and Brazilian music the series will also include volumes on the popular music of Australia Oceania Europe Africa the Middle East and more
