Hunt, 2017-11-01 Title first published in 2003 Alternative religions attract great public academic and government interest in our apparently post Christian society Yet how did all the alternatives develop what are their beliefs and practices and how significant is their impact in terms of the world s religions and society This book presents a comprehensive introduction to the major forms of alternative religions Cults Sects New Religious Movements the New Age Fundamentalism Pentecostalism Ethnic Religions and Quasi religions Stephen Hunt presents sociological insights into the rise of alternative religions their beliefs and practices their impact who joins them and how they are being classified and could be re classified in the future Public and legal controversies surrounding some alternative religions such as the so called dangerous cults are also explored This book offers students insights into contemporary themes such as secularisation post modernity links between religion healing and and changes in our global culture **Star Trek and Sacred Ground** Jennifer E. Porter, Darcee L. McLaren, 2016-02-24 Drawing on a number of methodologies and disciplinary perspectives this book boldly goes where none has gone before by focusing on the interplay between Star Trek religion and American culture as revealed in the four different Trek television series and the major motion pictures as well Explored from a Trek perspective are the portrayal and treatment of religion the religious and mythic elements the ritual aspects of the fan following and the relationship between religion and other issues of contemporary concern Divided into three sections this detailed study of religion myth and ritual in the Star Trek context extends the boundaries of the traditional categories of religious studies and explores the process of the re creation of culture The first section explores the ways in which religion has primarily been understood in the Star Trek franchise in relationship to science technology scientism and secular humanism What do Star Trek and its creator Gene Roddenberry have to say about religion and what does this reveal about changing American

perceptions about the role value and place of religion in everyday life Section Two examines the mythic power and appeal of Star Trek and highlights the mythic and symbolic parallels between the series story lines and themes taken from both western religious tradition and the scientific and technological components of contemporary North American Society In the final section contributors discuss the mythic and ritual aspects of Star Trek fandom How have Star Trek fans found meaning and value in the television programs and how do they express that meaning in their lives Contributors include Robert Asa Michael Jindra Larry Kreitzer Jeffrey S Lamp Peter Linford Ian Maher Anne Pearson Gregory Peterson and Jon Wagner

**The Cultural Life of Intellectual Properties** Rosemary J. Coombe,1998-10-13 An ethnography of intellectual property discussing the uses made of items of intellectual property by various cultural groups for purposes of identity solidarity resistance and so forth *Shrines and Pilgrimage in the Modern World* Peter Jan Margry,2008 The modern pilgrimage to sites ranging from Graceland to the veterans annual ride to to the Vietnam Veterans Memorial to Jim Morrison s Paris grave is intertwined with man s existential uncertainties in the face of a rapidly changing world In a climate that reproduces the religious quest in seemingly secular places it s no longer clear exactly what the term pilgrimage infers and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred while commenting on the modern media s multiplication of images that renders the modern pilgrimage a quest without an object Using new ethnographical and theoretical approaches this volume offers a surprising new vision on the non secularity of the secular pilgrimage This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage Simon Bronner Penn State University

**Contents Tourism and Pop Culture Fandom** Takayoshi Yamamura,Philip Seaton,2020-01-14 This is the first book to apply the concept of contents tourism in a global context and to establish an international and interdisciplinary framework for contents tourism research The term contents tourism gained official recognition in Japan when it was defined by the Japanese government in 2005 and it has been characterised as travel behaviour motivated fully or partially by narratives characters locations and other creative elements of popular culture forms including film television dramas manga anime novels and computer games The book builds on previous research from Japan and explores three main themes of contents tourism the Contentsization of Literary Worlds Tourist Behaviours at Sacred Sites of Contents Tourism and Contents Tourism as Pilgrimage and draws together these key themes to propose a set of policy implications for achieving successful and sustainable contents tourism in the 21st century

**Religion in Western Society** Stephen J. Hunt,2017-03-14 This book offers a comprehensive account of the nature and expression of contemporary forms of religion in Western societies Drawing both on recent original work and classical and contemporary conceptual frameworks it examines the beliefs practices patterns of organisation and significant trends in both mainstream and fringe religions including cults and quasi religions Competing arguments and theories about key developments are treated fully and fairly and there is a clear sense throughout of the social context The approach is broadly sociological and the well paced

jargon free writing style and clearly sectioned chapters make this an ideal text for teaching and study purposes both in sociology and religious studies Amongst the themes and concerns covered are What we mean in the first place by religion Secularisation and new expressions of religiosity The effect of religion on society and the relationship between religion and social change The links between belief belonging and social identity Contemporary Christianity and the religions of ethnic minorities in the West Globalisation religious pluralism and postmodernity STEPHEN J HUNT is Senior Lecturer in Sociology at the University of West of England Bristol He has written widely on contemporary Christianity and new religious movements

**True Disbelievers** George Plasketes, 2018-04-17 The legion of fans who refuse to believe that Elvis Presley died August 16 1977 has been a major force behind the ever expanding elusive and enduring Elvis myth during the past seventeen years This network of fervent true believers engages in activities that include a melange of sightings and conspiracy theories Mass media coverage of these phenomena has evolved from the underground grass roots level to widespread publicity with social religious commercial and ideological underpinnings In *True Disbelievers* R Serge Denisoff and George Plasketes examine the implications of various accounts and several perspectives on Elvis Presley s death and transfiguration Denisoff and Plasketes also analyze the various media that those who doubt Elvis s death use to popularize their positions including television magazines and books They review the work of others who have written on the subject such as Gail Brewer Giorgio and Major Bill Smith and raise provocative yet valid questions about the phenomenon they describe *True Disbelievers* takes a pointed look at the music industry as well and how it has used and commercially benefitted by the continuing belief that Elvis lives They examine common strands in the many reports of Elvis sightings since Presley s reported death Denisoff and Plasketes describe the Elvis phenomenon in serious objective as well as empathetic terms placing it in the context of studies of cult figures and their followers *True Disbelievers* contains a great deal of fascinating information about America s popular culture and the power and influence of the media in modern society It will be of significant interest to communication studies scholars sociologists professionals in the music and media industries and those interested in popular culture
