E. M. Forster's Posthumous Fiction Norman Page, 1977 **The Ruling Passion** Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery **An E. M. Forster Chronology** J. Stape, 2016-07-27 This chronology provides a concise and accurate outline of Forster's personal literary and intellectual life from year to year in a series of crisply written diary entries While the main focus is on his career as a writer of fiction most of which falls between 1901 and 1924 the chronicle format also sheds new light on the extent and nature of Forster's political and public commitments during his middle years and into an active old age Travel friendships and wide reading are also documented to achieve a coherent picture of a full life Drawing on numerous unpublished sources including widely scattered letters and the Forster archive at King's College Cambridge this chronology makes available a wealth of new information about Forster the man and writer

Friendship, and the First World War Sarah Cole,2003-08-28 Sarah Cole examines the rich literary and cultural history of masculine intimacy in the twentieth century Cole approaches this complex and neglected topic from many perspectives as a reflection of the exceptional social power wielded by the institutions that housed and structured male bonds as a matter of closeted and thwarted homoerotics as part of the story of the First World War Cole shows that the terrain of masculine fellowship provides an important context for understanding key literary features of the modernist period She foregrounds such crucial themes as the over determined relations between imperial wanderers in Conrad s tales the broken friendships that permeate Forster s fictions Lawrence s desperate urge to make culture out of blood brotherhood and the intense bereavement of the war poet Cole argues that these dramas of compelling and often tortured male friendship have helped to define a particular spirit and voice within the literary canon *A Study Guide for E. The Burdens of Intimacy Christopher Lane, 1999 Why does passion bewilder and torment so many Victorian protagonists And why do so many literary characters experience moments of ecstasy before their deaths In this original study Christopher Lane shows why Victorian fiction conveys both the pleasure and anguish of intimacy Examining works by Bulwer Lytton Swinburne Schreiner Hardy James Santayana and Forster he argues that these writers struggled with aspects of psychology that were undermining the utilitarian ethos of the Victorian age Lane discredits the conservative notion that Victorian literature expresses only a demand for repression and moral restraint But he also refutes historicist and Foucauldian approaches arguing that they dismiss the very idea of repression and end up denouncing psychoanalysis as complicit in various kinds of oppression These approaches Lane argues reduce Victorian literature to a drama about politics power and the ego Striving instead to reinvigorate discussions of fantasy and the unconscious Lane offers a clear often startling account of writers who grapple with the genuine complexities of love desire and friendship
