

## Emergency Management Assistance Compact

The Emergency Management Assistance Compact, (EMAC) is a national Governors' interstate mutual aid compact that facilitates the sharing of resources, personnel and equipment across state lines during times of disaster and emergency. EMAC is formalized into law by member parties.

EMAC was ratified by the U.S. Congress and signed into law (PL 104-321) in 1996 and in **Colorado Statute (CRS 24-60-2901)**. Currently fifty states, Puerto Rico and the US Virgin Islands have enacted EMAC legislation.

*Provision of EMAC, "the state rendering aid may withhold resources to the extent necessary to provide reasonable protection for such state" and "...licenses, certificates, or other permits...shall be deemed licensed, certified, or permitted by the state requesting assistance" employees... rendering aid... shall be considered agents of the requesting state for tort liability and immunity purposes" "...any party state rendering aid... shall be reimbursed by the party state receiving aid for any loss or damage to or expense incurred..." "each party state shall provide for the payment of compensation and death benefits to injured members of the emergency forces of that state and representative of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within their own state"*

### PURPOSE

The purpose of this Administrative Guide is to provide guidelines for responding to EMAC requests from other states. The foundation of EMAC and other assistance is through the Statewide Mutual Aid Agreement (SMAA), and EMAC participating states.

EMAC maximizes use of all available resources and coordinates deployment of EMAC resources with the National Response Framework resources. EMAC provides management and oversight to expedite and streamline the delivery of assistance between member states while protecting sovereignty.

The Administrative Guide is limited to the coordination, tasking and utilization of Intra-State and Inter-State mutual aid. The Administrative Guide is not a stand alone document and is designed to be used in conjunction with State of Colorado Emergency Operations Plan, Emergency Management Assistance Compact, State of Colorado Emergency Resource Mobilization Plan, and Internal - Standard Operating Procedures.

### OVERVIEW

Large-scale emergencies and disasters may exceed the capabilities of state and local government to effectively respond and recover. Resources may be required from outside the affected area to augment the on-going effort. Assistance may be provided from state resources, Statewide Mutual Aid Agreement, Emergency Management Assistance Compact, Federal resources or even donations from private sources.

Mutual aid agreements and memoranda of understanding are essential components of emergency management planning, response and recovery operations. These agreements provide reciprocal
