

Elvis Costello

Elvis Costello is the most important songwriter to have emerged in the UK since the 1976 punk revolution. His work now transcends categories and his appeal is justifiably formidable.

This book contains a comprehensive listing of all Costello's UK and American singles and LP's including promotional items that are much sought after by collectors. There are also separate sections on bootleg albums, records by Costello's group The Attractions – both as a group and as individuals – and cover versions of Costello's material. Included also is a section on Costello's work as a record producer.

Discographer Geoff Parkyn prefaces his listings with a brief essay on Costello's recording career to date.
