Eyewitnebes Of His Majesty A Novel About The Great Tribulation Period:

The Rapture Hal Lindsey,1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world s attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today **Leaves of Healing** ,1919 *A Revelation of Jesus Christ* J.B. Smith,2004-05-10 From the Introduction by Merrill C Tenney This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom In this regard he is in a long line of renowned commentators including Seiss Gaebelin Ottman and others The distinguishing feature of this commentary is its use of Biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text This commentary will probably be the mainstay of premillennial exposition for some years to come **The Watchman-examiner** ,1921 [A Revelation of Jesus Christ](#) Jacob Brubaker Smith,1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of

important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction **Living Hope for the End of Days** John S. Barnett,2010-08-09 **Lutheran Companion** ,1907 *Christian Victory* ,1969 The national history of England, by E. Farr [and others]. England,1871
