well as this the book analyses Elvis's stint as G I soldier in West Germany where he acted as an informal ambassador for the so called American way of life and was turned into a deeply patriotic figure almost overnight Yet it also suggests that Elvis's increasingly synonymous identity with U S culture ultimately proved to be a double edged sword as the excesses of his superstardom and personal decline seemingly vindicated long held stereotypes about the allegedly materialistic nature of U S society Tracing Elvis's story from his unlikely rise in the 1950s right up to his tragic death in August 1977 this book offers a riveting account of changing U S identities during the Cold War shedding fresh light on the powerful role of popular music and consumerism in shaping images of the United States during the cultural struggle between East and West Elvis Jerry Hopkins,2014-07-01 Elvis Presley is the single biggest personality in American popular culture Over three decades after his death in August 1977 he remains the undisputed king of rock n roll Featuring a wealth of first hand interviews Elvis combines Jerry Hopkins's two previous classic bestselling Elvis biographies *Elvis A Biography* and *Elvis The Final Years* with all new material to give the definitive detailed account of Presley's fantastic life **Following That Dream From Elvis to Hollywood** Al Fleming,2015-03-02 Think about it How likely would it be that Elvis Presley one of the world's biggest stars would come to a remote town on the west coast of Florida to make a movie and by sheer blind luck I would get to meet and work with him It all seems so improbable and it was the one big event in my life that would change my future leading me to Hollywood and a life I could never have dreamed of I have traveled the world seen things that most people will never see met and worked with some of the most famous people in the world and had some wonderful adventures It has given me a life full of adventure and excitement that I would have never known but for that magic summer of 1961 when my life was given a direction and changed forever From then until now I have been following that dream and this is my story *hollywood's greatest mysteries* John Austin,1993-11 Hollywood columnist and author John Austin takes readers well beyond the prepared and doctored statements of studio publicists to expose omissions and contradictions in police and coroners reports Includes information on the deaths of Elvis Marilyn Jean Harlow and more *Hollywood's Hawaii* Delia Caparoso Konzett,2017-03 Whether presented as exotic fantasy a strategic location during World War II or a site combining postwar leisure with military culture Hawaii and the South Pacific figure prominently in the U S national imagination Hollywood's Hawaii is the first full length study of the film industry's intense engagement with the Pacific region from 1898 to the present Delia Malia Caparoso Konzett highlights films that mirror the cultural and political climate of the country over more than a century from the era of U S imperialism on through Jim Crow racial segregation the attack on Pearl Harbor and WWII the civil rights movement the contemporary articulation of consumer and leisure culture as well as the buildup of the modern military industrial complex Focusing on important cultural questions pertaining to race nationhood and war Konzett offers a unique view of Hollywood film history produced about the national periphery for mainland U S audiences Hollywood's Hawaii presents a history of cinema that examines Hawaii and the Pacific and its representations in film in the context of colonialism
