**Me and Mary** RD Moore, 2024-03-01 What Makes an Ordinary Life Extraordinary *Me and Mary* tells the story of Mary Moore a woman of remarkable grace and courage and the life lessons she both learned and passed on to the grandson she raised It's about how she and the family she built gave a little boy love powerful enough to see him through subsequent years plagued by violence poverty and almost unimaginable adversity And it's about how she accomplished this in late 60s and 70s Birmingham at that time the most racially oppressive city in America Told through the eyes of that grandson we see Mary as the strong matriarch who refused to be crushed by the indignities of her world one where being female and Negro poor and Southern the daughter of sharecroppers and orphaned were all counted against her all in a culture ruled by segregation during the day and where the KKK roamed at night Still she'd overcome never allowing herself to be broken or ever ceasing to believe the best in humanity And throughout her life in a million small quiet ways she'd endeavor to pass those virtues of faith and fortitude on Mary's story is that of a Southern domestic Her daily radius was less

than five miles and her role as pastor's wife and mother almost entirely behind the scenes Still the ripple effects of her life would touch everything from the Civil Rights movement to race relations from the AIDS epidemic to the election of the first African American president As a result her life reminds us of our immense power that each of us no matter who society tries to tell us that we are has it within us to shape the fate of the world itself      **Solomon Macaroni and the Cousin**

*Anniversary Edition* Greil Marcus, 2025-09-16 A 50th anniversary edition of the music classic with fully updated discographies and new introductions from Greil Marcus and Dwight Garner. In this special 50th anniversary edition of the beloved Plume backlist staple first released in 1975, *Mystery Train's* complex analysis of the relationship between rock n roll music and America is given new life with updated discographies and new introductions by Greil Marcus and Dwight Garner. Rather than providing a general overview of influential bands and artists, Marcus's definitive book focuses on just six virtually unknown early rock n roller Harmonica Frank, the country blues singer Robert Johnson, and some of the better known musicians who followed: The Band, Sly Stone, Randy Newman, and Elvis Presley. This is the original book to take these rock legends and place them in the American culture of their time. And now in 2025, *Mystery Train* continues its groundbreaking work for a new generation of readers and music lovers.
