Emergency Care Fire Service Version:

Exam Prep: Medical First Responder Ben A. Hirst, 2006 *Exam Prep Medical First Responder* is designed to prepare you to sit for a First Responder certification promotion or training examination by including the same type of multiple choice questions you are likely to encounter. The manual follows the Systematic Approach to Examination Preparation developed by Performance Training Systems Inc to help improve examination scores. The practice examinations were written by fire and emergency service personnel and the content was validated through current reference materials and technical review committees. Your exam performance will improve after using this system. *Emergency Care Fire Service Version* Daniel Limmer, Michael F. O'Keefe, Edward T. Dickinson, J. David Bergeron, Robert H. Murray, Jr., 2002-08 For over 30 years Emergency Care has set the standard for EMT B training. Over 16 million readers have succeeded using this book more than any other EMT Basic training book. Brady continues this tradition of publishing excellence with the Fire Service Edition which recognizes the unique situations in which fire service professionals work. This volume has prepared more readers to pass state competency exams and or the National Registry Exam than any other book on the market with well organized clearly presented content, thorough coverage of patient assessment, an accessible reading level, high quality artwork and outstanding skill scans of equipment and procedures. Case studies and practical tips from the field tie chapter concepts to real world applications. Each chapter now sends readers to the Companion Website where there are links to EMS related sites. Coverage includes critical medical and trauma patient care, assessment and treatment for particular types of patients, disorders and injuries, preparation for dealing with simultaneous emergencies, safety and patient care considerations and also includes fire specific photos. For professionals in the field of Emergency Services or anyone who would like to certify as an EMT professional. **Manpower Development: Education and Training. Revised Edition** William Eugene Tarrants, 1980
